

A photograph of a narrow dirt path winding through a lush forest. Sunlight filters through the dense canopy of green trees and foliage, creating a dappled light effect on the path. The path is flanked by vibrant green plants, including ferns and clusters of small blue flowers. The overall atmosphere is peaceful and natural.

Wise Words Book 15

Keith Collins

“Fulfilment is the highest mental potential”

“Euphoria is the highest mental intensity”

“Ecstasy is the highest physical intensity”

“Joy is the highest emotional potential”

“Bliss is the highest emotional intensity”

“Contentment is the highest physical potential”

“Creative potential is required to be grounded, to be realised & experienced”

“Sensational Intensity has no creative potential”

“Privilege is a problem to both the privileged and the under-privileged”

“Opportunity is always a privilege to take”

“We are all privileged when we take our opportunities”

“Inflation equals devaluation”

“Deflation causes a re-evaluation”

“The current world situation has allowed the financial restrictions placed on banks, due to the 2008 financial crash, to be removed”

“The cut in the current counter-cyclical capital buffer will allow banks instant access to £23 billion of credit and the ability to create £190 billion of debt”

“The problem with face masks is that they make facial recognition surveillance, inoperable”

“Opportunity is not the privilege of the privileged”

“The Golden Rule is a spiritual guideline that is neither taught nor practiced, within either religion or politics

“Neither religion nor politics is run on spiritual guidelines”

“Pure Thought is intuitive knowing”

“Pure Emotion is intuitive feeling”

“Pure Experience is intuitive seeing”

“Any Social System with a fixed doctrine & dogma is a religion”

“The Scribes & the Pharisees knew that the coming of Christ would destroy their Jewish religion”

“The Pope & the Cardinals know that a 2nd coming of Christ will destroy their Catholic religion”

“Anyone preaching a new Spiritual Gospel will be seen as the anti christ or the devil”

“Beliefs mutate, so genes mutate, so viruses mutate”

“Beliefs are active or dormant, genes are active or dormant, viruses are active or dormant”

“If I believe that a virus is an active genetic programme, that causes fear & panic, that is my experience and my reality”

“Beliefs are active or dormant, genes are active or dormant, viruses are active or dormant”

“Beliefs are a programme, genes are a programme, viruses are a programme”

“Beliefs mutate, so genes mutate, so viruses mutate”

“The breath of life is deep, not shallow”

“Face masks allow shallow breathers to breathe less deeply”

“The frequency & magnitude of a wave determines its ability to forcefully attract attention”

“A wave is an energetic element of attracting particular attention”

“The potential for energy to radiate is relative to its force & magnitude”

“Like energy of similar force & magnitude, radiates attractively”

“Light radiates due to the vibrational attraction of like energy”

“Those who are experiencing the effects of a negative reality, will demonise those who they believe to be causing it”

“Those who claim to be the biggest victims of life, always turn out to be the biggest villains in life”

“The more concentrated the force, the faster its frequency, the more unstable the element”

“When life happens to me, I
experience the effect”

“When life happens by me, I cause
the experience”

“When Life happens through me, I
experience my choice”

“When life happens as me, I choose
my experience”

“The more expansive the
magnitude, the longer its
wavelength, the more stable the
element”

“Choice Creates Reality; until reality only creates opportunities, then opportunities are the only reality and the only choice”

“Gamma Radiation is the concentrated, contractive or contrastive force of an energy vibration within an elementary particle, or a particular element. It's signature frequency.

“There is no credit in a debt based economy”

“When banks trade with cash, they can go bankrupt. When banks trade with only credit, called consumer debt, they cannot go bankrupt because, in a debt based system, they never run out of money”

“Financial Markets are a betting game of chance that is a lottery. This means that 25% of everything that is invested or gambled, goes directly to the Bookmaker”

“Beta Radiation is the expansive magnitude of the energy vibration within an elementary particle, or a particular element. It’s signature wavelength”

“Alpha Radiation is the vibrational attraction of two 2 elementary particles of hydrogen”

“I don’t have to prove what is right for you, I am not a scientist”

“I don’t have to prove what is right for me, when I know intuitively that it is”

“We now know that killing good bacteria preserves illness, at the expense of good health”

“The mentality that cures meat & fish by killing bacteria, is the same mentality that cures disease by killing bacteria”

“When a Doctor says: I can cure your disease, you can be sure he will preserve it”

“When a Grocer says: I can cure your bacon, you can be sure he will preserve it”

“A financial system that allows banks to manufacture their own credit, needs debtors to make it function”

“A financial system that sees debt as credit, issues credit cards as debtor’s cards”

“Inflation allows a financial system to make the rich richer and the poor poorer”

“Without wisdom, a doctrine is a dogma”

“When I am educating with wisdom, learning is intuitive”

“When I am educating with knowledge, I am teaching a doctrine”

“When I am treating symptoms, I am not treating the cause”

“When I am curing illness, I am preserving unwellness”

“When I am treating illness, I am mistreating wellness”

“I now believe that little boys are a wonder to behold, when they allow their imagination to flow freely and are unrestricted by parental dogma”

“I used to be the embarrassed victim of the belief that: Little boys should be seen and not heard”

“I now believe that running around with nothing on my feet, I am earthed as it is physically grounding”

“I used to be a regular victim of the debilitating belief that if I run around with nothing on my feet, I will catch my death of cold”

“Immunity from poisonous medication is simply a matter of not needing them”

“A healthy autonomous detox system is immune from external medical intervention”

“A healthy auto-immune system doesn’t need a boost”

“Infection is the inner effect of a suppressed auto-immune system”

“We all need immunity from the insanity of corrupt science”

“Healthy people have a natural immunity to illness”

“Healthy people do not need a world vaccination programme as part of their operating system”

“It is a great irony that the inventor of the first global operating system for computers, is now promoting the biggest global corruption in the operating system of Human Health & Wellbeing ”

“Life is a journey through the reality of a creative imagination, not a rational intellectual exercise”

“Life is a journey through space, not a secure confinement in a comfort zone”

“Life is a journey through time, not a race against time”

“Old beliefs are toxic, inflammatory & viral”

“Release an old belief, deliver a new belief, cleanse the programme”

“The Law of Attraction is my personal force field, which operates in alignment with the Golden Rule”

“The force of my personal boundary is relative to the magnitude of my personal standard”

“When I express my own standards of behaviour consciously, I am aware that my boundaries are in force”

“Both artificial & intelligence are man made”

“Artificial Intelligence is a simile, not an oxymoron”

“When I disallow my body naturally detoxing, I will become ill”

“When I think that I am unwell, it is my belief that is making me ill”

“Coughing, sneezing, a runny nose, a temperature, sickness and diarrhoea are all ways that a healthy body naturally detoxifies”

“When my perspective is sick, so is my body and vice versa”

“Health management requires a positive mental perspective”

“Symptoms of a disease, when properly managed, do not need to cause dis-ease or illness”

“When I am being physically sick, it doesn't mean I am ill”

“My immunity doesn’t mean I won’t have the symptoms associated with a virus, it means I won’t suffer any ill effects of a virus”

“Those who think they know what is best for others are called arrogant, self-righteous bigots”

“Most people have no idea what is best for their self, let alone other people”

“Whenever we try to do what is best for other people, we fail miserably”

“Health & immunity are unique to each individual person”

“Herd immunity is not a natural human attainment”

“A Herd Mentality occurs when we defer our individual choice and follow an external shepherd”

“There is no credit in a system that puts everyone into debt, except the creator of the system”

“The Government goes into debt with its Central Bank with the promise that its people will repay the debt through taxation. This puts the people in debt”

“The Bank Note promises to pay the bearer on demand. This puts the bank in debt to the people”

“When status is believed to be our source of personal authority, we are sub-consciously driven to climb the hierarchy of society, over the backs of other less superior people”

“When money is believed to be our source of power, we are sub-consciously driven to protect our source of emotional power, in very irrational & unreasonable ways”

“A correctly functioning immune system is a toxic waste disposal programme functioning effectively”

“Immunisation is natural, vaccination is unnatural”

“When corrupt data goes viral, it causes a meltdown in the operating system”

“When others are disaffected by your authority, you may consider reflecting on your own apparent bigotry & arrogance”

“Reality is the real experience of a real belief system that is exclusively unique to each Individual”

“The biggest challenge that Mainstream Science faces today is the eradication of virulent strains of Bigotry, Hubris, Avarice & Greed”

“Utopia means ‘no place’. It is not a place but a perceived state of Being that is ideal”

“Whatever is intuitively certain is also safe”

“The most powerful choices are the ones that feel really good”

“Needing to follow spiritual guidance without intuition, is the cause of all religious doctrine”

“Presented with a challenging problem, I always fail”

“Presented with a challenging opportunity, I always succeed”

“97% of people use intellectual reasoning to solve problems”

“3% of people use intuition to allow opportunities to be realised”

“Clear & Present Safety requires seeing a clear direction”

“Grounded with Humility”

“Centred with Empathy”

“Balanced with Compassion”

“When a conviction is virulent, it can cause widespread panic”

“It is the stress that a viral strain causes that suppresses the immune system”

“The belief that a particular virus will kill a lot of people, is the major cause of a pandemic”

“The belief that a virus can kill me, is a major cause of death during a pandemic”

“Negative DNA is spread as a negative influencer via fear & negative beliefs”

“Negative beliefs cause a negative influence that can become viral”

“Influenza is a viral negative influencer”

“Health & immunity are individual to each human person”

“Herd immunity doesn’t naturally apply to Humans”

“A debate is a conflict between opposing personal perspectives”

“An argument always involves a conflict in intelligence, intellect & reasoning”

“With intuition, there is no argument”

“Inner guidance is thought induced”

“A virus is a corrupt programme in a person’s belief system. It’s a DNA corruption that causes corrupt cells to self destruct”

“Science knows that a virus is not a living organism”

“Medical practitioners believe a virus to be alive”

“Disaffected means feeling the negative effects of other people’s authority”

“Isolation is an effect of fear, caused by a disaffected belief system”

“When my personal standard does not align with my personal boundary, it causes a misalignment of my perspective because what I find acceptable behaviour from other people is not a reflection of my own behaviour”

“The quality of induction is called effortless”

“The rate of induction is called flow”

“Inductive thought is intuitive, instinctive, initiative, inventive & innovative”

“Induction is inner guidance”

“Things appear to happen to me in the opposite way to which I believe that they should, when I am proceeding through life in the wrong direction”

“If autophagy is the cells internal waste management system, what is a dead cells undertaker called?”

“Approving is looking at an application to see whether it beneficially applies, and is endorsed with your approval”

“Abductive retroduction causes a reduction of inductive initiative and intuitive choice”

“If the way that you think is dangerous to your health, change your experience with a healthier perspective”

“Retroduction is the abductive reasoning of an external influence, which infers a hypothetical presumption”

“If you believe that microwave ovens are dangerous, don't use one.

If you believe electricity pylons are dangerous, don't live under one.

If you believe that magnifying glasses are dangerous, don't use one.

If you believe loud music is dangerous, turn the volume down.
You choose”

“If you believe that mobile phones are dangerous, don't buy one.

If you don't want your movements tracked, leave your phone at home. If you believe that 5th Generation phones are dangerous, don't buy one.

If you believe that you have a choice, you do”

“Some world leaders believe they have the executive power to execute those who threaten their executive power”

“World Leaders believe that they have Executive Power”

“The awareness of multiple realities, allows many different religions to exist simultaneously as true”

“The belief in only one god, causes a faith in only one religion”

“The belief that there is only One Reality, causes a faith in only One Creator; called God”

“Past, present & future are the three dimensions of Time”

“The Aether is a three dimensional Reality of Space”

“A String is a two dimensional astral thought form projected from the Aether”

“A Wave is two dimensional spacial motion of the Aether”

“A Field is a two dimensional spacial projection of the Aether”

“As a society, the United States of America are the most divergent, discordant & emotionally disconnected human Beings on Earth”

“We call a society, a state; without defining the ideal state of being that is that society’s choice”

“Medical interventions are for people who believe that doctors can cure them of illness”

“Only leaders are allowed to make emotionally intelligent choices. All followers must justify their choices with intellectual reasoning”

“Choices that feel good are emotionally intelligent”

“Intellectually intelligent choices do not always feel good”

“Being attached to what other people preach, causes negative dramas”

“We are all free to speak or remain silent”

“We are all free to listen or remain detached”

“The world already has a Global Plutocratic unelected Government, who are unknown to everyone but themselves”

“Whether a Plutocracy is driven by Religious Leaders, Monarchs or Global Elite Bankers; it is still a plutocracy”

“The one thing that Russia, China & America have in common is that they are all governed by the same Plutocracy”

“An unambiguous certainty only exists in an absolute realm beyond duality, and certainly not in any computer algorithm”

“Everything in physical duality is by definition ambiguous and therefore uncertain”

“The possibility of interpreting an expression in two or more distinct ways exists for everything expressed in a relative duality world”

“Intellectual reasoning is only as true as the intelligence with which it is processing”

“An algorithm is an automated programme for determining intellectual reasoning with apparent certainty”

“The belief that an algorithm is unambiguous determines a false certainty that its outcome is true”

“The fear is that unless you are controlled, I cannot feel secure”

“I subjectively need to feel secure and you objectively need to be controlled”

“The need to feel secure and the need to be controlled are the same need seen from opposite perspectives”

“I am only ever convicted of my own convictions”

“We have a conviction when we make a law and a conviction when we break a law”

“A conviction in what is right, is a statute which becomes law”

“When we confuse intellect with consciousness, we deny our emotional intelligence”

“When we confuse intelligence with consciousness, we give life to inanimate objects”

“When we confuse intelligence with intellect, we deny our intuition”

“My freedom of perspective allows your freedom of choice. Does yours?”

“What I say is what I say but how you interpret it, is relative to your choice of perspective”

“Viruses proliferate, evolve, mutate and vary from country to country, so science assumes that they are alive”

“Domestic waste proliferates, evolves, mutates and varies from country to country, but it is not alive”

“All Government Officials believe that they are the people”

“All government officials believe that they are acting in people's best interests”

“It is no good fighting a government bureaucracy that believes it is acting in people's best interests”

“Science has no clear distinction between our immune system and our cellular waste disposal system”

“Science tells us that all the cells in are body are replaced over time but it doesn't tell us how our dead cells are disposed of?”

“The belief that a virus causes a disease is a defect in mental programming”

“When there is no risk to health,
immunity from sickness is
unnecessary”

“Fighting a virus depletes the
immune system and defeats its
objective”

“Boosting my immune system is a
better response”

“Fighting a virus is a senseless
reaction”

“Fighting a virus is like fighting a
belief, it will convict you”

“Every theory has the authority of
its author”

“All Officials conspire together to get their perspective of reality endorsed as a Theory with Authority”

“For every authorised official perspective of reality, there will be a contrasting, unauthorised, unofficial version; called a conspiracy theory”

“As everyone has their own version of what is true, we are all experts on what is true for us”

“Everyone is a World Authority on their own perspective of world reality”

“Other people will happily change your life, to make their life better”

“Relying in other people to change your life for the better, is not a good strategy”

“We love someone who shares our positive experiences”

“We worry about someone who we need”

“The Deep State of World Government is actually very shallow”

“Emotional Attachment disallows a pain free passing”

“Pneumonia is the body's inability to breathe healthily, which can be fatal”

“I tolerate someone else's standards but I unconditionally accept their boundaries”

“Behaving in alignment with my own standards requires my faith in my own belief system”

“When I accept someone else's belief as my truth, I own it, I have faith in it and I am no longer tolerating it”

“No Pain ~ No Problem”

“No Fear ~ No Pain”

“Thoughts & emotions that I resist, cannot flow through me and cause negative experiences”

“Being is attractive, doing isn’t”

“There are no rational reasons for depression, they are all emotional”

“Intuition is the only treatment for uncertainty”

“Christian Disciples are programmed to follow the doctrine & dogma of their particular church”

“Personal immunity is relative to personal health”

“There are varying degrees of personal immunity”

“There are no varying degrees of viral strength & weakness”

“In a curfew, it is not safe for the public to walk the streets”

“A Curfew is the only way that a failed Police Force can ensure the the streets are safe for the Police to police”

“The only way that a failed Police Force can keep public places safe is by keeping the public away”

“The strategy of a failed Police Force is to keep everyone off the streets and away from public spaces to ensure that they remain safe”

“A failed Police Force causes unrest on the streets by enforcing civil order to control public insecurity”

“When a neighbourhood is unsafe for the Police to police, they have failed in their role”

“The role of the Police is to police the neighbourhood to ensure it is safe for the public”

“What is making chronically sick patients, critical?”

“What is making acutely ill patients, chronically sick?”

“What is really compromising the immune system of chronically ill people?”

“Few finish the course under par and over average”

“Most finish the course over par and under average”

“Average emotional energy is par
for the course”

“Below-average people suffer with
depression”

“Average People have below
average emotional energy”

“The Medical Profession believes it
has the right to keep you alive at
any cost”

“Most people believe that this is
not an option”

“We all have the right to choose the
time and place of our own death”

“Heart disease is the bodies inability to keep its blood flowing healthily”

“Cells are not fatal but an over-generation of too many cells, called cancer, can be”

“Viruses are not fatal but an overactive immune system, driven by the fear of death, can be”

“Sub-conscious programmes & beliefs convert the pure potential of emotion into an intensely dramatic experience”

“The id sub-consciously generates the gender, polarity & intensity of emotion”

“The Soul is the source of the magnitude & potential of pure emotion”

“My Soul is not a better aspect of my Self but the best expression of my Self”

“The body receives and transmits emotion but it is not the Source of Emotion”

“The origin of emotion is not the body”

“I talk to my Self when I pray”

“I listen to my Self when I meditate”

“I empower my Self when I worship”

“Straight ahead requires straight A thinking”

“Berate is not A rated”

“It is not possible to let go of fear unless it's negative, sponsoring belief is first challenged & changed”

“Love is the way, when we are fear free”

“We are all equal, when we are pain free”

“Rational Intelligence is how the Soul rates it's Self”

“The Soul's emotion can only be grounded through a rational Self”

“Bringing the Soul to Earth ascends the Self to Heaven”

“Emotional Intelligence connects the Self with the Soul”

“Rational intelligence disconnects spirituality”

“Being insensitively & unemotionally disconnected is not emotionally intelligent”

“The way to spiritually evolve is through emotion”

“Sharing another’s opportunity is expansive”

“Sharing another’s problem is divisive”

“Creativity requires innate wisdom”

“Genius is innate creativity”

“Wisdom is innate genius”

“Psychology without Love or Wisdom is Science without intuitive knowing or Sciences”

“True Psychology is the awareness of the Truth of our Soul and the nature of our Super-Conscious Self”

“Psychology has become the study of human behaviour based on human belief systems”

“Consciousness initiates Mind”

“Reality initiates Consciousness”

“Thought initiates Reality”

“Mind initiates Thought” 22/3

“The Hyperbole that is a neutron forms the hyperbola of a proton/positron charge/force that forms the electron orbit/magnitude of a torus”

“An electron field is the negative magnitude of a torus that manifests as matter”

“Matter is a negative magnitude of energy, without flow”

“Thoughts flow through me, when I allow them”

“Emotions flow through me, when I allow them”

“Experiences flow through me, when I allow them”

“When I set apart my isolation, I recognise & reconnect with my remote controller and my exemption isolates me from any duty, obligation or victimhood”

“Exemption is a special privilege of immunity, available to everyone who is connected in their isolation”

“Self Isolation allows the privileges of inner inter-dependence”

“Wars are religious conflicts, not spiritual conflicts”

“Spirit is never in conflict, religion is always in conflict with other religions”

“The Ego is the victim, the villain and the hero of my life story. It is not wise to kill him before my book is complete”

“The ego always dies at the end of every life story”

“The ego is the leading actor in the play, not the playwright”

“A spiritual vision requires spiritual insight”

“Spiritual vision is intuitive insight”

“Intuitive insight allows me to see my spiritual vision”

“Spirit always works effortlessly”

“When spiritual work requires will power, it is not effortless”

“When life is not effortless, it is not spiritual”

“Sub-atomic particles are an oxymoron”

“Sub-atomic energy waves are theoretically called strings”

“Religious authority and spiritual guidance are not the same thing”

“Does your religious guidance have your own spiritual authority?”

“Spiritual guidance is authorised, religious directives are not”

“Natural Disasters are an oxymoron”

“Disasters are a personal perspective caused by a negative belief about nature”

“It is the nature of man to cause disasters”

“I am the experienter of the creative thought of my imagination”

“I experience an imaginary thought of my own creation”

“I imagine creation as a thought experience”

“Thought, Creativity & Imagination are inseparable”

“Thought is a creative image of the imagination”

“Creativity starts with an imaginary thought”

“Will power has no authority”

“No authority needs negative power”

“Negative power is not divine”

“Supra-consciousness is the projection of many super-conscious entities sharing a conscious project”

“A Project is the projection of a thought by a conscious mind, being mindful of that conscious thought being projected”

“We police an insecure society, trying to make it safe”

“You cannot protect a victim from their own victim hood”

“I am only ever a victim of what I believe to be victimising me”

“I am a victim trying to survive what is happening to me in life”

“Life is always beneficial when I allow it to flow positively through me”

“Life is Ideal when I create it as me”

“We police a secure society, not a free society”

“Freedom & security are polar opposites”

“Health is a good physical fit”

“Wisdom is a good mental fit”

“Wealth is a good emotional fit”

“Wellbeing is a good fit”

“Happiness is a good fit, called laughing”

“Coughing is not a good fit”

“Sneezing is not a good fit”

“Pique is not a good fit”

“Science sees intuition as common sense but which common sense is not absolutely apparent”

“Science sees intuition as intellectual reasoning with an unknown source of knowledge”

“Science sees anything without a rational explanation as counter-intuitive”

“I lead an ideal life when I follow my idyll”

“I lead an idle life when I follow my idol”

“I can worship a true ideal or I can worship a false idol”

“An idol is for the spiritually idle”

“Nobody is ever truly idle”

“I cannot create chaos, I cause it with my chaotic thinking”

“I cannot create a problem, I cause it with my negative perspective”

“Disasters are not created, they are caused by human thinking”

“Tolerance means grin & bear it”

“Patience means you’ll have to wait”

“Using your intuitive gift to communicate with dead people is called mediumship”

“Using your gift of intuition for clarity & direction is called life coaching”

“Gifting your intuition to an alien Being is called channeling”

“Consciousness defines reality as a creation”

“Thought creates reality”

“Mind is the creator of reality”

“Ah! Ha! is an inspired revelation”

“Ha! Ha! is a comic release”

“Ah! Ah! is a painful experience”

“Power is a magnitude, not a force”

“A human being using psychic gifts is not powerful”

“A spiritual being using their intuitively psychic senses is very powerful”

“Being physical allows the use of physical senses and being spiritual allows the use of spiritual senses”

“Recognition is precognition without a p”

“When I am now there, there is nowt here”

“Without a group of Individuals, there is no collective”

“Example = Ample Expression”

“Stillness is a magnitude”

“Flow is a force”

“Potential flows with stillness”

“When life happens by me, I can see it as a problem, a lesson or a gift”

“I have a choice of perspective, I am either challenged to solve a problem or challenged to accept an opportunity”

“Beneficial experiences only ever happen through when I allow them to because I offer no resistance”

“Problems, chaos & disasters always happen to me because I cause them to”

“I am here to express all the colours of my rainbow”

“I am the prism through which my pure white light is expressed”

“Collective Consciousness creates a physical reality”

“The Collective Unconsciousness is called God”

“When the followers are led to believe that their purpose is to serve others, the leaders benefit by default”

“The Soul is always Self-serving, yet the Self is led to believe that this is wrong”

“Those who need others to serve their needs, teach us that serving others is a virtue”

“Before I knew my purpose in life, I was unaware that life has a purpose”

“An Analyst says why”

“An anal-ist says I”

“The inability to grow in the spiritual realm, gives meaning & purpose to the physical world”

“You cannot set a clear distinction, based on the superiority of your race, creed & culture, without discriminating for yourself and against others”

“Discrimination is experienced by those who discriminate”

“Anger contrasts with patience”

“Intolerance contrasts with clemency”

“Frustration contrasts with the ability to flow”

“Intolerance is anger with a conscious cause”

“Anger is intolerance with a sub-conscious cause”

“Frustration is the physical cause of anger & intolerance”

“Traditional Wisdom is an oxymoron”

“Unfoldment can only occur when I allow it to”

“The collateral on which all governments borrow money is the promise that their people will pay the interest on the loan”

“Overcoming a sense of separation from our true nature requires us to intuitively know our true nature”

“I can only certainly know what is true, intuitively”

“Knowing my true nature aligns me with my true nature, which is my true path”

“The purpose of the Universe can only be known intuitively”

“Scientists believe that any purpose for the universe is counter-intuitive”

“Whether life appears to happen to me, by me, through me or as me; it is my exclusive, personal experience of being a separate & unique Individual Human Being”

“True Empathy is both sensitive & detached”

“True Compassion is both emotional & connected”

“Being emotionally sensitive & connectedly detached allows compassionate empathy”

“The Policy of the European Central Bank is to put European Governments in debt to the tune of €20 billion every month”

“Where does the ECB get its credit to put European Governments into debt?”

“Government debt equals Bank leverage and Lagarde power”

“Honest means most honed, most perfectly aligned with Truth”

“I think, therefore, I am not”

“I am Pure Thought”

“With the birth of Prince George to the Duke & Duchess of Cambridge, Prince Harry, now the Duke of Sussex, went from being a spare or reserve heir-in-waiting, to becoming spare or surplus to requirements”

“With the birth of Archie Harrison Mountbatten-Windsor, the Duke & Duchess of Sussex have reflected deeply on what they want their son & heir to inherit”

“Neither a victim nor a saint can exist without a sinner”

“I Enforce with an Energetically Negative Force, called will power”

“Will Power is a force without magnitude”

“I enforce without grace, goodness or gentleness”

“All of the safe choices that I make in life are neither inspired nor empowered”

“Safe choices keep me within my comfort zone”

“Inspired opportunities for growth require me to step out of my comfort zone”

“Authorised choices are inspired & empowered”

“Inspired choices are empowered because they feel good”

“When a choice is neither inspired nor empowered, I feel neither good nor bad about choosing”

“I have a limited experience of life when I believe that I only actually exist for one lifetime”

“My actual experience of life is limited by my sub-conscious limiting beliefs”

“The belief that I only exist for one lifetime is a limiting belief because it limits my experience to one lifetime”

“With enough emotional power, life is good”

“With the right mental authority, my path is true”

“With the wrong emotional power & the wrong mental authority, life is restricted & chaotic”

“In the battle between Man and the Earth for Survival, the Planet always wins”

“The Earth fits into the Solar System perfectly”

“Human Beings are either welcome guests or parasites”

“The fittest is the one who best fits in”

“Fitting in is more about comfort & security than survival”

“The Modern Era is about the Prosperity of the Fittest, not their survival”

“Everything has a distinct vibration. The wavelength & frequency of a thing's vibration identifies it as distinct from something else”

“Inertia is the cause of flow, not resistance”

“The Sole Contract is to enable the Soul’s Expansion”

“The Soul is omniscient, omnipotent & omnipresent; but not omni-enabled”

“It is the Self that enables the Soul to experience being expansive”

“The Ego motivates itself”

“The Id is self-motivated”

“The Soul is Self-empowering”

“The Self disempowers itself with unauthorised choices”

“The Soul empowers its Self with authorised choices”

“A choice is authorised when it is inspired & empowered”

“Source, by definition, is the source of all power & authority; but it has no inherent ability”

“Ability is enabled by power & authority”

“The Soul enables its Self with power & authority”

“A Sacred Contract agrees a Divine Path”

“There is no sacred path and no divine contract”

“A Sacred Contract on a Divine Path allows an Expansive Experience”

“God is Divine ~ Divinity is what I perceive to be divine ~ God is a divine perception of reality, from my perspective”

“Imagination is the Mind projecting Thought into Consciousness”

“I am conscious of that which is manifest, I am aware of whatever I imagine”

“I cannot split the truth. My path, as is my perspective, is either true or false”

“Imagination is Light projected through the conscious mind as a thought”

“Imagination is how the conscious mind realises thought”

“Imagination is the projector of reality, so it is apart from reality and not part of the reality being projected”

“Reality is a conscious projection of thought from the Mind of Imagination”
