

# Endemic Thoughts On A Pandemic

# Endemic Thoughts in a Pandemic

“A Pandemic is first created in the imagination of an Epidemiologist”

“Epidemiologists study epidemics in order to imagine the management of a pandemic”

“When a consensus view of eminent epidemiologists believe that a pandemic is real, there is a major possibility of it becoming a global reality”

“For a natural global catastrophe to occur, it requires the majority of people in the world to believe that it is true”

“Any Social System with a fixed doctrine & dogma is a religion. Therefore science is a religion for atheists and so is Epidemiology”

“Without wisdom, a theory becomes a doctrine, which is a dogma”

“If I believe that a virus is an active genetic programme, that causes fear & panic, that is my experience and my reality”

“Beliefs mutate, so genes mutate, so viruses mutate”

“Beliefs are active or dormant, genes are active or dormant, viruses are active or dormant”

“Beliefs are a programme, genes are a programme, viruses are a programme”

“The breath of life is deep, not shallow”

“Face masks allow shallow breathers to breathe less deeply”

“Those who are experiencing the effects of a negative reality, will demonise those who they believe to be causing it”

“We now know that killing good bacteria preserves illness, at the expense of good health”

“The mentality that cures meat & fish by killing bacteria, is the same mentality that cures disease by killing bacteria”

“When a Doctor says: I can cure your disease, you can be sure he will preserve it”

“When a Grocer says: I can cure your bacon, you can be sure he will preserve it”

“When I am curing illness, I am preserving unwellness”

“When I am treating illness, I am mistreating wellness”

“When I am treating symptoms, I am not healing the cause”

“The only difference between a medicine & a poison is dosage”

“Immunity from poisonous medications is a simple matter of not needing them”

“A healthy autonomous inner detox system is immune from external medical intervention”

“A healthy auto-immune system doesn’t need a boost”

“Infection is the inner effect of a suppressed auto-immune system”

“We all need immunity from the insanity of corrupt science”

“Healthy people have a natural immunity to illness”

“Healthy people do not need a world vaccination programme as part of their operating system”

“It is a great irony that the inventor of the first global operating system for computers, is now promoting the biggest global corruption in the operating system of Human Health & Wellbeing ”

“Old beliefs are toxic, inflammatory & viral”

“Release an old belief, deliver a new belief, cleanse the programme”

When I disallow my body naturally detoxing, I will become ill”

“When I think that I am unwell, it is my belief that is making me ill”

“When I am being physically sick, it doesn’t mean I am ill”

“Coughing, sneezing, a runny nose, a temperature, sickness and diarrhoea are all ways that a healthy body naturally detoxifies”

“When my perspective is sick or toxic, so is my body and vice versa”

“Health management requires a positive mental perspective”

“Symptoms of a disease, when properly managed, do not need to cause dis-ease or illness”

“Happiness is a good fit, called laughing”

“Coughing is not a good fit”

“Sneezing is not a good fit”

“Pique is not a good fit”

“My immunity doesn’t mean I won’t have the symptoms associated with a virus, it means I won’t suffer any ill effects of a virus”

“Most people have no idea what is best for their self, let alone other people”

“Whenever we try to do what is best for other people, we fail miserably”

“Health & immunity are unique to each individual person”

“Herd immunity is a personal detachment from other people’s toxic beliefs & dramas”

“Health & immunity are individual to each human person”

“Herd immunity applies to Animals, not to Individual Human Choice”

“A Herd Mentality occurs when we defer our individual choice and follow the beliefs of an external doctrine”

“Doctors & Doctrine share the same root”

“A correctly functioning immune system is a toxic waste disposal programme functioning effectively”

“Immunisation is natural, vaccination is unnatural”

“When corrupt data goes viral, it causes a meltdown in the operating system”

“When others are disaffected by your authority, you may consider reflecting on your own apparent bigotry & arrogance”

“Those who think they know what is best for others are called arrogant, self-righteous bigots”

“The biggest challenge that Mainstream Science faces today is the eradication of virulent strains of Bigotry, Hubris, Avarice & Greed”

“When a conviction is virulent, it can cause widespread panic”

“It is the stress that a viral strain causes that suppresses the immune system”

“The belief that a particular virus will kill a lot of people, is the major cause of a pandemic”

“The belief that a virus can kill me, is a major cause of death during a pandemic”

“Negative DNA is spread as a negative influencer via fear & negative beliefs”

“Negative beliefs cause a negative influence that can become viral”

“Influenza is a viral negative influencer”

“The Deep State of World Government is actually very shallow”

“A virus is a corrupt programme in a person’s belief system. It’s a DNA corruption that causes corrupt cells to self destruct”

“Science knows that a virus is not a living organism”

“Medical practitioners believe a virus to be alive”

“Disaffected means feeling the negative effects of other people’s authority”

“Isolation is an effect of fear, caused by a disaffected belief system”

“If autophagy is the cells internal waste management system, what is a dead cells undertaker called?”

“If the way that you think is dangerous to your health, change your experience with a healthier perspective”

“Toxic thoughts & toxic emotions cause toxic experiences”

“A toxic perspective is the effect of toxic beliefs, which cause toxic behaviour”

“Medical interventions are for people who believe that doctors can cure them of illness”

“Only leaders are allowed to make intuitively intelligent choices. All followers must justify their choices with intellectual reasoning”

“An expert is someone who has a little knowledge about a subject that nobody knows anything about”

“An unambiguous certainty only exists in an absolute realm beyond duality, and certainly not in any computer algorithm”

“Everything in physical duality is by definition ambiguous and therefore uncertain”

“When we confuse intellect with consciousness, we deny our emotional intelligence”

“When we confuse intelligence with intellect, we deny our intuition”

“When we confuse intelligence with consciousness, we give life to inanimate objects”

“Viruses proliferate, evolve, mutate and vary from country to country, so science assumes that they are alive”

“Domestic waste proliferates, evolves, mutates and varies from country to country, but it is not alive”

“It is no good fighting a government bureaucracy that believes it is acting in people's best interests”

“Science has no clear distinction between our immune system and our cellular waste disposal system”

“Science tells us that all the cells in our body are replaced over time but it doesn't tell us how our dead cells are disposed of?”

“The belief that a virus causes a disease is a defect in mental programming”

“When there is no risk to health, immunity from sickness is unnecessary”

“Fighting a virus depletes the immune system and defeats its objective”

“Boosting my immune system is a better response”

“Fighting a virus is a senseless reaction”

“Fighting a virus is like fighting a belief, it will convict you”

“Pneumonia is the bodies inability to breathe healthily, which can be fatal”

“All Officials conspire together to get their perspective of reality endorsed as a Theory with Authority”

“For every authorised official perspective of reality, there will be a contrasting, unauthorised, unofficial version; called a conspiracy theory”

“As everyone has their own version of what is true, we are all experts on what is true for us”

“Everyone is a World Authority on their own perspective of world reality”

“Other people will happily change your life, to make their life better”

“Relying on other people to change your life for the better, is not a good strategy”

“Personal immunity is relative to personal health”

“There are varying degrees of personal immunity”

“There are no varying degrees of viral strength & weakness”

“What is making critically ill patients, terminally ill?”

“What is making chronically sick patients, critically ill?”

“What is making acutely ill patients, chronically sick?”

“What is really compromising the immune system of chronically, critically & terminally ill people?”

“The Medical Profession believes it has the right to keep you alive at any cost”

“We all have the right to choose the time and place of our own death. Most people believe that this is not a realistic option”

“Heart disease is the bodies inability to keep its blood flowing healthily”

“Cells are not fatal but an over-generation of too many toxic cells, called cancer, can be”

“Viruses are not fatal but an overactive immune system, driven by the fear of death, can be”

“Sub-conscious programmes & beliefs convert the pure potential of emotion into an intensely dramatic experience”

“Natural Disasters are an oxymoron”

“Disasters are a personal perspective caused by a negative belief about nature”

“It is the nature of man to cause disasters”

“I cannot create a problem, I cause it with my negative perspective”

“Disasters are not created, they are caused by human thinking”

“In the battle between Man and the Planet for Survival, Gaia always wins”

“The malignant force in this world that makes things go wrong is called 'me'”

“We only experience evil when we live backwards”

“Health is a choice that I choose when I make healthy choices”

“Illness is a choice that I choose when I make unhealthy choices”

“Cancer, heart disease & dementia are all the effect of a suppressed health system”

“A healthy immune system is the only immunity to illness”

“The body’s health system is immune to infection”

“The body’s immune system is disaffected by ill health”

“The only immunity to infection is to not be affected”

“An unhealthy body is the effect of an unhealthy belief system”

“Suppressing the symptoms of a virus, compromises the immune system”

“Naturally detoxifying the body is the only immunity to ill health”

“A little dis-ease is not a disease”

“When I suppress my body’s ability to detoxify naturally, I suppress my immunity to ill health”

“The body’s natural immunity to a toxic world is good health”

“A healthy body is maintained with a healthy mind, expressing healthy emotions”

“A Cell has consciousness. It is a self-organising entity. A virus is not self-organising”

“A virus is a mental thought particle, without its own consciousness”

“A conscious mind has a choice of thought as to its definition of a virus”

“It is the mental perspective of a thought of a conscious mind that gives a virus a definite meaning & purpose”

“A virus, like a bacteria, is as beneficial or detrimental as our individual mental conscious thought believes it to be”

“Medical science sees auto-immune as a disease not a natural detox system”

“Automatic Immunity is an anathema to medical science”

“Mental Health is unique to each exclusive Individual”

“Mental ill health is inclusively & divisively shared communally”

“When Epidemiologists turn epidemics into pandemics, pandemonium ensues”

“In reality, we do not die from any disease, we die from the inability to heal our disease”

“COVID-19 is a viral belief that an influenza corona virus can kill me”

“COVID-19 is a pandemic of fear caused by toxic viral thinking”

“In reality, COVID-19 kills people with a chronically suppressed immune system”

“In actuality, medicating illness, suppresses the immune system, by turning an acute illness chronic”

“In truth, I become ill by not taking responsibility for healing my Self”

“Only healthy beliefs allow a healthy experience of life”

“Toxic beliefs cause a toxic experience of life”

“Being Well requires healthy beliefs expressing healthy emotions as a healthy experience”
