

A lush garden scene with various trees and flowering shrubs. The background is filled with tall, dense green trees. In the middle ground, there are several flowering shrubs in shades of pink, orange, and white. A winding path is visible through the garden, with a few people walking on it. The overall atmosphere is peaceful and natural.

Wise Words Book 17

Keith Collins

“Quanta are the smallest magnitude of energy with a force of angular momentum”

“Angular momentum is the orbital magnitude”

“Angular velocity is the force of spin”

“The angular momentum (orbital magnitude) of a torus is relative to the angular velocity (spin force) of its hyperbole”

“There is no wise answer to a moral dilemma”

“Blame Culture dictates that I caught my cold from you because you passed your germs to me”

“Bacteria are a culture that we blame for causing our illness”

“Viruses are a culture that we treat as bacteria because they are too small to know any difference”

“The Lord only Giveth”

“It is Man who giveth & taketh away”

“We are all equal in potential but not in perspective”

“Perspective is personal, potential is not”

“A moral crisis is a religious crisis, not a spiritual crisis”

“A moral dilemma is religious not spiritual”

“The only effective organ for organisation is the heart”

“There is no learning or earning in yearning”

“Yearn it - why earn it?”

“Where there is life there is hope. Where there is Faith there is life”

“The vortex is the vibrational flow of potential”

“The Torus is the magnitudinal wavelength of the gap & the forceful frequency of the now”

“Science does not see intuition as an extra sensory perception (ESP)”

“Perceiving intuition as an extra sense is intuitive. I need intuition to perceive it extra sensorily”

“Intuition is an art, not a science”

“The hyperbole of the vortex within a torus has one base and two crowns”

“Life flows from the base of the vortex, its point of inertia, not its crown”

“Intuition is innate: Instinct is inbred”

“Intuition is inherent: Instinct is inherited”

“Effortlessness is the potential of force & magnitude being in mental balance & emotional harmony”

“My legacy is not what I leave behind, it is what I take with me”

“What I leave behind is my children’s inheritance”

“The legacy of a legate is to fulfil their Mission as an emissary of their Soul”

“We are not dealt our genes to deal with them: We choose are genes in alignment with our chosen purpose”

“Coughing, sneezing, runny eyes & nose, diarrhoea, fever & inflammation are all symptoms of a healthy body naturally detoxing itself”

“Counselling sees perfectionism as a problem to manage: Coaching sees perfectionism & imperfectionism as a duality to be overcome”

“There are degrees of excellence and degrees of imperfection but no degree for perfection”

“The Golden Rule is a subjective guideline, not an objective rule”

“The Law of Attraction is a subjective constant, not an objective law”

“I guide life subjectively through me as a golden rule and as an attractive law”

“The golden rule is an attractive law when I allow it to subjectively guide me”

“When you allow work to be your master, you will strive to please it. When you allow your mastery to work for you, it thrives and so do you”

“Kind & generous is giving with kindness, to our own kind”

“Warm & generous is expressing kindliness to whomever we are inspired to”

“It is neither possible nor preferable for Individuals to relate to each other equally the same because we are all equally different”

“An Individualist does not subscribe to any doctrine, including the doctrine of Individualism”

“Individualism is a collective doctrine for Individuals, which is an oxymoron”

“Individualistic is not a common standard”

“A collection of Individuals is a collective not an Individual”

“Every Individual has an exclusively unique life purpose”

“Every collective has a common reasonable objective in life”

“I care about what I need emotionally”

“I truly love what has true value for me”

“I love the positive benefit of my emotionally expressive Beingness”

“P.A.I.N. Perceptive Awareness Is Negative”

“We each already have everything we need to change our world, except perhaps our awareness of it”

“The awareness of having everything I need is intuitive”

“Intuition connects me to my awareness of everything”

“When I overcome my need for order, I realise that everything already is in divine order”

“When I give up my need for control, I realise everything is under divine control”

“The Law of Attraction is the divine controller that ensures that everything is in divine order”

“When everything appears to go wrong, I am out of control & out of order, so life is less than divine”

“My Soul is my greatest fan. It cools me down when I get overheated”

“When I put my True Self first, other people never come second”

“ My true self follows a win-win strategy”

“With the awareness that pain is stuck emotional energy, I realise that releasing the pain is preferable to suppressing the pain”

“The magnitude that balances the forces of unequal pressure is experienced as gravity”

“Physical Health requires both Mental Wisdom & Emotional Wealth”

“Instinct is a sub-conscious mental programme”

“We are programmed to sub-consciously choose survival, comfort, safety & security”

“Expansive spiritual growth exists beyond the boundaries of the safety & security of our comfort zone”

“Compassion is simply sharing the joy of Life”

“Thinking I am off track puts me out of alignment”

“Thinking I am out of alignment puts me off track”

“Consciously choosing my alignment puts me on track”

“Seeing my path puts me on track and in alignment”

“My insight intuitively aligns me with my path”

“My intellect determines whether my fate is my destiny or my doom”

“Energetic Integration allows integrity”

“Emotional Intelligence allows Energetic Integration”

“When everything is fore given & beneficial, no judgment is necessary”

“When everything is always beneficial, judgment has no meaning. I have nothing to balance positively beneficial experiences with”

“Judgment causes duality, forgiveness overcomes duality”

“The Mind is an Individual Perspective of a Universal Concept”

“A Universal Mind is an oxymoron, as is a universal thought and a universal consciousness”

“Thinking is limited by experience: Thought is limited by lack of Awareness”

“Time & Space can either confine & constrain or allow creative freedom to flow”

“It is my perceived lack of time & space that restricts me”

“Connectedness is an attainment”

“Inter-connectedness is a perspective”

“Physical emotional attachments disallow
spiritual connection”

“My Soul is a non-dual state of consciousness”

“Emotions define who I am being”

“Beliefs define what I am thinking”

“Actions define what I am doing”

“Thoughts define what I am having”

“My perspective defines whether I am having a
problem, a challenge, a lesson or an
opportunity”

“My perception defines what sense I am using”

“My experience defines my point of attraction”

“DNA is a 'string' of energy vibrations
manifesting as protein”

“Cause has an Affect”

“Creativity has an Effect”

“Being creative is effective”

“I am affected by whatever I cause”

“Cause happens by me and the affect happens
to me”

“Creativity happens as me and the effect flows
through me”

“When I feel in control, I am”

“The Greatest Dilemma is how to be in control
of letting go of control”

“The Greatest Paradox: Letting go of control allows me to be in control”

“Inner Control requires Inner Tuition”

“Well-being is potentially cute, attractive & appealing”

“Illness is intensely acute, unattractive & upsetting”

“Health, wealth & wisdom are all potentially cute”

“Pain, fear & problems are all intensely acute”

“It requires a lot of wisdom to face my fear”

“It requires a wealth of emotion to overcome pain”

“Being healthy is an opportunity in life to never experience a problem”

“Acute & Obtuse both lack Wisdom”

“Wealth is tangential to Wisdom”

“A Tangent is Cute, being neither acute nor obtuse”

“We need strength to fight and wisdom not to”

“I cannot fight for my emotional power”

“The Age of Survival develops sub-conscious instinct”

“The Age of Comfort & Security develops conscious Intellect”

“The Age of Awareness develops super-conscious Intuition”

“The Success of a Coach is not dependent on their clients”

“JOY is an acronym for Just One You”

“Health happens through me, never to me or by me”

“The only constant is infinity”

“Choice is a problem when I choose to see a choice as a problem”

“Chaos is the effect of an entropic belief system”

“Entropy is the effect of a confused perspective”

“Inertia is the potential of an unreactive mind”

“At the point of spiritual inertia, matter forms gravitas”

“The weight of matter determines its gravitas or importance”

“Inertia is a single point of stillness in the spiritual flow of life, it is a space in time from which a matter of reality originates”

“Being presently at one with the stillness allows the co-creation of personal reality”

“Attraction is the gravitas of personal attention”

“As mind attenuates, spirit emanates & matter formulates”

“Male ego serves its self & a female ego serves others, a unified entity serves others through service to its Higher Self”

“We are not conscious of our emotional power through our five physical senses”

“We are not conscious of our emotional power through our four instinctive senses”

“My instinctive sub-conscious mind is aware of my need for emotional power”

“My awareness of my emotional power is through my intuitive sense of feeling”

“Testing symptoms are symptomatic of a test”

“Problem symptoms are symptomatic of a problem”

“When I pass a test, it remains in the past”

“When I solve a problem, it remains in my future”

“Illness is a problem: Healing is a challenge:
Wellbeing is an opportunity”

“Power is a current that can impulse or flow”

“Impulse & flow are current, they only occur in the present moment”

“A financial bank stops the flow of money and a river bank stops the flow of water”

“Pain is blocked healing energy”

“Fear is blocked wise inspiration”

“The only law with an essential nature is the Law of Attraction”

“The essence of man made laws is that they are preferential but not essential”

“When Clarity is Coherent & Direction is Adherent, Presence is Inherent”

“The Valency of a Personal Standard determines whether it is attractive, unattractive or non-attractive”

“Following the rules is non-attractive, breaking the rules is unattractive & having good personal standards is attractive”

“Equality requires high personal standards”

“Nobody chooses to be the equal of someone with low personal standards”

“When Personal Standards of Behaviour are inherent, coherent & adherent, no rules are required”

“Standard Operating Procedures define the Boundaries of Conformity”

“Standards of Performance are preferable to Law & Order”

“Performing to an agreed standard is preferable to conforming to an imposed rule”

“My personal standard expresses my position. Other people's rules express their position & my imposition”

“The imposition of Laws is an unacceptable behaviour of Government”

“Standards agreed by Parliament are preferable to Laws imposed by Government”

“The Boundaries of Personal Behaviour determine the Standards of a Sovereign Society”

“The Boundaries of a Sovereign Society reflect the Standards of Personal Behaviour”

“Freedom happens through me, it doesn’t happen by me or to me”

“If I need to free myself, I am trapped & I cannot be a victim of my own freedom”

“The problem with Capitalism is that all of the Capital is owned by the Capitalists”

“The Democratic leaders of Democracy are owned by the Capitalists, not the people”

“Releasing emotional trauma is painful”

“Detachment from mental drama is a fearful problem”

“Emotional Intelligence is not about managing negative feelings, it’s about not having them”

“When Money is a means of exchange for goods and services, it is beneficial but when used as substitute for emotional power, it is detrimental”

“When money has the authority to buy other people’s emotional power, it has evil intent”

“Taking Your Time requires an awareness of Personal Time”

“Having Enough Space requires an awareness of Personal Space”

“Creating Your Reality requires an awareness of the real Law of Attraction”

“When I realise that there is nowhere to go, I realise that I am now here in time and here now in space”

“Nowhere is reality more right than right now and right here”

“Destiny unfolds in Divine Time”

“Divine Time allows divine opportunities to unfold”

“Self-Healing requires Faith in the healing ability of the Self to heal itself”

“Restoring faith restores health”

“My Health Store is my wealth of wisdom”

“Embrace the Certainty”

“Live without worry”

“Without emotional power, there is no choice”

“Without mental authority, there is no emotional power”

“Wisdom is the only mental authority that is wise”

“Unless I intuitively know my mental authority of choice, it is not a wise choice”

“The force of authority is flow”

“The power of flow is its magnitude”

“The potential of flow is equal to its force & magnitude being equal”

“The only thing that is actually true in life is one’s own path”

“There is no limit to the depth of my heart”

“When I feel from the bottom of my heart, I am seeing through the heart of my bottom”

“The Heart is infinitely deep”

“If I keep looking for what is wrong with me, I will eventually find it”

“When I see what is right for me, I have already got it”

“A hyperbole vortex is the effect of force vector interfering with flow”

“A Thought Vector is a force of divine authority influenced by personalised choice”

“The creative authority or force of a thought vector is relative to the magnitude or power of its emotion”

“Using intellectual reasoning without intuitive reasoning is unreasonable”

“Intuitively, I see the reason when I know it is reasonable because it feels reasonable”

“What I intuitively know with certainty is the most reasonable choice because it intuitively feels good”

“Intuitive reasoning is denied credibility by an Intellectual”

“We are all Souls with good intentions, which are mostly misunderstood”

“When stood under the power of my Soul's authority, I am able to understand everything”

“A belief is what I experience as real”

“A desire is what I choose to experience as real”

“Faith is how I realise a desired experience”

“My belief in faith realises my desires”

“Believable desires realise a faithful experience”

“Desirable beliefs faithfully realise my reality of choice”

“Faith ensures my desirable choice of reality”

“Artificial Intelligence is a simile for Intellectual Reasoning”

“Genius is our nature when nurtured”

“Energy is the matter of motion”

“Motion is the energy of matter”

“Matter is the motion of energy”

“Illness sees medicine as a treat”

“A treat meant for illness is called medicine”

“Good Health sees balance as the best
medicine”

“Intuition is positively certain, Optimism is
uncertain, Pessimism is certainly negative”

“A Dystopian Society is one that believes a
Utopian Society is unattainable”

“The difference between an irrational fear and a rational fear is the intelligence of intellectual thinking”

“Intellect deems something irrational when it cannot comprehend the reasoning”

“A Posteriori Knowledge tells me the current reality of the world”

“A Priori Knowledge tells me my personal truth”

“The loss of ego does not lead to enlightenment or contentment”

“The loss of personality & character does not reveal our true identity”

“Revealing its true identity allows the ego to align with its Truth”

“The true identity of the ego is neither personality nor character”

“My personality is who I need to be to get my emotional needs met”

“My character is the role that I am led to believe that I am playing out in reality”

“Life cannot thrive in stale air and stagnant water”

“If you are polluting the air or poisoning the rivers, you are killing the earth”

“You cannot allay people’s fears by giving them more false evidence that appears to be real”

“I Accept what turns up in my life with Gratitude”

“I Allow what turns up in my life to grow with Appreciation”

“I Approve of what turns up in life with Interest”

“Using statistics to prove assumptions is not proof of a scientific theory”

“Awareness without Consciousness is Inert”

“Consciousness without Awareness is Entropic”

“Inertia & Entropy are a duality effect of Flow”

“I am free to choose flow, free to choose inertia & free to choose entropy”

“Inertia, Entropy & Flow are the three signposts on a spiritual path”

“Entropy happens to me, inertia happens by me & flow happens through me”

“Similar to illness, intellectual thinking can be acute, chronic, critical or fatal”

“Pressure mediation is the Law of Attraction in action”

“Gravity is pressure mediation in action”

“Eros & Philo are driven by emotional needs”

“Ethos & Pathos are driven by mental beliefs”

“Agape & Logos are the power & authority of the Soul”

“The Pathos of Philo cause the non-attractive Inertia of similar genders”

“The Ethos of Eros causes the unattractive Entropy of opposing polarities”

“The Logos of Agape allows the pure potential of attractive Flow”

“Beliefs are true or false”

“Experiences are real, unreal or surreal”

“Stories are fact or fiction”

“In the Twentieth Century Philosophy became an intellectual belief system and Science became a Theory waiting to be disproved”

“Proof is just intellectual reasoning that cannot yet be disputed”

“Only the rational logic of science would call our spiritual connection to source - Quantum Entanglement”

“Who we are determines what we do”

“Empowered people do inspired things”

“What we do is a role we play, not who we are”

“Entropy is Mental Ignorance, the absence of wise thoughts”

“Inertia is Emotional Poverty, the absence of wealthy feelings”

“Resistance is Physical Discomfort & Dis-Ease, the absence of healthy experiences”

“A Fact Checker checks the fact that a story follows the plot of the official government diktat”

“When our own story is a real, true fact; other people’s stories are an irrelevance”

“When we need other people to buy into our story, we need to keep their facts aligned with our true or false reality”

“Every Government seeks to dominate their people. Most do it politely, some do it oppressively”

“People tend to riot & rebel when governed & controlled oppressively”

“An acceptable Government is seen to politely police their laws to securely control their people”

“The Endocrine System is the Physical Body’s natural Pharmacy”

“The Lymphatic System is the Physical Body’s Cellular Waste Disposal System”

“The Cardio-Vascular System is the Physical Body’s Fuel Delivery System”

“The Limbic System maintains stasis & balance in the Physical Body”

“Suffering diminishes as we learn acceptance”

“White Blood Cells are the Waste Disposal Medium”

“Red Blood Cells are the Fuel Delivery Medium”

“Blood Plasma is the Hormone & Protein Delivery Medium”

“The prognosis of every diagnosis is ill health”

“You cannot solve the problem of poverty with money”

“You cannot solve the problem of illness with vaccinations”

“You cannot solve the problem of ignorance with technology”

“You cannot solve the problem of wellbeing with a solution”

“Wellness is not a problem, illness is”

“Wellbeing is our natural state of being without pain, fear & problems “

“Wellbeing is an emotional perception: Wellness is a mental perspective”

“I intellectually reason that my Soul is unethical & amoral. I can therefore ignore it or intuitively follow its imaginary guidance & support”

“Inflammation is the widening of the capillaries for the purpose of cleaning & maintenance. It allows the delivery of red blood oxygenated fuel to the cells”

“Swelling is the flooding of a cellular construction site with the essential building materials contained in blood plasma”

“Pain is the deep cleansing of toxic cellular debris by the remedial action of white blood cells”

“Self healing allows the pain of inflammatory swelling to efficaciously fulfil their combined purpose of cellular cleaning, detoxification & repair”

“Pain, inflammation & swelling are only a problem when I fight them, suppress them and infect them with my fearful negative thinking”

“In the Age of Comfort & Security, survival is ensured”

“In the Age of Awareness, safety & comfort are ensured”

“There are multiple versions of truth, multiple experiences of reality and multiple facts to support both”

“You don’t find the truth by destroying falsehoods”

“We cannot judge the unfairness of a judge with impartiality nor can we judge the impartiality of a judge fairly”

“A balanced judgment is an oxymoron”

“Judgement never balances right & wrong, it discerns what is believed to be right in contrast to what is believed to be wrong”

“The scales of justice are never balanced as they gravitate to the side of righteousness”

“Judgement is balanced with non-judgement, when judgement is overcome”

“Mis-information is an oxymoron. It is mis-use of information that is detrimental to truth”

“Censorship is the mis-use of information”

“Whether a fact is true or a truth is a fiction is a matter of personal perceptive”

“Invaluable is the priceless inner value of inestimable self-worth”

“Worthless is the false belief that we are not worthy of our true purpose”

“When I realise that my life path flows effortlessly through me, it becomes neither hard nor difficult because it is simple but not easy”

“The most difficult lesson to learn is allowing a beneficial experience of life to flow effortlessly through me, without entropy or resistance”

“Ether is a gas that induces unconsciousness”

“Aether is the energy that induces Consciousness”

“Understanding how unconsciousness is induced requires an awareness of how consciousness is induced”

“Consciousness is induced with the authority of the Soul and the power of the sub-conscious”

“Sub-consciousness has the power to induce unconsciousness with the authority of the Soul”

“It is the Soul that puts its Self to sleep and wakes its Self up”

“Aether is the force of mental authority that emotionally empowers the physical ability of the Self”

“An unconscious awareness of life is called an astral projection, a lucid dream or a near death experience”

“Aesthesia is the sensual awareness of beauty”

“Aesthetic beauty is an intuitive awareness”

“Anaesthesia is a beautiful unawareness of physical senses. A state of serene senselessness”

“The beauty of the Aether is its creative ability”

“Conscious creative ability requires intuitive awareness”

“The primary cause of death is the body’s inability to heal itself”

“An open minded person has the power to authorise their own ability of choice”

“A closed minded person denies their self the authority to make empowered choices”

“I can coach someone to solve their problems”

“I can coach someone to meet their challenges”

“I can coach someone to take their opportunities”

“The Survival of the Fittest means those who best fit into their environment, thrive best”

“The best thrive, the righteous strive, the fit survive”

“I am conscious of the object of my attention”

“I attend to my conscious thoughts”

“Subjective thought is the attention of a conscious mind”

“Only a conscious mind is conscious of a mindful thought”

“Attention without mindfulness causes a reaction of sub-conscious thinking”

“I mindlessly attend to mindless action when I defer to sub-conscious thinking”

“I am aware of the conscious thoughts of my mind but unaware of my sub-conscious thinking”

“Becoming aware of my sub-conscious thinking is the way to eliminate my fears & limiting beliefs”

“Consciousness is a level of mental awareness”

“The level of conscious-awareness is relative to the frequency on which the brain is transmitting & receiving”

“Science is in opposition to Religion, not Spirituality”

“Science is not opposed to the reality of energy, it just doesn't have a sense of what it is, being limited to 5 physical senses”

“Only imagination can give meaning to a word”

“The intellect uses words defined by other people”

“Other people define words without a clear meaning”

“The power of a word is its meaning, its balance”

“Limbo is balance”

“When limbo happens to me, I am out of balance”

“Sitting on the fence is neutrality, not balance”

“For the Establishment to establish my theory as a factually true reality, I am required to establish myself as part of the Establishment of established thinkers”

“Not all established thinking is energetically stable”

“The instability of established thinking allows all theories to be eventually disproved, which renders science to be an unstable process”

“With no darkness within, it is impossible to attract the darkness that is without”

“The darkness without is the impure light of fear & negative beliefs”

“The only darkness that exists is the negative perspective that I have chosen”

“Presence is the absence of past reflection & future projection”

“Holding the space is being present in time”

“Life is about the lessons that we learn, once we have graduated out of formal education”

“Be the Centre of your own version of Oneness”

“From my perspective, there is only one version of reality”

“To ascertain is to know as certain”

“Nothing is as certain to ascertain the truth as intuition”

“There is a version of my truth and an aversion to my truth”

“An aversion to truth causes adverse affects”

“Like genders cause aversions”

“Opposing polarities cause adverse conditions”

“Opposing genders & like polarities converse”

“Society is divided between the victims of other people’s freedom and the victims of other people’s security”

“I secure my own freedom and free my own security when my personal standards align with my boundaries”

“My boundary is secure when my standard is freedom”

“Knowing the Law of Attraction allows an understanding of why I am attracting that which I think I do not want”

“I am sub-consciously programmed to instinctively survive, when life happens to me”

“I am consciously programmed to intellectually strive, when life happens by me”

“I am super-consciously programmed to intuitively thrive, when life happens through me”

“Think, feel, react v thought, emotion, response”

“Change perspective, change belief, change emotion, change experience”

“Unless I intuitively know that my intuition is certain, it is uncertain & counter-intuitive”

“Ascertainment is preferable to determination”

“I am intellectually determined & intuitively ascertained”

“The brain is a computer, which allows the Mind to operate in separation from its Source”

“When the software of the brain is not compatible with the operating system of the Mind, bugs & viruses become a real experience”

“Strong or weak force is relative to toroidal spin or rotation”

“High or low magnitude is relative to force of spin & rotation”

“Primordial is a prime ideal, a first principle and a basic ordeal”

“Seasonal memes cause seasonal viruses”

“Seasonal memes cause seasonal moods”

“It is the belief that a virus is virulent that spreads a virus”

“It is the belief that a virus is malignant that determines its level of malignancy”

“The more I malign a virus, the more malignant it becomes”

“Fighting a fear empowers the fear and fighting a virus empowers the virus”

“A fear is a virulent malignant viral belief”

“A virus is the physical manifestation of a mental belief”

“A gene is the physical manifestation of a mental meme”

“Malignant memes cause malignant genes with malignant viral genomes”

“Mental Activity activates Emotional Activation through Physical Action”

“Active mental thought activates emotional feeling through the physical experience of action”

“Stasis is a state of balance”

“Cellular stasis is balanced between birth & death”

“Unbalanced, irregular cellular birth or growth is called cancer & the unbalanced irregular death of cells is called a viral or bacterial infection”

“A healthy viral belief maintains healthy cellular stasis”

“When science sees stasis as being inert & without flow, it is out of balance with cellular health”

“Stasis means ‘stand’, imbalance causes a ‘fall’”

“Science stands or falls on the truth of its beliefs”

“It is not freedom of speech that is important but freedom of choice”

“When my standard is to speak freely, then I ensure my boundary allows all others to speak freely”

“My choice of aligning my personal standards with my personal boundaries allows me to speak my truth”

“Freely talking my truth is my true freedom of choice”

“The sin of Christian virtue is to be without when you go without”

“Being without is a sin, not a virtue”

“Humble people see any level of confidence in others, as arrogance”

“Meek people see the wrath of others, as anger”

“Patient people become patients because patients need to be patient”

“Pleasant people see other people’s power as greed”

“Kind people envy what other people have”

“Modest people see other people’s pride, as arrogance. They are proud of not being proud”

“Hard-workers see laziness as slothful”

“Caring people love being needed”

“The poverty of poor people is their abundant scarcity”

“Forgiveness without acceptance is a toleration”

“Receiving without allowance is charity”

“Righteousness without approval is sanctimonious”

“There is no faith in trusting the direction of others. We get lost when trusting the faith of others”

“It is not our destiny to experience our fate”

“Frustration is a clear indication that our direction is not present”

“Being Earthed & Anchored is a Grind”

“Being Grounded & Earthed is a Chore”

“Anchoring my Grounding on Earth physically experiences the emotional purity of my inspired mental thoughts”

“Emotional grounding physically anchors my earthly thoughts”

“Time is the 2nd dimension of Motion, with speed & distance and the 2nd dimension of Experience, with Space & Reality”

“We all have freedom of choice for our Self”

“Nobody is free to choose for another, without their consent”

“Money is the power to influence other people’s choice of authority”

“First Aid promotes Self Healing”

“Para-medicine is subsidiary or ancillary medication that is of secondary importance”

“I can only know my Truth, intuitively”

“Your truth is what you believe it to be”

“In my past experiences of reality, I did not always express my Truth. In fact, I expressed my untruths in many different ways”

“An intellect based on false truths is never reasonable”

“Platitudes are really not true: Stale, trite or insipid beliefs are real but never true”

“Any belief that restricts personal behaviour by conformity to the authority of other people’s principle axioms, ethical adages, moral proverbs or elitist maxims”

“The chakras are a hyperbole of potential and the aura is a torus of opportunity”

“The hyperbole of the Aether empowers the aura of our personal ether”

“The aura/tora is light matter”

“The Aether is Light Energy”

“The Aether of Light Energy individuates through the ether of personal light matter”

“Light matter is thought”

“Light Energy is Potential”

“Genius is a timeless essence. An eternal perspective is essential for genius to manifest”

“A Patient patiently waits for their Self to heal”

“An Impatient can’t wait for someone else to cure them”

“Politicians cannot make a good living working for taxpayers who are in debt”

“Politicians can earn a good living and a good pension, following the advice of a rich and influential sponsor”

“Politicians do not control the people. They are controlled by those who want to see the people under control”

“Working hard in service to others is called self-imposed slavery. Being effortlessly in service to others happens through us naturally, as a Soul imposition”

“Once we become aware that our depression is the affect of not getting our emotional needs met, we know that neither physical nor mental interventions will effectively alter the cause”

“Reprogramming our moods requires the reprogramming of our memes, which reprogrammes our genes”

“A physical set of instructions is useless without mental activation”

“The mental activation of physical genes is sub-conscious, until we learn to consciously activate them or reprogram them, with our super-conscious awareness”

“Our belief system is a set of memes, which sub-consciously give advice & direction”

“Depriving another of their freedom of choice is never beneficial, neither to them nor us”

“We are all free to choose security or freedom, danger or safety”

“Danger or d’anger is the affect of anger without patience or presence”

“With the patience of presence, there is neither anger nor danger”

“Focusing on ill health cannot bring good health. It defies universal law”

“Renunciation is dispassionate”

“There is no passion in scarcity”

“Joy is preferable to bliss”

“Fulfilment is preferable to euphoria “

“Contentment is preferable to ecstasy”

“Physical Consciousness is limited to five physical senses”

“Spiritual Consciousness is aware of five physical, four instinctive & three intuitive senses”

“Of our twelve strands of DNA, two are physical genes, three are emotional moods and seven are mental memes”

“Service is only a privilege to the Privileged whom we serve”

“The Privileged are privy to the privilege of legislature”

“The only privilege is to make laws for others to conform to”

“The Paradox of Intuition: Disconnecting intuition develops the intellect and re-connecting intuition develops the intellect”

“The Paradox of Boundaries: Without boundaries, my power is diminished and with boundaries my power is diminished but I need boundaries to extend my boundaries and expand my power because expansive power is boundless, unlimited and boundary free”

“When a situation appears to be black or white, it is the grey area, which reveals the opportunity for learning”

“A physical force is an oxymoron. Force is an aspect of energy not matter”

“Electricity, magnetism & gravity are three physical affects of energetic force”

“Weak forces & strong forces are an illusion of duality”

“Thought, consciousness & authority are three mental affects of energetic force”

“Emotion, feeling & power are three emotional affects of energetic force”

“The powerful institution restricting our freedoms, in the guise of national security, is our own elected Government”

“The role of a central government is to manage public services & facilities, not to control its people”

“A central government legislating the control of its people, by taking away personal authority, is the root cause of anarchy & rebellion”

“Magnetic Attraction is the unification of like energy”

“Magnetic Repulsion is the non-attraction of unlike energy polarities”

“It is not opposing magnetic poles that are attractive but like energetic polarities”

“Unlike energetic polarities cannot travel in the same direction”

“Electricity is a flow of energy returning to its source”

“Magnetism is a dielectric flow returning to its point of inertia”

“The point of inertia is its energy source”

“Gravity is the positive attraction of like tora of energy”

“A Torus is a dielectric flow with a definite resistance”

“Infinity is dielectric flow without resistance”

“A dielectric flow without resistance is infinite, with no defined torus”

“Electro-magnetic-gravity are three affects of energetic flow”

“Force, magnitude & potential are the three properties of energetic flow”

“Flow is relative to toroidal spin, orbit & rotation”

“Dielectric flow is bi-polar”

“Choosing an Ideal Life requires living a choice of Ideals”

“Degrees of certainty are like degrees of perfection. They are both oxymoronic”

“There are degrees of uncertainty, which cause degrees of imperfection”

“I am certainly perfect when I am perfectly certain”

“Certainty is perfect with certain perfection”

“Certainty & Perfection are Intuitive”

“The intellect is never perfect because it is never certain”

“What Science calls a Black Hole, Metaphysics calls a White Whole or a Light Source”

“Without a light source nothing appears. With a light source, a physical reality appears”

“We are all emotional human Beings. The question is: Are we inspirationally empowered or are we irrationally depressed?”

“Depression is not emotionally rational, it’s unemotionally irrational”

“Honesty, Modesty, Majesty are True Attributes”

“Honesty Allows Goodness, Majesty is Gracefully Approving, Modesty is Gently Accepting”

“What psychology calls affective empathy is sympathy”

“What psychology calls cognitive empathy is sensitivity”

“When we confuse empathy with sensitivity, we believe that without sympathy, we are apathetic”

“When we confuse sensitivity with compassion, we believe we have empathy”

“Emotional Intelligence is the ability to express only beneficial emotional attributes”

“It is not emotionally intelligent to share negative emotions with other people”

“It is emotionally intelligent to release, deliver & cleanse negative emotion”

“It is emotionally unintelligent to forcefully express or wilfully repress negative emotions”
