“A Life Coach helps you transition from a co-dependent to an inter-developmental relationship with your partner”

“Intuition is the gateway to the fourth spiritual density of light”

“Physical consciousness & spiritual awareness use different senses”

“I am conscious of what I physically sense”

“I am aware of what I intuitively sense”

“1st density is aware but not conscious”

“2nd density is conscious but not aware of its consciousness”

“3rd density is aware of its consciousness”

“4th density is consciously aware”

“5th density is conscious-awareness”

“I never argue with another’s choice but I may ask them whether it has a positive or a negative intention”

“I totally accept another’s choice once they choose their positive intention with clarity”

“We always have a choice but we don’t always have a clear positive intention”

“Any negative intention I have towards another requires them to buy into my drama”

“Any negative intention that someone has towards me requires my buying into their drama”

“Every negative intention causes an intense drama because an intense drama is the effect of a negative intention”

“1st density awareness is unconscious”

“2nd density awareness is sub-conscious”

“3rd density awareness is conscious”

“4th density awareness is super-conscious”

“Imagination is a reality that I am made up with”

“A Density of reality is experienced relative to the frequency of our brain waves”

“Being physically conscious of different density frequencies requires spiritual awareness”

“Alpha waves are super-conscious”

“Beta waves are sub-conscious”

“Gamma waves are supra-conscious”

“Delta waves are unconscious”

“Theta waves are conscious”

“In previous centuries, the
Establishment established the Status
Quo”

“So far this century, the Establishment is struggling to keep up with social change, let alone establish it”

“A level of density is a level of conscious enlightenment”

“The unconscious and the sub-conscious are generally unenlightened, whereas the super-conscious 4th density and the supra-conscious 5th density have attained high levels of enlightenment”

“A 4th & 5th density of Consciousness can exist within a 3 dimensional space-time-reality”

“Paradoxically, higher densities are less dense”

“As physical density decreases, spiritual density increases”

“The higher my spiritual density, the lighter I become”

“An etheric plane is a level of awareness”

“A level of awareness is a measure of emotional intelligence”

“The higher the plane of etheric attainment, the greater the creative potential of my emotional power”

“When moving perspective from to me to by me, complacency is counter productive”

“When moving perspective from by me to through me, complacency is an essential attainment”

“A Negative Path through life, focuses on the past and projects it into the future”

“A Positive Path through life focuses on the opportunity of each & every present moment”

“Money happens to me, as charity”

“Money happens by me, with hope”

“A Guru is one who has the ability to change other people’s beliefs”

“A Guru is one who has mastered the male energy of a master, a teacher, a trainer, a healer, a leader, a counsellor and a director”

“When life happens to me, I concede with my sub-conscious self”

“When life happens by me, I proceed with my conscious ego self”

“When life happens through me, I super-cede my ego with my super-conscious Self”

“When life happens as me, I succeed as my supra-conscious Soul”

“Singularity is not ideal as there is no choice, there is no ideal choice”

“Duality is not ideal because there is always a negative contrasting choice”

“Triality is ideal because it offers a third choice, which is always acceptable”

“Triality is a trial reality. I test it to see whether it works for me”

“Reality works for me when I allow it to”

“When I choose an ideal reality, I experience my reality to be ideal”

“Physicality is a definite reality because physicality defines reality”

“Physicality is definitely defined as real”

“Physicality is definite but not definitive”

“In absolute reality, there is no absolute reality”

“Absolute reality is a figment of my imagination”

“Reality is solely & absolutely relative, to time & space”

“It is the density of light that determines the level of consciousness”

“In Absolute Reality, the mental authority of choice allows the emotional power of abundant wealth to manifest as a physical experience, irrespective of assets or status”

“In physical reality, an abundance of money allows the personal power of influence relative to status”

“Money buys status & influence for those who need the power of authority over others”

“A Spiritual Being, with no ego sense of Self, has no place on Earth and no reason to be here”

“Being Spiritual can only be truly experienced as a physically grounded Sovereign Entity”

“Until I am physically earthed, anchored & grounded, being spiritual is just an imaginary concept”

“If I overcome my ego sense of self, who makes my life choices?”

“When disconnected from my Soul,
who is making my life choices?”

“Without an ego, who is allowing my
Soul’s life path to manifest?”

“The conscious sense of physical Self
that is at choice, is called the ego”

“The sub-conscious sense of instinctive
self that runs my mental programmes
and meets my emotional needs, is called
the id”

“The super-conscious Entity that is my Real Self, the source of my intuitive imagination, is called my Soul”

“Potential is a balance of both force & magnitude”

“Intensity is an imbalance of gender or polarity”

“A balanced gender with a neutral polarity allows an harmonious potential”

“CEOs are the Captains of Industry,
but who are the Admirals & Air
Marshalls”

“Chairmen are the Generals of
Industry, but who are the Field
Marshall’s”

“It is not possible for intellectual
reasoning to discover the source of
Consciousness”

“Intuitive Awareness is the gateway to
the Source of Consciousness”

“A Rational Person believes Intuition to be an educated guess”

“An educated guess is derived from intellectual reasoning”

“An Intellectual reasons that intuition is an educated guess”

“Spirit is the Reality”

“Soul is the Realiser”

“Self is the Realisation”

“Spirit is the ‘clay’ from which body, mind & emotion are sculpted or genuinely created”

“Soul is the Sculptor & Creative Genius”

“Thinking is shallow, especially at the sub-conscious level”

“In this relatively disconnected world, being well connected is being inclusively attached to rich & influential people”

“In absolute reality, I am exclusively connected to the power & authority of my source of wealth & wisdom”

“What I see is what I experience, what I see is really my perspective”

“My perspective is different to your perspective, therefore my reality is different from your reality”

“We each experience our own reality in alignment with our individual perspective of life”

“A passage through time creates a gap in space”

“Every gap in space is a moment of now in time”

“When I allow the gap to now open, a new reality flows effortlessly through it”

“I choose to be senior with age not senile or old”

“I am neither new nor old, I am an eternal being”

“It is my perspective that is old or new,
not my age”

“Modern Philosophy sees intuition as
theoretical deduction”

“When I deduct intuition, there is only
theoretical reasoning”

“Theoretical reasoning has intellect
without intelligence”

“Mind, Thought & Consciousness are
the three aspects of Mental Reality”

“Mental Reality is one of the three aspects of Spiritual Reality”

Emotional & Physical Reality are the other two aspects of Spirituality”

“Consciousness is the experiential reality of a mind expressing thought”

“The Soul is just a concept until it attains a definite meaning”

“A definite meaning is experienced at the balance point of every duality”

“There is no duality of the Soul”

“Only that which is definite is experienced to exist”

“Something becomes definite once it is defined”

“The purpose of existence is to define the meaning of everything”

“Physical exploration & discovery is one dimensional - forward”

“The experience of spiritual exploration & discovery is multi-dimensional”

“Singularity is not Divine”

“Learning happens by me”

“Discovery, Exploration & Experience
happen through me”

“Children play with their imagination”

“Adults think they are playing for real”

“Pride is a perspective of the mind”

“Humility is a perception of the heart”

“Integrity is an experience of the Soul”

“Divine Ability is both authorised & empowered”

“Unconditional Love offers no resistance”

“Universal Wisdom is the one version of Truth”

“There is nothing ever wrong with forgiveness”

“Humility grounds unconditional love”

“Understanding earths universal wisdom”

“Valour anchors divine ability”

“Humility is the expression of unconditional love”

“Understanding is Allowing higher wisdom to flow”

“Valour is the ability of divine intervention”

“Appreciation is the growth of Awareness”

“Compassion is the sense of a shared destiny”

“Forgiveness is the acceptance of providence”

“Being Allowing is being without resistance”

“At the source of every energy field
perturbation is the entropy of inertia”

“If Space is an empty void, how can a
black hole in space be an empty void?”

“If Space is a Field of Potential, is a
black hole the absence of any
potential?”

“At the centre of every light source is a
black hole”

“Emotional Intelligence is not the capacity to talk about your own mental health issues”

“Space is the medium in which the Self is separate from the Soul”

“Time is the length of that separation”

“Reality is the experience of that separation”

“A Glutton for Punishment is the victim of their own gluttony”

“The magnitude of our emotional power called well-Being is irrational to science”

“The force of authority called Thought is unknown to modern science”

“Intuition is only present in the moment, so prophecy or prediction are ideas of a rational intellect”

“Insight is intuitive, foresight is a future idea & hindsight is a past idea”

“In this reality, we become a victim of whatever we believe to be detrimental, malignant, bad, wrong or evil”

"I can experience life as a punishment sent from God or I can see the opportunity on offer in life for the growth of my Soul"

“What most people think is a good idea has more potential to become reality than what most people think is a bad idea”

“Prophecy is a bad idea when it predicts a bad outcome”

“Prophecy is a good idea when it predicts a good outcome”

“Prophecy & prediction are both an idea”

“Prudence is the belief that being careful is wise”

“My conscious thinking is intellectual”

“My awareness of thoughts is intuitive”

“I am intuitively aware of my thoughts”

“I am intellectually conscious of my thinking”

“Thinking by me is intellectual reasoning”

“Thought as me is an inspired revelation”

“When thinking occurs to me, life happens to me”

“When inspired thoughts flow through me, so does life”

“Good & evil is an opposing polarity of thinking, not an external force”

“Victorians renounced pain & pleasure for propriety, as Joy was not an option”

“Now here & Nowhere are a paradox, not a duality”

“In relative space-time, I am here-now”

“In absolute reality, beyond space & time, I am nowhere”

“Here-Now is a moment of space-time-reality”

“Nowhere is where nothing has yet been created and is where the potential for everything to be created exists”

“Spiritual Presence is being present physically, mentally & emotionally”

“When the physical gap of space aligns with the emotional flow of time in this moment of time, I am spiritually present”

“When I intuitively know the third way out of a duality, there is no need to be either fearful or careful”

“Divisive sharing is called Charity”

“Contractive Sharing is called Hope”

“Expansive Sharing is called Faith”

“The Irish Problem is that the Sovereignty of England, Scotland & Wales is British but as N. Ireland is not British, it is arguably of Irish Sovereignty”

“Capitalist Governments are not interested in Free Trade Agreements, you are only free to trade or deal as long as you pay an agreed duty, levy or tax called a tariff”

“A free trade tariff is an oxymoron”

“The Paradox of Brexit means that we can leave the European Union without a deal yet remain a founding member of the Council of Europe, which means we remain Europeans whilst reinstating our Independent Sovereignty”

“Sharing can be divisive, contractive or expansive”

“An expansive Soul never binds its Self to a contract”

“The Old Testament is Ancient Knowledge that is contractive. I use that knowledge contractually”

“The New Testament is Future Knowledge that is expansive. I use that knowledge for personal expansive growth”

“Nothing makes any sense until it is grounded, defined & experienced as reality”

“Care free & Fear free follow an effortless path”

“Careful & fearful are travel companions”

“Reality is a construct of the perspective of a belief system”

“Tolerance is the gap that separates the ego self from its allowance”

“What the ego approves is pain free”

“What the ego allows is fear free”

“What the ego accepts is problem free”

“What the ego resists is painful, fearful & problematic”

“Death is inevitable when the ego resists it”

“Death is an illusion when the ego allows it”

“Apparently, if you recover from a terminal illness, you haven’t had the illness just the symptoms”

“Potential is the dimension of Ability”

“The hyperbole of pure thought forms a torus of potential creativity energy, which manifests as the experience of physical reality”

“Every torus of vibrating reality has its own frequency of time & wavelength of space”

“The magnitude of a dimension is its power”

“The power of a dimension is its magnitude”

“The dimension of a magnitude is its power”

“The plane of inertia is a two dimensional concept of the Singularity of Oneness”

“When the plane of inertia vibrates, it creates gender or wavelength & polarity or direction”

“A vertical Wavelength creates space”

“A horizontal Frequency creates time”

“The gender opposite of flow is inertia”

“Flow has no polarity, therefore
counter-flow or anti-flow is an
oxymoron”

“Time has a polarity of past & future”

“There is no counter-time or anti-time”

“The gender opposite of matter is
energy”

“Matter has no polarity, therefore anti-matter is an oxymoron”

“The gender opposite of space is time”

“Space has no polarity, therefore counter space is an oxymoron”

“Polarity is a perspective that has no fixed reality”

“Pressure Mediation is the balancing of different intensities”

“Intensities differ due to polarity & gender”

“Polarity & gender determines attraction & repulsion, cohesion or in-cohesion”

“There will always be a freedom issue as long as we look to a government for security”

“Personal freedom requires control over personal security”

“I can have security or I can have freedom, not both”

“Freedom is neither secured nor tethered”

“The only way a Government can provide total national security is through total control of their people”

“Global security requires a global government to control all of the people”

“Global security is gained at the expense of personal freedom”

“The density of energy is its relative potential to flow”

“The density of matter is its relative resistance to flow”

“Ability is inversely proportionate to Density”

“Acceleration is increasing distance over time”

“Increasing space over time is a force”

“Speed is distance over time”

“Distance is speed over time”

“Time is speed through space”

“Specifically, Gravity is relative to the density of weight & volume”

“Weight & volume are the force & magnitude of a specific potential”

“Gravity is the specific potential of acceleration due to pressure mediation”

“Theory is a Thought Concept of the Intuitive Imagination”

“Practice develops the knowledge of a rational thinking mind”

“In Theory, Everything is Energy = E”

“In Practice, everything has materialised as Matter (M)”

“I am a slave to my attachments until I master my connection”

“Three dimensional consciousness is awake, alert & aware”

“Two dimensional consciousness is conscious & unconscious, awake or asleep”

“Consciousness is not just being awake to our physical intellect, but being alert to our sub-conscious instinct and aware of our super-conscious intuition”

“I am only ever a slave of other people’s authority”

“I am only ever a slave to needing another’s power”

“Mastery is the Happy Art of Living Life Well”

“I attain Mastery when I master my attainments”

“Heat is a matter of resistance to Toroidal Spin”

“String Theory is an attempt by science to overcome the paradox of wave-particle duality”

“When the Soul has Mastery over its Self, the Self seeks Mastery with its Soul”

“I can choose for my Soul to be my Master, my ego to be my master or enslave myself to another master”

“Inflation is the rate at which personal money reserves are devalued”

“Waves travel along a one dimensional plane within the two dimensional field of a three dimensional torus of a four dimensional hyperbole”

“A Wave is a characteristic of the frequency & wavelength of an energy vibration”

“Energy doesn’t vibrate, it is a particular vibration”

“Everything has its own particular vibration, which can be perceived as either a wave or a particle”

“Energy materialises as a particular material reality”

“Realising particles is a matter of particular perspective”

“From a physical perspective, particles exist. From a spiritual perception, every thing is a vibration of energy”

“Energy is defined by the length of its plane, the area of its field or the volume of its magnitude”

“An individual particle of energy is called matter”

“Quantum Mechanics assumes that atomic quanta are particles that act like waves”

“Matter is mechanical in nature, energy is not”

“A mechanical wave of energy is an oxymoron”

“The opposite of self consciousness is self awareness”

“The opposite of confidence is shyness or being bashful”

“Self-Consciousness is being shy, Self-Awareness is being confident”

“Self-Conscious is dis-connected Confidence. I am conscious of my disconnected Self”

“Self-Awareness reconnects the Self to conscious confidence. I become aware of my confidence”

“The Three Quantum Properties of Energy are Rest, Flow & Resistance”

“Inertia is Rest, Entropy is Resistance & Acceleration is Flow”

“The Neutron is Inertia, the Proton is Acceleration & the Electron is Entropy”

“Divine Authority is my Soul's Choice”

“Authority is a Choice”

“My Soul's Choice allows a divine experience”

“I am a slave to my attachments until I master my connection”

“My master connection is with my Soul”

“Three dimensional consciousness is awake, alert & aware”

“Two dimensional consciousness is conscious & unconscious, awake or asleep”

“Consciousness is not just being awake to our physical intellect, but being alert to our sub-conscious instinct and aware of our super-conscious intuition”

“I am only ever a slave of other people’s authority”

“I am only ever a slave to needing another’s power”

“Mastery is the Happy Art of Living Life Well”

“I attain Mastery when I master my attainments”

“Happiness & Well-Being are Master Attainments”

“When I master the Soul, I enslave the Self”

“When I master the Self, I enslave the Soul”

“Heat is a matter of resistance to Toroidal Spin”

“String Theory is an attempt by science to overcome the paradox of wave-particle duality”

“When the Soul has Mastery over its Self, the Self seeks Mastery with its Soul”

“I can choose for my Soul to be my Master, my ego to be my master or enslave myself to another master”
