

# Wise Words

## Book 12

---

Keith Collins

“I truly define a word with its meaning”

“The reason for life is to give the purpose meaning”

“The meaning of life is to be on purpose”

“The purpose of life is to give life meaning”

“The potential for my emotional experience to be in alignment with my mental choice is ever present, so is my potential to be happy”

“Happiness is the emotional feeling of my physical experience being in alignment with my mental choice”

“A Standard Of Performance can be simply one word: A Standard Operating Procedure can be a complicated process taking many pages to explain the operation”

“Change is a transformational choice that is made by the Self, for the benefit of the Self”

“The essence of all human beings is a choice but essentially most human beings avoid having to make a choice”

“My essential nature is a quality attainment that is attributable to my Self”

“My essence is the quality attributable attainments that allow the evolution of my personal development & growth”

“I do not have to learn essential attributes as they are natural, but I do have to attain them”

“The essence of all beingness is benign, yet the nature of human beings is often malignant”

“The essence of being human is not the same as the nature of human beings”

“The only difference between a defensive weapon & an offensive weapon is perspective”

“When your time is up, you become late”

“If you need to save time, you don't have enough”

“Time & Space allow me to respond effectively to Reality”

“The reality of a good or bad perspective allows a contrast in choice, but just because a negative choice is evident or apparent doesn't mean that I have to choose it”

“Self-esteem is a measure of how I intuitively feel worthy & confidently know with certainty & assurance”

“I don’t always have confidence in the authority of the choices of my ego self. Not all of my ego’s choices are confident & truly authorised. Only confident choices are truly authorised & empowered”

“An irrational path is never beneficial because it is not supported with positive emotional power”

“The rational path is always uncertain, whereas the path of positive emotion is beneficially ensured. That means: If the idea feels good, the outcome is always good”

“You cannot balance positive & negative polarities, you can only neutralise their intensity by bringing the male & female gender into alignment”

**“Yin & Yang is not rational, it requires emotional intelligence to bring them into balance”**

**“You cannot follow one path in two directions but when you take the wise path, the rational path is never far behind”**

**“Light-workers are System-busters”**

“Soul-searching will never discover what is going wrong, it only ever offers an insight into why everything is going just right”

“You cannot waste an infinite resource”

“Self Acceptance comes with the realisation of all the gifts & opportunities that are personally on offer in a unique, individual & exclusive journey called life”

“I empower another when I allow them to see the truth of their own authority”

“A Point is one dimensional without a point because when it points in one direction, it becomes two dimensional”

“At the atomic level of photons, there is no time or distance, just the speed of light”

“Quantum Entanglement exists in a one dimensional reality, which is without space or time”

“Intuition is absolutely certain:  
Reasoning is relatively uncertain”

“Intellectual ability is rational, not emotional”

“Very few are aware of the supra-conscious nature of their essence”

“Even fewer are aware that their consciousness is conscious, sub-conscious & super-conscious”

“Few are aware that their consciousness is both conscious & unconscious”

“I can be emotionally sensitive & rationally intellectual but not emotionally intellectual or sensitively rational”

“Meaning is emotional, purpose is intuitive & reason is intellectual”

“With meaning, purpose & reasoning, the divine Truth is revealed”

“Right or wrong perspective is caused by beliefs that inhibit meaning, purpose & reasoning”

“Good or bad luck is the effect of right or wrong perspective”

“Energy just flows. It is our thoughts that either allow or restrict its flow and our perspective that sees it as either good or bad”

“Life happens through me in Divine Time: Life happens as me Now”

“Life happens to me at other people’s convenience: Life happens by me at my convenience”

“When I attach myself to someone else’s drama, I feel their negatively charged emotion as my fear”

“Fear is a negative mental blockage of positive emotional power”

“To attract positive things into my life, I require the positive power of positive thoughts that inspire positive feelings that are attractive”

“Life happens through me on purpose : Life happens as me cause it does”

“Life happens to me for a reason: Life happens by me with meaning”

“Without a clear purpose for life, I need a reason for what is happening in my life”

“I can always find a reason to be unhappy but I do not need a reason to be Happy”

“It is the nature of light to illuminate darkness”

“Intuition is authorised with an open mind and empowered with an open heart”

“When I separate God from the Soul within, I create a false idol”

“Physical Reality is the Realm of the Self: The Realm of the Soul is Absolute Reality”

“Mostly, people believe that the Soul does not exist in the reality of the physical world”

“Nobody ever believes that their Soul is outside of their Self”

“When I ask without judgement, there is no polarity, so there is no objection and there is no restriction or limitation that is stopping it being given”

“I cannot protect other people from their truth”

“With wisdom, I discern my own path: With judgment, I convict others with my own beliefs”

“It is never wise to sit in judgment”

“It is Fear that convicts a closed mind of its negative truth”

“Divine authority is a potential that is empowered with Divine Love”

**“An Open Mind requires an Open Heart”**

**“Employment is the skill of using other people to generate money for you to buy whatever you need, from other people”**

**“Divine Light is a force of potential authority & Divine Love is a magnitude of potential power”**

**“With Divine Love, I access my creative potential of Divine Light”**

“Will power is a force, divine power is a magnitude”

“The ability of choice requires both emotional power & mental authority, which allows a choice of power & a choice of authority”

“Mean people mean well and well-meaning people are often mean”

“Subversion is feeding people with a lower version of reality”

“The course of justice when aligned with the Golden Rule, compliant with the Law of Attraction, cannot be subverted”

“God-fearing people are limited by their fears and are easy to control”

“A limited belief system is controlled by fear”

“Scepticism, Cynicism, Sarcasm & Criticism are all caused by the impure thinking of a limited belief system”

“Pure Feelings accompany Pure Thoughts: Fear is the effect of impure thinking caused by limiting beliefs”

“Pure feeling is always true: Impure feeling is called fear, which is False Evidence Apparently Real”

“When I sense that intuition is a sense, it is; otherwise, It is a non sense and I believe it to be non-sense”

“Gender & polarity are the effect of choice & discernment”

“Pure feeling is not divided by either gender or polarity”

“Only pure feeling is intuitive”

“Presence is the awareness of what I am consciously allowing to be created as my experience of reality”

“The emotional state of being aware of what I am consciously creating is called Presence”

“Conscious creativity is through me being aware of what I am consciously creating”

“Deliberate manifestation is by me doing: Conscious creativity is through me being”

“Infants today spend up to three years successfully using an iPad before they go to school and learn to read a book or use a pen & paper”

“A solution is a mixture of two or more elements that are transparently clouding an issue”

“Believing that someone is a victim convicts someone else of being a villain”

“Whenever I make a judgment, I either cause a drama or I get involved in someone else’s drama”

“The way to find Heaven on Earth is to see that Earth is a Heavenly place to Be”

“The Universal Paradox is that there is only one version of the universe with multiple versions of reality through multiple dimensions of reality”

“Life is really a matter of experiencing how I feel about what I am thinking”

“Unless I feel someone else’s passion, I cannot share my own desire”

“The highest esteem is compassionate empathy”

“Empathy shares confidence:  
Compassion shares true value”

“Apathy is without confidence & sympathy has no true worth”

“Apathy is not authorised & sympathy is not empowered”

“Compassion is my emotional alignment with my purpose: Empathy is my mental alignment with my vision: Compassionate Empathy aligns me with my Physical Path in Life”

“Foresight is an intuitive look into the future, hindsight is an intuitive glance into the past”

“Physical vision is called sight, intuitive vision is called insight, foresight or hindsight”

“A Vision is an intuitive insight that allows me to see my purpose for life”

“Humanity is authorised & enabled, but not always empowered, in everyone”

“For Paradise to exist it has to be created as a perspective of the imagination”

“Paradise has to exist before it can be either found or lost”

“Existence is an experience to be enjoyed, unless you believe it to be otherwise”

“We control our feelings with our thinking: We allow our emotional power to flow with our inspired thoughts”

“Stephen Hawking’s Legacy: Being a Great Human Being is not about physical prowess”

“I cannot be sensitively detached with anyone whom I need to meet my emotional needs”

“I am irrationally attached to whomever I believe that I need emotionally”

“A physical power struggle can only exist between two emotionally needy & mentally attached people”

“I conserve my energy to maintain physical validity: I preserve my fitness to maintain energetic vitality”

“I conserve material validity: I preserve energetic vitality”

“Life is preserved: Matter is conserved”

“Being right is not an issue, making others wrong is an issue”

“Observation is conscious sight, visualisation is a sub-conscious foresight or hindsight & imagination is a super-conscious insight”

“Emotion indicates the purity or impurity, the potential or the intensity, of one’s thinking”

“It is those who own the assets that are rich but it is those who own the debts that are powerful”

“When I try to prevent illness, my focus is on the illness: When I cure my wellness, my focus is on preserving my natural state of well-Being”

“It is wellness that is cured, not illness”

“Curing illness is an oxymoron. It health that I want to preserve, not illness”

“Curing is a process of preserving. Once the fruit is bad, it cannot be cured”

“Illness is seen as a problem that needs to be solved, rather than good health that needs to be preserved”

“I am only ever wrong relative to someone else’s perspective that is founded on their opinion of what is true”

“Rational people call emotion a strong feeling because they only rate it when it is intense”

“Life is a perfect opportunity to perfect the opportunity of life”

“I allow life to be perfect when I perceive it to be so”

“The world is a perfect experience of reality when I allow it to be so”

“When I try to make the world perfect, it is because I perceive & experience it to be imperfect”

“Expressing the absolute truth of who I am brings me into alignment with my True Self”

“It is not about being in alignment with the truth but being in alignment with one’s True Self”

**“A Genius Imagines, A Visualiser Visualises”**

**“The sub-conscious Mind is the Source of every visualisation: The super-conscious Mind is the Source of all Imagination”**

**“Creating new images in the conscious mind is called visualisation: Receiving new thoughts in the conscious mind is called imagination”**

“There is nothing more frustrating than the confusion of a Philosopher who is lost in the irrational reasoning of their own limited knowledge”

“I use knowledge wisely when I am connected to my super-conscious source of omniscient presence”

“Being Wise is being connected to one’s own omniscient potential”

“If Wisdom is how you use knowledge wisely, what does it mean to be wise?”

“Science once called spatial energy the ether or aether & now refers to it as the vortex of a subtle, fluid, unknown vacuum, which is mass-less, continuous, non viscous, & incompressible without material qualities that is responsible for all the properties of matter”

“We only ever search for what we believe to have lost”

“Wisdom is a Natural Mental Attribute, which is pure & undivided by polarity and is therefore an absolute & certain knowledge that cannot be either relatively true or relatively untrue”

“Which comes first: Knowledge or Experience?”

“Wisdom is not something I think is reasonable or I believe to be true in my opinion, because although I think that my beliefs are reasonable and almost certainly true, I intuitively know that only wisdom is absolutely certain to be beneficial for me”

“Knowledge that proceeds from experience is learned through experience, which is a learning process: Knowledge that precedes experience is intuitive”

“Being irrational lacks intelligent reasoning but is also without emotional competence”

“Rational thinking has no distinction between knowledge & intelligence”

“The mental capacity of a thought with the emotional competence of intelligence allows the physical capability of knowledge”

“There is no fountain of youth”

“Physical knowledge requires mental thought & emotional intelligence”

“Every frequency of thought has a wavelength of intelligence that reveals a particular vibration of knowledge”

“Thought is the force, Intelligence is the magnitude & Knowledge is the potential”

“It is only a rational thinking mind that can reason something to be unreasonable”

“A Knowledge of Intuition is information that can only be learned intuitively”

“Learning is the attainment of knowledge”

“Knowledge is a mental attainment that is rateable, reasonable & emotable”

“Knowledge of Intuition is only reasonable once I Know the reason for intuition, which I can only know intuitively”

“As space changes through time, reality evolves”

“Reality evolves through time as our consensus belief in what is true alters through space”

“Wisdom is knowledge from an Omniscient Source”

“As the consensus view of what is believed to be true alters in space, reality evolves through time”

“For a truth to be a definite reality, it must appear to correspond & cohere with how the consensus view defines reality to be true”

“Whether the Earth is round, flat or spherical is irrelevant, what is relevant & real is what the consensus view of reality truly believes it to be”

“When I believe something to be true I am using the reasoning of my learned knowledge & experience to justify my belief in its truth”

“When I just know something to be true, I am using my intuitive senses to justify my faith in its truth”

“Intuition is knowledge based on absolute faith in & certainty of its truth”

“Knowledge is an expression of a justified true belief. When I have no knowledge of something, I cannot justify it as true”

“It is never the Soul’s intention to create negativity & drama for its Self”

“I attain freedom by expressing it as a quality personal attribute”

“A Realist sees life happening to them as real, an Eventualist believes that success by them will come eventually, a Visionary sees every opportunity that flows through their life is in alignment with their vision and a Creator knows that life is created as they see it”

“Unless the Government of the Common People is in debt, the rich elite have nothing to invest their money in”

“With determinism, life happen to me; with will power, life happens by me; with effortless flow, life happens through me; with absolute power, life happens as me”

“Long term goals do not effectively meet a need to achieve”

“When caring for someone with dementia, it is not possible to have a long term goal”

“Freedom is a state of being that is an expression of my perspective that life flows freely through me”

“Philosophers have a habit of making a negative perspective of reality their positive opinion”

“I am not indifferent through choice but through my ignorance of what my real choice is”

“Difference is a freedom of choice,  
indifference is an abdication of  
choice”

"As we look forward in space, we  
look backward in time"

“When you plant new evidence,  
ensure that it is a seed of Truth”

“To determine is to be the cause  
of, yet determinism is the belief  
that we are not the cause of any-  
thing”

“Freedom is a choice, indifference is neither a freedom nor a choice”

“Let it Be means allow your natural state of Being to effortlessly flow”

“A positron is positive Light energy, a photon is negative light energy”

“Our positive perspective sees negative energy, which is called matter: Our negative perspective sees positive energy, which is called anti-matter”

“A positron is positive energy,  
which is negative or anti matter:  
An electron is negative energy,  
which is positive matter”

“When we treat others as we have  
been treated, problems escalate.  
When we treat others as we  
choose to be treated, opportunities  
appreciate”

“It requires emotional power to be  
mentally present: A mental aware-  
ness of emotional presence”

“Without Conscious Physical Presence, Space-Time-Reality does not exist. Physical Space & Present Time are essential for Conscious Reality to exist”

“The belief that a figment of the imagination is a fiction makes it a fancy, a fable, a fabrication, an illusion and a fantasy”

“Imagination is the potential for creative art, Man is the Artist”

**“The belief in imagination allows a figment to be a creation, an invention, an improvisation, a dream, a reverie or a vision”**

**“God is synonymous with imagination. Without imagination God does not exist. God exists in whichever form we imagine God to exist”**

**“God creates the hardware, Man creates the software”**

“God is the potential for space-time-reality, Man is the Creator”

“Body language is a visual indication of what I intuitively sense as someone's emotional state of being”

“I cannot sense someone else's emotional state of being with my physical senses, only my intuitive senses”

“I am never too sensitive to someone else’s expression of joy”

“Being negatively affected by someone else’s emotional state of being is being over sensitive, hyper-sensitive or too sensitive”

“Having knowledge of by intuitively sensing someone else’s feelings is called sensitivity”

“Having knowledge of my own feelings is emotional intelligence”

“Intuitive knowing requires neither physical knowledge nor rational intelligence”

“Well-being & happiness are not a miracle, they are natural attributes of life that are attainable”

“Well-being & happiness flow through you, when you are being allowing”

“Illness & accidents happen to people who believe that life happens to them”

“Science asks how, not why: It believes that nature is why and looks only at how nature works”

“Negative beliefs cause negative emotion & a negative perspective, which negative people call being realistic”

“Our greed, pride, wrath, lust & arrogance is subject to the subservience, humility, meekness, humbleness & neediness of others”

“Self-esteem is the measure of my alignment with the high regard that my Soul has for its Self”

“My Self-worth is a measure of how much I value the emotional state of being that I am currently expressing”

“My confidence to confide in my Soul connects my Self to my self-confidence”

“We are seeking self-confidence outside of ourself because we have lost the ability to confide in our Inner Self”

“It is intimacy that is the joy in sexual activity with another”

“Sex without intimacy is either a pain or a pleasure”

“Confidence in a financial investor is misplaced trust ”

“Misery is the experience of not being Happy”

“Happiness is not something that you attain when you stop being miserable”

“Infinite energy with a finite vibration forms definite matter”

“We formulate the essence of life in our imagination as a formula before it forms into physical form”

“Plato's Forms are formed in the mind as the ideal essence of life in physical form, as formulated first with imagination”

“Wisdom is both intuitive knowledge & the intuitive knowledge of how to use it wisely”

“The paradox of wisdom is how do you know how to use it wisely?”

“My Soul never goes into battle, it is never in conflict with itself”

“Physical reality is relative to personal knowledge gained through personal experience, therefore personal knowledge determines personal reality, relative to personal experience”

“All knowledge learned through physical experience is relative to time & space”

“Love is the power that connects us to what is divine in our life”

“Here allows presence: There allows direction: Hear allows clarity”

“Youth is a perspective that flows out of the fountain of wisdom that bubbles up from within”

“Meditation is the way that connects me with my path”

“Consciousness has a source but no origin”

“My alignment with my Soul ensures my inner peace, therefore my inner peace connects my Self in true alignment with my Soul”

“The absolute reality of the Soul is never uncertain, from the perspective of the Soul”

“What if, Evolution is not something that happens to us as a species but something that we allow to happen through us as an Individual Human Being”

“What if life is not meant to be a naturally evolving experience but we are meant to naturally evolve, through the experience of life?”

“The subject of creative power is Love and the subject of creative authority is Wisdom: That is my Philosophy on the Evolution of Life”

“It is creative subjectivity that allows an expansive culture to naturally evolve”

“With a methodical objectivity, it is no wonder that modern society spends more energy (time & money) on developing robots than it does on developing people”

“Originally, religion meant union with the Divine; it is today understood to mean union with others who share the same beliefs”

“Philosophically today, epistemology is about mental thinking; metaphysics is about being physical; and ethics is about behaviour”

“Modern Philosophy has no knowledge of either Love or Wisdom, so it looks at an objective method in which to understand or philosophise about what reality is”

“In Ancient Philosophy, Epistemology was about divine knowledge or wisdom, Metaphysics was about love or divine states of being and Ethics was about the Truth of one’s divine path in life”

“Philosophers became Sorcerers  
who became Alchemists before be-  
coming Scientists”

“Economics is a system of finance  
based on a capitalist philosophy  
that ensures the majority of the  
people live economically to allow  
an elite minority to live extremely  
extravagantly”

“It is a common belief that if it didn't happen by me then it must have happened to me, by accident”

“Ancient Sorcerers were Source Seers, Ancient Wizards were Wise Men & Ancient Alchemists knew the Source of Ancient Wisdom”

“Ancient Philosophers saw base metal as a metaphor for personal beliefs that could be turned into gold, being a metaphor for wisdom”

“When we don't know how something was originally created, we believe that it happened by accident”

“Evolutionists admit that they don't know how the universe was created because they don't believe it had a Creator”

“Modern Philosophy may believe in a Love of Wisdom but it has no clear definition of either”

“Modern Science & Philosophy is confined by the belief that only knowledge gained through physical experience is intelligent enough for intellectual reasoning”

“It is the opinion of modern philosophers that knowledge is intuitive, even when it is counter-intuitive because a sense of intuitive knowing is not encouraged as it is unproven”

“Modern Philosophy has become a need to understand knowledge without the wisdom to understand love”

“Freedom is present when I approve, allow & accept it”

“From the perspective of an awakened Self, knowledge of the spiritual Self can only be attained through the experience of the physical Self”

“From the perspective of an un-awakened Self, there is only knowledge of the physical world and that knowledge can only be obtained through the experience of the physical world”

“Sleep neither happens to you, nor happens by you, it happens through you, either when you allow it to or when you are too tired to disallow it”

“What a person believes to be right is not always considered to be good and what another believes to be good is not always considered to be right”

“Consciousness is a concentrated flow of mental thoughts: Awareness is a concentrated flow of emotional feelings: Focus is a concentrated flow of conscious-awareness”

“Every moment is a present when I have the presence to accept it”

“The Soul has no distinction between the present moment & the present of the moment”

“Being approving & allowing is how I accept the present”

“A Choice of freedom is the right choice for me: I choose for my freedom to freely flow through me”  
“Freedom of choice is not a right, it is a need”

“It is my freedom that allows my choice, it is my choice that disallows my freedom”

“I can be captivated with my Soul’s high esteem or I can be a captive of my ego’s low confidence & worth”

“Focus is the ability to consciously maintain a concentrated frequency of thought in my mind”

“When Consciousness & Awareness are aligned, I am focused at Source”

“Focus concentrates the mental frequency of my mind on my emotional awareness of my physical consciousness”

“We live in a society that believes that our old people need to be cared for & looked after but not by ourselves”

“I cannot visualise my vision, I can only see it intuitively”

“Ethics are essential to the credibility of my Character: Morals are essential to the sincerity of my Personality”

“Visualisation uses memory, not imagination”

“Imagination is inspired, therefore it is creatively empowered, whereas visualisation is a projection of will power”

“Know your Vision, see the Light”

“Even from the depths of the darkest pit, a ray of light illuminates my vision for my life”

“A Vision is the point of light at the end of a very dark tunnel”

“A Vision is a personal point of focus when all appears to be lost, confused & frustrating”

“Rational people shut down their feeling centre because it doesn't make sense”

“Science sees consciousness as something experienced by the brain in a physical body: Spirituality knows consciousness to be the experience of an imaginatively thoughtful mind”

“A thought is ethical when it is a pure frequency transmitted on a pure wavelength of emotion”

“When aligned with my path, a choice of direction is unnecessary”

“In this reality, we become a victim of whatever we believe to be detrimental, malignant, bad, wrong or evil”

“Thought is a frequency of the mind, thinking is a frequency of the brain”

“When I follow my path one step at a time, I take everything in my stride”

“My physical brain allows me to concentrate a super-conscious

thought into a moment of conscious thinking”

“Intuitive seeing requires imagination”

“A current of conscious thinking is currently focused in the present moment of now”

“Mental Concentration is the focus of a thought intention into a current of conscious thinking”

“Without faith in my spiritual path,  
I will need hope that it will appear,  
otherwise I will need charity be-  
cause all appears lost”

“Religious followers believe that  
they need faith to follow their reli-  
gion, when in fact they need faith  
because they have no faith in their  
own spiritual path through life”

“When another slaps you on the  
cheek, are they attacking you or  
assisting you to wake up?”

“Turn the other cheek is a metaphor for look at your life as occurring from a different perspective”

“When positivity is a realised potential, it is powerful experience; but when positivity is an intense reality, it is a drama”

“Real justice requires the clarity of thought that has the wisdom of pure love”

“A principle is a personal standard that a family adopts in the belief that it is and always has been beneficial for them”

“A personal standard of behaviour is just that”

“An ethic is a personal standard that other people deem to be beneficial because it appears to have good reason”

“A clear thought is just that: It just is virtual justice”

“A moral is a personal standard that other people deem to be beneficial because it raises their morale”

“A value is anything that I want or need because I believe that it is beneficial to me & worth having”

“A virtue is a beneficial emotional state of being. It is a personal attribute that I have attained that other people consider to have value to them”

“A clear thought is the wisdom of the Soul revealed with the pure emotion of love”

“It is my philosophy that Love is the purity of my emotion, which is relative to the wisdom of the clarity of my thought”

“Whenever demand outstrips supply, there will always be general panic, which increases demand and puts more pressure on supply”

“When I follow my own path, other people will often have no idea where I am coming from”

“It appears that modern philosophy makes no distinction between morals, ethics, values & virtues”

“Nothing is ever blocked because it is detrimental to my path. It is only ever blocked by the resistance of my own chaotic entropy & inertia”

“The principle moral ethic is to follow other people’s direction, my prime personal standard is to follow my own path”

“The paradox of a personal boundary is that I extend it by reducing it”

“Principles, ethics & morals are what we adopt before affirming our own personal standards & boundaries”

“The standard of a personal boundary is that it is movable”

“The standard of a personal standard is that I own it”

“When someone blocks your path on purpose, the reason always has a deeper meaning”

“When you plant new evidence, ensure that it is a seed of Truth”

“My path is always true, it is my perspective that can often deceive me”

“When I am going in the wrong direction, it is because I am looking at reality from the opposite perspective”

“I stop looking for my path once I know that it is there, because when I know where it is, there is no need to look for it”

“We do not stop looking for our path when we find it, we find our path when we stop looking for it”

“When the evidence supports a negative outcome, plant new evidence”

“Those who believe that life is happening to them, require those who believe that life happens by them to fix all their problems for them”

**“Although the mystery of True Love may be beyond human reasoning, it is not beyond human feeling”**

**“It is not possible to live in peace with all other people until I have first learned to live in peace with my Self”**

**“Asserting one’s boundaries is not the same as enforcing one’s standards onto others”**

“Those who cannot see the beauty of the natural world do not value it”

“The value of the Natural World is it's Beauty”

“A Spiritual Being experiencing a spiritual reality is Anchored to Earth”

“Helping other people is an art, not a science”

**“Whether I am anchored, grounded or earthed determines my experience of life in physical form”**

**“A Physical Being experiencing a physical reality is Earthed to the planet”**

**“A Spiritual Being experiencing a physical reality is Grounded to Earth”**

“A Man who believes that there is no spiritual reason for life cannot be on a conscious spiritual path of meaning & purpose”

“A Man who believes that enlightenment is only attainable at the end of their life, is not an enlightened Man”

“When Consciousness is the cause of life, life evolves consciously through choice”

“When Science believes that consciousness evolves as an effect of life, their conscious-awareness of life will evolve very slowly”

“Intellectual scientific thinking believes that entropy is the reason or cause of the creation of life; when in reality, entropy is the effect of the chaotic thinking that is creating their scientific theories about life”

"When the Id aligns with the Soul, the Ego is of one mind"

“Winning is just a perspective, so when I allow another to perceive that they are winning, we both win”

"When the intellectual Id overrules the intuitive Soul, the intelligent Ego has a dilemma"

“Right effort aligns with effortless flow, Right mindfulness aligns with inspired thoughts & right meditation is my alignment with my Soul’s connection with its Self”

“Right view aligns with my Life Vision, right intention aligns with my Life Mission, right speech is positively aligned with my Truth, right action aligns with the Golden Rule, right livelihood aligns with my Life Purpose”

“All people are Self-serving but few understand what truly serves the Self”

“Mental capacity authorises resourceful choices”

“Emotional Power is a resource  
that I resource from Source”

“At the level of Buddha Enlightenment & Christ Consciousness, we  
are all of One Mind”

“Every Buddha has their own  
uniquely individual chosen path in  
this lifetime, which they discover at  
the point of their enlightenment,  
because it is the point of their en-  
lightenment”

“Being resourceful leads to abundance”

“When I do not need to win, I cannot lose”

“A Teacher imparts knowledge, a Learning Coach develops intellect”

“With the art of learning, I educate my Self”

“Education is the science of teaching that is without the art of learning”

“The truth about the economy is that economists are being economical with the truth”

“War is a force & peace is a magnitude, which is why you cannot force peace”

“The solution to work place harassment is to stop being a victim of it”

“IQ requires intellect & imagination, not intelligence”

“What I abstract from my imagination is a theoretical concept for the purpose of considering its meaning with rational reasoning”

“Abstract is an extract of a thoughtful imagination”

“IQ is a measure of abstract reasoning, which is intellectual imagination”

“Intelligence is what intellectual people need”

“Physical definition, emotional meaning & mental reasoning all give life a spiritual purpose”

“Great Teachers do not teach but facilitate learning through the development of the Intellect”

“Intelligence comes with teaching: Intellect comes with learning”

“Intellect cannot be taught but it can be learned”

“In an education system that measures only physical intelligence, where definition & meaning is supplied solely by the Teacher, there is no reason to develop a Student’s intellect”

“The ability to agree with & follow someone else's beliefs requires intelligence, but the capacity to form one's own beliefs requires intellect”

“A great Character Actor has presence but no personality”

“A Movie Star is a great personality who plays their own character”

“A Thespian is a great personality who can play any character”

“An Intellectual is a great character with no personality”

“I cannot lose in the Game of Life, I always lose eventually in a game of life & death”

“The strategy for the game of Life is win-win”

“The objective of the game of life is to experience Joy”
