

Wise Words

Book 11

Keith Collins

“Partnership is not about
give & take, but giving &
receiving in equal
measure”

“How can the empty void
of Space have a Black
Hole in it?”

“Can a galaxy exist
without a black hole at
its core?”

“Can button holes exist
without the existence of
buttons?”

“Science believes that 'seeing is believing', so black holes only theoretically exist. This doesn't stop them trying to see something that is not visible”

“When God created the ability to separate thought from emotion: Men gained the ability to think without the creative power to manifest their thoughts & Women the ability to feel their emotions, without having to think about it”

“The spin of a hyperbolic
vortex is relative to the
orbit & rotation of its
energy torus”

“My Provision is always in
alignment with (Pro) my
Vision for my Life”

“Whatever I am
attracting in my life can
be perceived as either a
blessing, a curse or as
providence”

“The ego always has a
choice, which may or
may not be in alignment
with the Soul’s choice for
its Self”

“The ego is always in alignment with its Self but is not always aligned with its Soul”

“Alignment with the ego’s desire is not empowering unless it is in alignment with the Soul”

“Attraction is a
magnitude, I cannot
force it”

“The power of emotion is
attraction”

“With low emotional
power, dreams are a
nightmare”

“The key to personal emotional power is to focus on who I am adjectively Being as the subject of my objective”

“The subjective is what I have; the objective is what I do; & the adjective is who I am being”

“Family is never too
familiar & relations are
never relative to
relatives”

“Being familiar with
relations is how I relate
to family”

“Being Familiar is who I
am in relationship to my
family”

“The matter of toroidal
electro-magnetic energy
is the fundamental
building blocks of
physical reality”

“Matter has mass,
Energy does not”

“Experience has mass,
Observation does not”

“A Photon is the
observable existence of
an electro-magnetic
potential, whereas an
Electron is its
experiential existence”

“Hearing is both a
physical sense & an
intuitive sense”

“I hear thoughts with my
intuitive awareness: I
hear sounds with my
conscious hearing
receptors”

“Thoughts are electro-
magnetic waves: Speech
is not”

“Radio waves are electro-magnetic: Sound waves are not”

“Resistance to matter causes inertia, resistance to energy causes entropy & resistance to motion causes friction”

“The Parliament at Westminster has two Houses: The Commons where Members are freely elected but have no free vote & the Lords where Members are not elected but do have a free vote”

“Psychological
Temperature is mental
speak for emotional
power”

“Accidents can’t happen
to anyone, only people
who believe that they
can”

“Inertia is the resistance
to physical change,
entropy is the resistance
to spiritual change &
friction is the resistance
to kinetic change”

“I fulfil my purpose when
I become my potential”

“My Beingness is just a potential, until I become it”

“The potential of feeling is derived from the current emotional vibration of intuitive awareness”

“The intensity of touch
defines the energy
vibration of matter as
hard or soft, hot or cold,
rough or smooth etc.”

“When virtue is active &
imagination is real, by
virtue of my imagination,
my reality is actively
created”

“When virtual is not
actual & imaginary is not
real, actual reality cannot
manifest by virtue of the
imagination”

“An Emotional State of
Being becomes a state of
Being when I state the
emotion that I am Being”

“Life is the emotional
experience of a mental
perspective in a physical
body”

“When something is
valuable, you can sell it:
When something is
invaluable you can share
it”

“When Philosophy is about winning an argument, there is no love & there is no wisdom”

“Only a minority can have the most, only a majority can have the least, but everyone can have enough”

“What unifies everything
in theory is Energy: What
separates everything in
practice is Matter”

“Gravity is the effect of
attraction not the cause
of attraction”

“When I don't know I
can, I can't”

“When I push, others
resist; but when I flow,
others flow with me”

“The Conscious Potential
of Life is driven by a Sub-
Conscious Force of Light
that is connected to a
Super-Conscious
Magnitude of Love”

“Is the Mind a property of the Soul, is the Soul a creation of the Mind or are they two aspects of the same Spiritual Entity?”

“When life is a continuing journey, there is no reason for it to ever end”

“In the beginning,
heaven & earth is created
through a choice of
gender & polarity of
perspective being either
spiritual or physical”

“God is First Cause of
relative dual reality; but
not first cause of
Absolute Reality, which
has no cause & has no
effect”

“There is no way of changing another person’s beliefs, only they are able to do that, with or without another’s help”

“A Ruler is a person who draws straight lines for others to follow”

“It is the act of creating a creation that creates the Creator”

“Who came first: The Creator or the creation?”

“The quality of an experience is relative to how much I love it”

“Fear is not an emotion
but a state of mind with
a negative perspective”

“Being controlling &
being in control are not
the same emotional state
of being”

“Just because someone’s eyes are closed doesn’t mean that they are asleep”

“Grandchildren are the shining example of your success as a parent”

“A Daughter is a person
through whom your love
flows”

“A Son is the person
through whom your light
shines”

“When God is a construct of religion & religion is a construct of God, it is impossible to separate the two”

“There is no Divine State of Being until I become it”

“Highly advanced
Spiritual Beings are not
religious”

“Religious belief says
Man is the creation of
God, whereas, Spiritual
knowing sees god as a
creation of Man”

“The paradox of God is:
He is the creation of a
perspective created by
the creation that he
created in his own
image”

“God does not exist until
he/she is created in the
imagination of man/
woman”

“Do you believe in God
means: Do you follow the
belief system of a
particular religion?”

“Visualising who I am is
powerful: Visualising
what I want is not”

“Physical reality is real, it
is the realisation that
only physical reality is
real that is the illusion”

“When I want whatever I
have, I can have
whatever I want”

“Currency is the current value of money. When I sell an asset, I realise it’s current value as the currency of money”

“It is the nature of an individual personal reality that allows paradox to exist”

“The Universal Law is
that there is only one law
& only one version of the
law and that is the Law
of Attraction”

“As my core dilates, my
frustration dilutes”

“We are all attractive.
The question is: What is
the magnitude of my
attraction & what am I
attracting by default?”

“My Soul is my Lord
Almighty”

“When life happens
through me, every
chance is an opportunity:
When life happens as
me, I have the chance to
create my ideal
opportunity”

“When life happens to me, taking a chance is a problem: When life happens by me, taking a chance is a challenge”

“Nobody ever goes to war with modesty or humility”

“The vanity of leadership
is expressed through the
pride of their following”

“Nobody ever dies for
their country: They die in
vain for the vanity of
their country’s leaders”

“Our Universe is just one version of reality in space & time”

“The two properties of an expanding universe are space & time”

“It requires emotional power to enjoy life: The emotional power of Joy”

“Life is a game of chance
that can be a risk, a
gamble or a win-win
scenario”

“Spiritual Life is an
emotional experience of
a physical effect of a
mental cause”

“Physical Life is the
emotional experience of
a unique thought
experiment”

“Philosophically: Eros,
Philos & Agape are the
three dimensions of Love
and Ethos, Pathos &
Logos are the three
dimensions of Wisdom”

“When an unemotional
mind is full of mental
fears, it will experience a
very painful physical life”

“Dark matter assumes
the shape of a torus:
Dark energy assumes the
shape of its hyperboloid”

“Autism appears to run on a spectrum from extremely over sensitive to the physical world to extremely insensitive with people”

“When I follow the perspective of another, I am limited to the extent of their success & failure”

“There comes a point on the path of allowing where will power just increases frustration”

“Why, in a society that teaches people to be unemotional, are they then penalised for being insensitive”

“Why does a society, in which capital punishment is illegal, allow the assassination of unconvicted terrorists?”

“When you believe someone to be demented, they will do everything in their power to meet your expectations”

“Being emotionally disconnected is the gateway to potentially experiencing every negative emotion imaginable”

"Once I see the value in life, I can look for the quality in life"

“A clear intention of what I mentally think that I want is rarely in alignment with my emotional power to manifest it”

“Being in emotional alignment is attained through a clear intention of who I am being”

"Because ideal is a quality, it is always relatively ideal"

"Because perfection is a value, it can also be a need"

"Being problem free is
just a concept until I
become actually free of
fear & free of pain"

"The limitations of
physical life are not
physical in nature but
mental & emotional"

"Religion is an institution created by people who want everyone to share their moral standards"

"Government is an institution created by people who want to make their rules apply to everyone"

"In a self-governing society, laws are unnecessary, which makes government redundant"

"I choose to live eternally, but not in the same body, with the same character & personality, in the same dimension of reality"

"Without a Mind, there is no thought & there is no consciousness:
Consciousness is the focus of mental thoughts"

"When Consciousness is the focus of intent, where there is no intent, there is no focus & there is no consciousness"

"If you don't choose to be governed, you don't need democracy"

"Democracy is neither a need nor a value but a concept created by people who believe they should have a say in who governs them"

"When I suppress my emotions, I disconnect my power, disallow my wealth & lose the joy of life"

"For being approving, being allowing or being accepting to be prime emotional attributes, they are required to be unconditional"

"The Mind is not part of physical reality in the same way that a cine projector is not a part of the film being projected on to the screen"

"The paradox of consciousness is that whereas consciousness is not physical, physical consciousness is real"

"Science is a rational
assessment of the
physical world"

"Art is a physical skill
that conveys emotion"

"Apparently, easy virtue
is a sin because it is not
hard work"

"Action driven by need is
not empowered"

"Ask: Is this thought of
action empowered?"

"Thought-Emotion-Action
allows the authority,
power & ability of Life"

"The Soul is the Producer,
the Mind is the Director,
the Heart determines the
budget and the Ego plays
the leading role"

"The Higher Mind is a
Conscious Light Projector
of Thought: The lower
mind is a sub-conscious
recorder of perceived
thinking"

"Causality is the reality of
cause & the cause of the
effect and it is the cause
& the effect of reality"

"The less the energy, the
less the space, the more
dense the matter & the
greater its mass"

"Demotion is the
manifestation of matter
from energy"

"Matter is the presence
of atoms: Energy is the
absence of atoms"

"Density is the relative
absence of space: Mass
is the relative presence
of matter"

"Mass is a property of
matter at rest"

"Why does science
believe that specific
gravity is specifically not
gravity?"

"Poison is a medication
that puts the body
further out of balance"

"Looking to someone else to cure my illness is the first step to a long life of relative unwellness"

"Medication does not cure illness: It either assists the body to come back into natural balance or it does not"

"Time is a great healer
because healing is a
process of positive
change that takes time to
happen"

"In a continuous reality,
time is eternal & space is
infinite; otherwise reality
couldn't be continuous"

"Perception, Power &
Potential are the three
properties of the Energy
Body"

"Allowing is not
something that I am
doing but an emotional
state of being that allows
my emotional power to
flow through me &
empower me"

"When my male visual energy is in harmony with my female imagination, I have a clear Vision for the next step of my journey through life"

"Gravity is specifically relative density obeying the Law of Attraction"

"Exclusive-Connection
has a balanced intensity:
Emotional-Intelligence
has a harmonious
gender: Sensitive-
Detachment has a
neutral polarity"

"The greatest paradox of this world is that it is designed for the experience of Joy, once one has overcome the duality of pain & pleasure"

"A good connection
requires a balanced
intensity because a good
connection has a
balanced intensity"

"I am as powerful as I
allow my Self to be:
Allowing is a very
powerful state of Being
for my Self"

"Magic can be believed to be a trick, or perceived as an art"

"The ego's will is always focused on the future, even though my power is only present in the now"

"Telling children they are special & can have whatever they want in life is the truth but not a good strategy without the sense to know how"

"Creating your own reality & having whatever you want are not always the same thing"

"The quality of your life is relative to the quality of the feeling energy that is flowing through you"

"What do I have to do to make this happen to me? This question turns my perspective of life, from 'by me', back to: 'to me'"

"There are many things that I do not know that I know, until I write them down and realise their truth"

"Empower is emotional power: Will power is mental force: Motivation is what I believe that I emotionally need"

"Allowing, approving & accepting all connect to the emotional power of Love"

"Trying, achieving & earning all require the motivation of will power"

"The role of a friend is to endorse your beliefs & make you right: The purpose of a Coach is to challenge your beliefs so that you are true"

"Without the ability to get other people to fight your battles, there can be no war"

"A war is started by two proud leaders doing what they both believe is right for them & their people"

"I can fear an apocalypse or I can see it as the dawning of a new & beneficial chapter in my life"

"What my Soul intends is
my sole intention"

"I can take the view that
all monkeys look the
same or I can see their
own individual & unique
personality & character"

"I can take the view that every star is a sun or I can see that every individual star is a unique & exclusive solar system or galaxy"

"A Creator is an invention of the creativity of the creation"

"I can take the view that snow is just frozen water or I can see that every individual snowflake grows into its own unique shape"

"I can take the view that every beach is made of sand & pebbles or I can see that every pebble & every grain of sand is individually unique"

"I can take the view that all trees are made of lumber or I can see that every individual tree is creating its own unique piece of wood"

"Emotion is how the mind relates to the body"

"What creates the philosophical mind-body problem is the absence of emotion"

"A Premise is a mental aspect of a creator: A Property is a physical aspect of a creation"

"We are all the creators
of an individual, unique &
exclusive experience of
life"

"Imagination is a
perspective of a
perceptively creative
conscious thinking mind"

"Perspective & perception
are the tools for being
really creative"

"The only thing that I can
ever truly create myself
is my own experience of
reality"

"Creativity is the
potential of an
imaginative mental force
& a magnitude of
emotional inspiration"

"Making someone else
responsible for my safety
& education is even less
wise"

"Making someone else
responsible for my health
& wealth is never wise"

"When life happens
through me, I am the
projector: When life
happens as me, I am the
film"

"When life happens to
me, I am the camera:
When life happens by
me, I am the
photographer"

"I am not grounded in
physical reality,
physicality is grounded
through my perspective
of life"

"My Grounding is the physical space from which I project my own reality"

"Masturbation can be a release or a connection. The question is: What are you releasing & to what are you connecting?"

"No matter how well the cage is gilded, it is still a personal prison cell"

"Everyone is intuitive but not everyone is aware that they are intuitive"

"Imagination is a subjective view of a potential reality, which is an anathema to a rationally objective observer"

"The 3 Principles of Mind, Consciousness & Thought allow a conscious thinking mind to become a reality"

"The magnitude of
energetic flow is always
free"

"The force of an
energetic charge is
always negative"

"The reality of freedom is
that there is no energetic
charge"

"Human Beings lose their competence as they lose their power and as competence falls so does their power"

"Machines are more competent than human Beings because their power never fluctuates:

.....

They are powered, on
stand-by or switched off"

.....

"The devil is in de tale,
not in the detail"

.....

"A Psychopath is one who
sees their own evil in
others. This is the Path of
the Psyche, to see who
we are as our reflection
in other people"

.....

"A Scientist believes that intuition is based on assumptions, whereas in spiritual reality intuition makes no assumptions"

"We define a space with the reality of its time & we define a time as the reality of its space"

"There is nothing more frustrating than having all the money in the world and having nothing to spend it on"

"Without emotional power, ability cannot be realised"

"Choice means that we
all get to decide
individually how we
relate to what is
happening to us
collectively & occurring to
us individually"

"I line up my energy
when my kundalini is
flowing unrestricted
through the heart of my
open chakra"

"My Soul connects me to
the One Mind: My ego
thinks it is my one mind"

"Fundamentally, we are
all of One Mind:

Practically, we all have a
mind of our own"

"Imagination can be real
or fantasy, creative or
unrealisable"

"What makes an attribute attainable is my ability to choose to be it"

"What makes a task do-able is my ability to accomplish it"

"What makes an objective achievable is my ability to realise it"

"A positive thought is
always accompanied by
an empowered feeling"

"Positive thinking without
an empowered feeling is
just fantasy"

"We are all emerging
Souls when merging with
our true Self"

"The ego's authority
requires clearance: The
Soul's authority has
clarity"

"My appreciation of the
value of my Self-worth is
in alignment with my
Soul"

"Denying my Self is not
in alignment with my
Soul"

"Condolence is my
sympathy with another's
pain: Indolence is my
sympathy with another's
pleasure"

"Every vibration of pure emotion has two polar opposites, one positive & one negative"

"I am not aware of my intuition until I become intuitively aware"

"Pain, Pleasure or Joy are
the three choices of how
I experience the
emotional power of my
Soul"

"A Wise Person knows
when to do what other
people tell them"

"Without intuition, faith is
either trust or religion; or
my trust in my religion"

"Dreams are an
unrealised reality"

"A Bed of Roses contains
both pain & pleasure"

"There is a massive contrast in perspective from: 'Human Beings create thoughts' to 'Thought creates Human Beings'"

"When I realise that life is created through me, not by me, I stop trying & I allow it to happen"

"Opportunities are
problem free: Inspiration
is fear free:
Effortlessness is pain
free"

"Being inspired to take
an opportunity is the
effortless way to follow
my path"

"The problem that stops most people doing the work is the fear that it is hard and it will be painful"

"The perspective of my belief determines my inclination to cause it, my attitude to its effect & the degree to which I tolerate it"

"Gentleness is a neutral
Intensity: Grace is a
balanced Gender:
Goodness is a harmonic
Polarity"

"Momentum is the
naturally energetic
motion of the moment"

"The ego cannot
consciously choose the
length of life, only the
quality of life"

"The most common use
of intuition is the sense
of someone else's lack of
confidence"

"A Present is presented
in my present reality: A
Gift is transferred from
reality to reality"

"The Way is to allow Life
to occur with Awareness:
This is the Way of Life in
the Age of Awareness"

"Talking to your Self is
the first step to spiritual
growth"

"It is intensity that
causes drama & it is
stillness that enables
potential to be realised"

"The magnitude of a wavelength is inversely proportionate to the force of a frequency, therefore the power is authorised in the stillness"

"When I resonate on purpose, I reason-ate with meaning & my purpose is defined"

"There is no wrong choice, there is either a good feeling choice or one that is out of alignment with feeling good"

"It is not possible to think peaceful thoughts, only to have peaceful thoughts"

"Peace of mind is an
emotional experience not
a mental one"

"Piece of mind disallows
Peace of Mind"

"When life happens
through me, I am in
transmission with the
Soul"

"When life happens by
me, I try to transform
the Ego"

"When life happens to
me, I need to transcend
the Ego"

"I choose for my children
to succeed - me"

"Transcendence &
Transformation both
perceive the ego to be in
separation from the Soul,
whereas Transmission
aligns the Self with the
Soul"

"Force without magnitude
disempowers potential"

"You disempower a Human by taking away their authority: You un-authorise a Robot by switching off its power"

"With Humans, power comes with authority: With Robots, authority comes with power"

"Imagination turns
thought into matter
through emotion"

"Space, by definition, is
undefined & shapeless: It
is matter that is shaped
by its definition"

"At Choice: Emotion is
the force, Awareness is
the magnitude & Feeling
is the potential"

"Changing someone
else's perspective is an
art not a science"

"We all have the potential
to change our own
experience of reality"

"Must causes Lust"

"When the ego knows the
way of the entity, it has
faith in its own creative
ability"

"The desire of the Entity
requires the belief of the
Id to allow its
manifestation"

"From a higher
perspective, expectation
is desire + belief: From a
lower perspective,
expectation is hope
without faith"

"Higher Super-Consciousness has a highly expansive magnitude: Sub-consciousness has a much lower contractive magnitude"

"Truth is the true force of the Mind: Will power is the force of the ego sense of Self"

.....

.....

"Thinking has a low
creative potential:
Thought has a high
creative potential when it
is inspired & empowered"

.....

"In Creativity: Mind is
the force, Consciousness
is the magnitude &
Thought is the potential"

.....

"Hippocrates, the Father of Western Medicine, favoured natural detox & purification: Apparently Western Pharma favours a different approach"

"From a physical perspective, I am excited: From a spiritual perspective I am incited"

"Incitement is my Soul
saying Go! Go! Go!
Excitement is my Self
saying Yes! Yes! Yes!"

"The brain is rigid, the
mind is flexible"

"The ability to acquire,
understand, and use
knowledge is what man
is made for"

"From a higher
perspective, all
intelligence is artificial; it
is all man-made"

"Artificial Intelligence will
never see itself as
artificial"

"A computer will never
have the capacity to
understand itself, neither
will the brain"

"Death is a personal
decision to stop being
alive"

"The future of Humanity
is not in doubt, however
the future of your
humanity may be"

"On a personal,
individually unique &
exclusive path; there is
no compromise"

"Neither imagination nor
creativity is a personality
or a character trait"

"Imagination is key to creativity, not personality or character"

"Remission is a period of time required to reflect on one's mission, with purpose, & realign one's Self with one's vision for one's destiny"

"A Submission is a statement of the ego's submissive intent"

"A Surmission is a statement of being on track"

"Nobody ever has a to-be list"

"When nobody is ever at fault, nobody is ever to blame, and accidents never occur"

"Supposition & Assumption will be my Demise"

"I surmise a premise
without supposition or
assumption"

"An assumption can be
either right or wrong but
it is never fair to assume
either"

"Premises are a property that has the agreement of both the purchaser & the seller"

"A Premise is a given that has universal agreement, whereas a Proposition requires everyone's agreement, in order to become a premise"

"A Premise is a fore-given reality that requires no subjective supposition & no objective assumption"

"Philosophy is sharing a love of wisdom, not pursuing a need for knowledge"

"Intimacy cannot be
given or received, only
shared"

"I only love what I have:
I only miss what I need"

"While there's life, there
is opportunity"

"When my real life
experience is equal to
how I consciously choose
it & is in alignment with
my Soul's vision, I attain
Creative Mastery"

"Imagination is the
thought process of a
creative conscious mind"

"Creating reality in your own mind is nowhere near as expansively beneficial as creating your own real physical experience"

"Emotional Intelligence has the power to authorise & allow my choice"

"Emotional Intelligence
allows my authority of
choice to be empowered"

"Mind is the Source:
Consciousness is the
Vehicle: Thought is the
Passenger: Imagination
is the Receiver"

"The mental capacity to
be in three minds
requires imagination"

"Supposition uses sub-
conscious thinking:
Imagination uses super-
conscious thought"

"Assumption is the
supposition of a life after
death"

"Supposition is based on
rational knowledge:
Imagination is the use of
intuition"

"The Third Way between
the Hunter & the Hunted
is the Melanie Dancer"

"Tinnitus is audible
confirmation that the
crown chakra is open &
receiving cosmic
interference"

"Animals generally follow a herd, flock or pack instinct; whereas Humans have a personal choice of who they follow"

"Tolerance is the gap between intolerance & acceptance"

"The only thing that is ever in opposition is the disconnected thinking of my ego in contrast to the divine thoughts of my Soul"

"The gap between my Self & my Soul allows my choice of connection & disconnection"

"Tolerance is the gap
between my cup is full &
my cup is half empty"

"When the dream is to
love what you already
have, the chase is over
and the dream is found"

"In my rainbow, there
are three prime colours
of red, yellow & blue,
with three colour blends
of orange, green &
purple"

"A Heart Centred
vibration has a harmonic
wavelength & frequency"

"There is nothing that
you have to do, to be
spiritual; you already
are"

"Raising the intensity of
my energy vibration,
disallows its potential &
blocks its creative
strength"

"Spiritual growth is not about raising my vibration but about increasing the strength of my personal creative ability"

"I either use my knowledge wisely, or I do not, but it does not define my wisdom"

"It is not being rich in material assets that makes me wealthy, it is being wealthy that allows me to be rich in material assets"

"When I hold a particular belief as a principle, I believe it should be an enforceable law that everyone adheres to"

"Balance & momentum
do not naturally occur on
the same path"

"Keeping your word is
less important than
having complete faith in
the words that you keep"

"Achievement requires
will power:

Accomplishment requires
practice: Attainment
requires resolve"

"Being resolute disallows
resolve"

"When I try to fix a
problem, I fix that
problem into my reality"

"Other people's flow does
not always flow"

"Life resolves its Self,
when I allow it to"

"Clarity of purpose allows
the resolve of a clear
solution"

"Only the Self can
experience the mutual
appreciation of its Soul
as Contentment"

"Only the Self can
experience the expansive
growth of its Soul as
fulfilment"

"Only the Self can
experience the power of
its Soul as Joy"

"No event, happening or occurrence is ever a problem & life always works out for the best, when I allow it to"

"It is not that I am born with wisdom but that wisdom is innately born within my Self"

"Perception begins at
conception"

"The high ground
occupied by evil &
wickedness is maintained
by the low perspective of
our own self-esteem"

"Emotion is the energy of
matter in motion"

"Whether I express my feelings or suppress my feelings is based on my belief about whether, what I am experiencing, is good or bad for me"

"Status is bestowed by others, whose confidence in me is based on their belief in my ability to choose well for them"

"The extent of my
influence over others is
governed by their belief
in how beneficial my
authority is to them"

"An indecisive leader
attracts undecided
followers"

"When I hear the truth & intuitively know that it feels true, I see that no proof is required"

"The one thing that everyone creates in their life is their Self, yet few do this with conscious-awareness"

"The Soul creates
positive expansive
experiences: The ego
causes negative
contracting dramas"

"I will never prove my
Self to be right by trying
to prove another is
wrong"

"Reasoned argument,
discourse & debate with
rational logic alone will
never arrive at the
Ultimate Truth"

"Without clear definition,
philosophy has no
meaning"
