

# Wise Words Book 19

Keith Colline

“You cannot globalise an inefficient & ineffective national system, efficiently & effectively”

“Emotion is the relative power with which a fluid thought flows”

“The infinite power of eternal thought is called Love”

“The eternal authority of infinite emotion is called Light”

“The continuous ability of emotional Love & mental Light is physical Life”

“Emotion cannot be defined with an intellect that is intuitively unaware or emotionally disconnected”

“My life unfolds before me, when my prayers are answered even before I ask”

“There is no reason to ask for what I have already accepted”

“I can only accept what I see to be beneficial”

“When I see the beneficial opportunity of life, it unfolds perfectly through me”

“I don’t know is an intellectual admission of being intuitively disconnected”

“Being allowing aligns with my mental authority”

“Being approving aligns with my emotional power”

“Allowing something to occur,  
authorises it”

“We all equally receive the focus of  
our individual attention”

“Judgment is a choice between right  
& wrong or good & bad, which has  
nothing to do with Truth”

“I can only promise to tell my  
perspective. Whether it is true or not  
is another matter”

“When I align with my Truth, there is  
no bad or wrong, so no judgment is  
necessary”

“Beyond judgment, morals are unnecessary”

“An Intellectual Intuitive has Super-conscious awareness”

“With no distinction between consciousness & awareness, conscious-awareness is not attainable”

“Any Character or Personality that I betray, is a betrayal of my True Identity”

“Self-appreciation is how the Soul grows”

“The separation of the Self is a dielectric divergence called duality”

“The Unity of the Soul is a vortexial convergence called Triality”

“Fortitude is the fourth dimension of heart, soul & mind”

“Soul is the third dimension of heart & mind”

“A Solar System is a system of the Soul”

“Solar Plexus is a place of the Soul”

“The Sacral Centre is the place of the Heart”

“The Base is the root of the Mind”

“The Heart is the core of our Strength”

“Mankind is potentially unkind”

“One dimensional perspective can perceive 3 levels of density”

“Three dimensional perspective can perceive 5 levels of density”

“When I express my contentment, fulfilment & joy; I am being healthy, wealthy & wise”

“When I am being healthy, wealthy & wise; I attain contentment, joy & fulfilment”

“I am happy being well and well happy with my Self”

“Metaphysics is often Metaphorical”

“I survive a problem”

“I strive to meet a challenge”

“I thrive with an opportunity”

“Every story is a fiction until the facts become established”

“Establishing a fact locks it into my reality”

“When I believe a fact to be true, the fact is, the truth is still a belief”

“When I know a fact to be true, it is a factor of my truth”

“A certainly true fact allows faith to flow”

“Leaky Gut is an instinctive malfunction”

“An unhealthy mental fog is the miasma of a confused mind”

“The Soul is learning through me, not to me or by me”

“Love is not a force but a magnitude, which flows with the Grace of gentleness”

“Only once the Aether exists in the imagination can its creative potential be realised”

“Science declared the Aether not to exist in physical reality, which is absolutely true”

“In absolute reality, the Aether is pure creative potential”

“In my Fourth Density, I am creating a care-free, effortless, quality of life with the imaginative flair of my Soul’s unconscious competence”

“In my Third Density, I am aware of the caring, mindful, intuitive messages of a third way; which allow opportunities to flow through me with conscious competence”

“Equanimity approves emotional power”

“Equality allows mental authority”

“Equability enables physical ability”

“Because it is the rational intellect that blocks intuitive awareness, only

the logic of emotional intelligence  
can unblock it"

"With equality, I grow in confidence"

"With equanimity, my self-worth  
improves"

"With equability, I hold my self in  
esteem"

"The frequency of light is relative to  
the wavelength of love"

"Love & light are relative to the  
vibration of life"

"Changing a physical experience,  
requires changing an emotional  
feeling, which requires changing a  
mental belief"

“Changing a mental belief, requires personal emotional power, which requires the physical experience of feeling good”

“When I feel good about my new choice of mental belief, it is inspiring and empowers my Self”

“Imagine emotional power with intuitive feeling”

“Imagine mental authority with intuitive knowing”

“Imagine physical ability with intuitive seeing”

“A Creator God is a creation of Man”

“All concepts, philosophies & religions are creations of Man”

“God & Man are a duality of the Creator & the Creation”

“A subjective creator creates an objective creation and an objective creator creates a subjective creation”

“Man is both a subjective and an objective creator”

“Being an adjective creator of a subjective objective is absolutely divine”

“The objective of religion is to make God subjective”

“Subjecting oneself to an external god is not the objective of life”

“The Self is the realised potential of the Soul, from the perspective of the Self”

“The Soul perceives it’s Self to be the realisation of its potential”

“The disconnected ego is a realised unrealistic reality of the Soul”

“The aether is the unmaterialised energetic motion of matter”

“A torus forms a vortex, which gives form to the torus”

“A Self forms a Soul, which gives form to the Self”

“The oneness of the Soul/Self is relative to the purity of its thoughts, feelings & experiences”

“I am always creating life as me,  
even when my perspective tells me  
differently”

“The Soul is the creator of its Self  
and the creation of its Self”

“The Self is the creator of its Soul  
and the creation of its Soul”

“The Aether is the something &  
nothing with which the soul/self  
creates everything”

“The aether is the clay that forms  
pottery and the sand that forms  
glassware”

“The aether is the prime element  
from which the prime creator creates  
every creation”

“A Priori realisation is intuitive”

“A Posteriori realisation is intellectual”

“I intellectually realise what is already manifest”

“I intuitively realise that which is as yet un-manifest”

“I do not suffer fools gladly, is a statement of: I will not suffer fools, which attracts both fools & suffering”

“I am exempt from other people’s foolish beliefs and I am immune to their foolish behaviour”

“I have been jabbed with folly  
protection and I am now immune to  
viral folly”

“Immunity to one’s own folly is a  
process of challenging and owning  
one’s own beliefs”

“I do not own a foolish belief”

“Believing that others should act  
rationally is a folly”

“Reacting to other people’s  
irrationality is an irrational folly”

“Conjugate emotionality, overcomes  
the duality of gender”

“Light is the realisation of a thought”

“Pure sunlight is the realisation of  
pure light, without colour”

“The Moon is a reflection of pure sunlight”

“Mind is the fictitious creator of thought”

“Emotion is the fictitious creator of feeling”

“Body is the fictitious creator of experience”

“Authority is the ability to influence, our Self or others, for better or for worse”

“I only ever suffer from my disconnection from Source”

“The COVID-21 Booster Programme is definitely working as a new

omicron variant is being heavily promoted by the Government. Infections are increasing as vaccinations are increasing in line with government policy. COVID-22 is ready to launch on an unsuspecting world population who are starting to suspect that they may need at least four jabs every year”

“How long will it take for COVID to bankrupt the current financial system and allow the IMF to come to the rescue as the new global central bank?”

“In modern philosophy, there is no distinction between inductive reasoning, abductive reasoning and

retroductive reasoning; although modern philosophers will argue that there is”

“In modern science, only deduction is acceptable and inductive, abductive & reproductive arguments are unacceptable as they are unreasonable”

“One cannot argue with deduction, unlike abduction, induction & retroduction”

“Reasonable argument, reasonable inference and reasonable reasoning are not the same thing”

“An argument never induces reason”

“A reasonable argument is an oxymoron”

“A beneficial path has no polarity and no duality; although it may have a detrimental perspective”

“Something that is new has not happened in the past but is happening in the future”

“Induction is a way of intuitively bringing the future into the present, with absolute reasonability”

“Retroduction brings the reasonability of a relatively past intellectual experience into the present moment”

“Bossy, assertive, directive managers get angry & frustrated when people are not doing what they are demanding that they must do”

“Arrogance & bigotry demands that other people are humble, subservient & compliant with their directive impositions”

“Consultative agreement is preferable to directive imposition”

“Directive Imposition without consultative agreement is unreasonable and therefore an unprofessional standard of performance”

“Directive Management Procedures produce process processors”

“There is no feasible procedure for processing someone who refuses to be processed”

“In the absence of emotional intelligence, the quality of self-esteem is only an estimation”

“A Sovereign Entity has confidence in the power of their own authority”

“With the power of my own authority, I do not need an army to enforce my choice of sovereignty”

“Sovereignty is the attainment of an independent state of Being”

“The state of being a supremely powerful sovereign authority”

“When I am fighting my corner, I am only seeing a small part of the bigger picture of what is occurring”

“In a financially driven culture, managers become ‘pea processors’ for ‘bean counters’”

“Influenza is the depletion of physical senses and the deprivation of instinctive senses, with the maintenance of intuitive senses”

“That a Sentient Being would shut down its senses when under attack from a pathogen is a completely unreasonable assumption”

“That a Sentient Being would suspend operating functions, whilst undergoing essential maintenance & repairs, is a completely reasonable assumption”

“It is the height of hypocrisy to defer to someone else’s authority and then oppose their choice for you”

“If you want people to stop imposing boundaries on your path, stop electing them to do so”

“Being taught makes me tense”

“Influenza is a disconnection from all conscious & sub-conscious sense of external influence”

“It is being spiritually cocooned from the influence of physical reality”

“Viruses are rubbish. You do not fight rubbish, you release it, deliver it & cleanse it”

“Detoxified toxins are no longer toxic”

“Detoxify your beliefs with a better thought”

“Detoxify your thinking with a better belief”

“Intellect allows a reasonable existence”

“Intuition allows a fulfilled destiny”

“Giving life meaning allows a meaningful life”

“Meaning defines a life of balance”

“I can intuitively feel my happiness grounded in physical reality, but can I intellectually choose for it to be my earthly experience?”

“I cannot sense intuitively without my instinctive senses & my physical senses being in working alignment”

“The Subtle Realm is experienced through nuance”

“Nuance allows a shift in subtle perception”

“Male & female is the gender of my emotional perception”

“Masculine & feminine is the sex of my physical character”

“Anger is a reactive problem”

“Patience is a pro-active challenge”

“Approval is a responsive opportunity”

“Judgment is a reactive problem”

“Non-judgment is a pro-active challenge”

“Acceptance is a responsive opportunity”

“Gluttony is a reactive problem”

“Poverty is a pro-active challenge”

“Abundance is a responsive opportunity”

“Love disempowers the rational intellect”

“Solipsism is the belief in a doctrine that I am a spiritual mind having a mental experience”

“Solipsism is a spiritual belief that denies the physical experience of emotion”

“Witness is the attainment of the Soul's wit”

“Life happens through me with the attainment of witness”

“Witness is a state of being, not a role that I play”

“Influenza is an overriding sense of being senseless”

“Unbridled Joy allows boundless creativity”

“Joy is the creative power of Love”

“An Automaton is programmed, with other people’s beliefs, to operate without thinking”

“A Zombie is an Automaton with a contagious disease that infects other Automatons”

“Automatons will make Robots in their own image”

“The absence of love empowers lust”

“Enlightenment is ‘seeing the light’ intuitively”

“When my perspective is aligned with a mass psychosis event, I cannot see my own neurosis”

“Approval is my connection to my source of emotional power”

“The Economy is a finite resource not a Spiritual Entity. It cannot grow continuously as it is subject to the ebb & flow of economic conditions”

“Emotional Intention, Mental Attention, Physical Action”

“Semantics allows the subtle realm of nuance”

“Strength is kinetic, vestibular, thermal, emotional”

“Strength enables Will power”

“Soul provides guidance, support & provision”

“Provision is on the proviso of accepting guidance & support”

“Providence provides provision with a proviso”

“Potential is realised with the balance of force & magnitude”

“Awareness allows the unveiling of what is beyond the veil”

“The veil is the boundary of physical consciousness”

“Psychosis is the failure to comprehend a different world view to our own”

“Mass psychosis is the adoption by the masses of a malignant world view”

“Malignant means negative alignment”

“We suffer from mass psychosis when we do not have our own world view”

“Psychosis aligns with schizophrenia & Paranoia”

“Schizophrenia is a duality disorder of conflicting emotional needs”

“Depression & anger are a duality called schizophrenia”

“Paranoia is a belief in a continuous external risk to life”

“I neither ask you nor expect you to adopt my personal vision of my real world”

“Boosting a deficient immune system renders it more deficient”

“It takes a Tennis Player, no-vax Novak Djokovic, to remind the medical community that Natural Immunity is for healthy people and Vaccination is for sick people”

“Medical intervention is unnecessary for a healthy person”

“A healthy body requires a healthy mind”

“A healthy mind requires a healthy perspective endorsed by a healthy belief system”

“All energy vibrations radiate”

“A Healthy body is self-repairing, self-maintaining & self-renewing”

“A Healthy body has an army of construction workers”

“A sick body needs an army of pathogen fighters”

“Automatons are prone to die of dementia”

“Zombies are prone to die of cancer”

“Intellectual Programmers are prone to die of heart disease”

“Prone is an inclination to fall flat on our face”

“An inclination is a degree in being off track. I am inclined to wander off my path”

“An inkling is a degree in being on track. My intuitive inkling guides me on my path”

“Health requires a wealth of wisdom”

“A wealth of wisdom requires an exclusive connection to Source”

“An exclusive connection to source is intuitive”

“Intuition requires an awareness of emotional intelligence”

“Emotional Intelligence requires a conscious-awareness of intellectual sensitivity”

“Intellectual sensitivity requires a detachment from other people’s dramas & traumas”

“Detachment from other people’s dramas & traumas requires being problem free”

“Being problem free requires being fear free & pain free”

“Being fear free allows wisdom to flow”

“Being pain free is emotionally wealthy”

“Being healthy is never a problem”

“In the 4th Density of the 5th Dimension of Consciousness, every life experience is certainly beneficial”

“When every life experience is certainly beneficial, it is called Heaven on Earth”

“Heaven is an emotional experience attained through the ascension of consciousness, whilst the physical body remains grounded on Earth”

“Earth is the plane of physical experience”

“Heaven is the plane of positively beneficial emotional experience”

“Hell is the experience of a detrimental fear causing a negative emotion as the affect of a bad physical perspective”

“Illness or the wellness is a choice”

“A Pathos Gene is a similarly  
redundant ‘spike’ of redundant cell  
DNA”

“The pathos gene causes like  
polarities of thinking to coalesce”

“A Corporate Entity disallows  
Sovereign Choice”

“A Sovereign Entity has sovereignty  
over its own choice”

“Corporate Entities enforce their  
same standards, boundaries & ethos  
for all their employees”

“Sovereign Entities choose their own  
standards, boundaries & principle  
beliefs”

“Corporate Sovereignty is an oxymoron”

“Sovereignty is an anathema to Corporate Entities”

“When Governments are owned by Corporate Entities, freedom of sovereign choice is not on the political agenda”

“Freedom of Speech is only allowed by Corporate owned Media Companies”

“Corporate Directors follow the direction of their corporate ethos”

“Sovereign Entities follow the direction of their personal logos”

“Corporate Directors follow the direction of their corporate owners, in order to lead their followers”

“Sovereign Entities follow their own lead in their own chosen direction”

“Philosophers who understand neither love nor wisdom, struggle to define Philosophy”

“Philosophy has been demoted to an intellectual exercise devoid of emotional intelligence”

“Trying to fix a problem, fixes that problem as my reality”

“When I defer to my employer’s authority, I abdicate my own sovereign choice and I please the greed of a corporate entity”

“Neurology is the brain exploring itself to discover how it works”

“Psychology is the brain exploring how the mind works”

“Spirituality is the Soul exploring the reality of its Self”

“An active brain thinks a lot”

“An effective mind has only pure thoughts”

“An affected mind thinks like other people”

“An infected mind has fears & conflicting beliefs”

“The Ego is my Governor”

“The Soul is my Guide, Supporter & Provider”

“The Id is my Autopilot”

“The Entity is my Entirety”

“I am a 5 Dimensional Being  
experiencing a 3 Dimensional  
Reality”

“Between incarnated lives in a  
physical dimension, there is no  
density”

“No density existence is a one  
dimensional reality”

“Corona virus causes a dis-ease  
called a cold, the flu or pneumonia”

“Corona virus causes acute, chronic  
or severe discomfort”

“SARS-COVID2 is the 2nd Severe  
Acute Respiratory Syndrome of a  
COrona Vlrus Disease”

“In 2019, with no distinction between severe & acute, no distinction between a disease & a virus and no distinction between a cold, flu & pneumonia symptoms, a viral pandemic of fear ensued; called covid-19”

“An Avatar is the physical embodiment of a spiritually divine state of Being”

“With intuition, you win some and you win enough”

“Pressure Mediation is like energy attracted to like energy”

“Opposing genders of temperature unto their self are drawn”

“Hot & cold mediate as cool or warm”

“Similar polarities of humidity unto their self are drawn”

“Humidity + Temperature = Cloud & Rain”

“I overcome wrath & meekness by allowing my own path to unfold beneficially”

“I overcome greed & pleasing by approving every inspired opportunity that occurs to me”

“I overcome pride & humility by accepting my own intuitive choices for myself”

“I overcome arrogance & humbleness when I approve, accept

& allow my life to flow effortlessly through me”

“I overcome sloth & diligence when I intuitively see my own present ability”

“I overcome envy & kindness when I intuitively feel my own emotional power”

“I overcome scarcity & gluttony when I intuitively know my provision”

“Before I can become aware of the lessons that I am required to learn, I am required to wake up to the realisation that I have work to do”

“Before I can adopt a new perspective, I am required to accept responsibility for my old one”

“Only when I know that I caused my life to happen can I create a new experience to manifest”

“I am not manifesting physical objects, I am creating emotional experiences”

“Providence provides the physical manifestation of what my chosen experience requires”

“Providence is my Soul’s Provision for its Self”

“The Self Contracts for the Soul’s Expansive Growth”

“With guidance, I am safe; with support, I am comfortable; with provision, I am content”

“My awareness of being safe,  
comfortable & content allows my  
new age to dawn”

“The cause of chaos is entropy”

“The cause of entropy is resistance to  
flow”

“The cause of resistance is negative  
intention”

“The cause of a negative intention is  
a negative perspective”

“The cause of a negative perspective  
is fear & limiting beliefs”

“The Approval of Divine Grace”

“The Allowance of Ideal Goodness”

“The Acceptance of Beneficial  
Gentleness”

“Zombies wear masks to stop the spread of their infection”

“Automatons wear masks because they have been programmed to”

“Bandits wear masks to hide their identity”

“Avatars know that only Bandits need to wear masks”

“When using Philosophy to debate right or wrong facts, truths or real concepts, there is no love and no wisdom”

“The Source of all Philosophy is the Soul”

“A soulless philosophy is an oxymoron”

“Intellectual argument is never philosophical”

“Emotions have highs & lows”

“Soul has only Highs”

“The three Planes of consciousness are the astral, the physical & the etheric”

“It often requires the loss of our senses to bring us back to our senses”

“Influenza, the loss of senses, can greatly influence our senses”

“It is always darkest before the Light Dawns”

“In the Beginning, the Universal Mind of God, Thought into existence separate levels of Consciousness”

“Creative Thought is limited by the level of Consciousness of a divisive mind”

“The Universal Mind is unlimited in its creative ability”

“The Collins Paradox: The aether diverges outward (flows) in an expansive, centripetal, dielectric toroidal magnitude; whilst converging inwards (ebbs) in a contracting, centrifugal, electromagnetic force vector; forming a hyperbole duality vortex of balanced, creative, potential with an unstable, destructive, intensity”

“Only Reality is real”

“Only Actuality is actually real”

“Only Absolute Reality is absolutely real”

“As I evolve my creativity, I create my own evolution”

“Through my own creative evolution, I evolve my creativity”

“As my creativity evolves, I create my evolution”

“The ‘S’ Curve of an expansive, centripetal, dielectric toroidal magnitude; is called the Coriolis Effect”

“The Coriolis effect is a centripetal force”

“The centrifugal force of the vortex maintains the centripetal force of the torus”

“Centrifugal & centripetal forces are the ebb & flow of attraction in action”

“The True Nature of a Painting is not the paint; it is its aesthetic beauty”

“Before I can see my true nature, I am required to first imagine it, then experience it, through expressing it”

“In the absence of intuitive awareness, consciousness defies rational intellectual reasoning”

“I am only ever the victim of my own belief system”

“When I believe I am the victim of a pathogen, I am being victimised by my belief about pathogens”

“It is not possible to exist in reality without some level of consciousness”

“Each holon of reality has its own level of consciousness”

“Molecular holons are 2D”

“Cellular holons are 3D”

“Organic holons are 4D”

“Cosmic Holons are 5D”

“Holons of existence are levels of consciousness”

“I am grateful when life happens by me in a positive way”

“I am in appreciation of life happening through me in a certainly beneficial way”

“Armageddon: In the final battle between the Do-Gooders and the Good-Doers, it is Good to Be an Observer”

“The 1st Age of 2D Mental Survival”

“The 2nd Age of 3D physical Comfort & Security”

“The 3rd Age of 4D Emotional Awareness”

“The 4th Age of 5D Spiritual Creativity”

“Consciousness allows a Universal Mind many levels, realms or planes of mental perspective”

“Thought allows a Universal Mind to be creative”

“Conscious Thought identifies a specific mental level, plane or realm as a creation of the Universal Mind”

“Without frequency & wavelength, is there a vibration?”

“Without a vibration, is there frequency & wavelength?”

“Does a pure vibration have frequency & wavelength? i.e. Does it vibrate?”

“An unaware perspective thinks what they see is what they believe - seeing is believing”

“An aware perspective knows that what they believe is what they see - faith is intuitive”

“The 5D emotional bonded bliss of experiencing a wealth of joy”

“The 4D mental wise fulfilment of exploring emotional awareness”

“The 3D physically healthy contentment of discovering the unknown”

“Gravity is the effect of attraction in action”

“Like energy drawn unto itself is experienced as pressure mediation”

“Pressure mediation is relative to the density of a specific gravity”

“Pressure is resistance caused by inertial entropy”

“The belief that evolution evolves intelligence is counter-intuitive”

“Knowing intelligence evolves evolution is intuitive”

“Consciousness evolves through intelligent design”

“Intelligence is designed to evolve consciousness”

“The evolution of consciousness requires the intuitive imagination of the Soul, aligned with the intelligent intellect of the Self”

“The Earth did not produce an intelligent civilisation through evolution. A House does not produce the family that lives in it”

“All truth is subjective and I can only know my own truth intuitively”

“Seeking the truth from an objective perspective is doomed to failure”

“The intellect searches for what it does not intuitively know”

“A Cause has an Affect”

“A Creation is an Effect”

“I subjectively cause an objective affect”

“I adjectively effect my creativity when creating a creation”

“Imagination, initiative, innovation & intuition are most creatively effective”

“Effects are always effective”

“A higher level of awareness intuitively sees a bigger picture of reality”

“At Onement overcomes the duality of contrasting emotional genders”

“At Oneness overcomes the duality of opposing mental polarities”

“A Life well spent is a life used wisely “

“Is Influenza the affect caused by a coronavirus or is influenza the effect of a regenerating entity?”

“A healthy entity is continuously creating itself anew through the process of natural regeneration, when it allows itself to do so”

“To procreate is to generate new life”

“To regenerate is to recreate existing life”

“The secret to love, health and money is to know they are all provided”

“Rejuvenate, Regenerate, Recreate”

“Emotion happens through me,  
relative to whatever I am thinking”

“Only an Avatar is Panpsychic”

“Panpsychic is a state of Unity  
Consciousness”

“Panpsychism is a belief about  
consciousness”

“There is no ‘free press’ and there is  
no ‘free government’ and there is no  
‘free society’, there is just a majority  
view endorsed by an enslaved  
population”

“The question is: Do the government  
align with a press that aligns with the  
people or do the people align with a  
government that aligns with the  
press?”

“A biased Press is enslaved to its Owner”

“Freedom of the Press Owners to print their version of the truth is not a Free Press”

“In a ‘free society’ the Government and the Media play a game that the Press always win”

“An autocratic Regime owns the Press”

“The difference between Democracy & Communism is who owns the Press”

“No matter what form of government, the people do not own their own freedom of choice”

“Running 5D programming requires a 5D operating system running on 5D hardware”

“Updated Mental programming requires an updated Emotional operating system running on updated Physical hardware”

“Bugs in the mental programming disempower the emotional operating system and cause a malfunction in the physical hardware”

“Trying to prove the physical source of consciousness is impossible because it doesn't have one”

“The hard problem of science is that consciousness is not physical, neither is its source, the mind”

“Happiness Happens”

“Evolution happens as me, not to me, by me or through me”

“Physical Evolution is a myth”

“Spiritual Evolution is my destiny”

“History never reports itself”

“History is biased in favour of the Historian who reports it”

“History repeats itself because historians are focused purely on the past”

“Historians do not see the history of the future”

“His story is a personal perspective”

“Three dimensional manifestation requires thought, word & deed”

“Four dimensional manifestation requires thought, word, deed & emotion”

“Whenever we encounter a boundary, we can choose it to be a personal problem, a challenging lesson or an ideal opportunity for growth”

“There is always sorrow when mistakenly crossing another’s boundaries, never joy”

“True love has no boundaries, it is the joy of never having to say sorry”

“Putin is playing hero to the Russian victims of Croatian Villains because

of a disagreement over sovereign boundaries”

“Biden is appearing to play the hero to the Croatian Victims of Russian villainy”

They are both terrorists and they are both self proclaimed freedom fighters”

“A Randomised Double Blind controlled medical trial is essential to overcome the placebo & nocebo affect of personal belief”

“Medical Science recognises the effect of personal belief on the self-healing process, but only by default in clinical trials”

“Drug companies have no interest in the promotion of natural self-healing”

“For Muslims, following the advice of Allah is like following the advice of a Heart Specialist - unfortunately both are sometimes wrong”

“Having faith in someone else’s belief system is a mis-placement of personal trust”

“Trust in one’s Self precedes a Divine Faith”

“Trust in an external story of reality is a statement of personal insecurity”

“Conduction is Behaviour”

“Induction is Creative Expansion”

“Reduction is programmed contraction”

“Deduction is Intellectual reasoning”

“Production is physical activity”

“Reproduction is physically copying”

“Nothing is real until it is consciously realised”

“Freedom is a standard that has no boundary”

“I can only be in empathy with someone who is following their own path”

“Empathy requires me to intuitively see someone else’s true path”

“I sympathise with someone who I believe is on a detrimental path”

“I am apathetic to other people’s chaos”

“I am in sympathy with other people’s problems”

“I empathise with other people’s challenging lessons”

“I compassionately share an opportunity with other people”

“Metaphysics is way beyond the consciousness of modern scientific intellect”

“Physicists do not have the emotional intelligence to look beyond the physical world”

“Without the eyes to intuitively see, metaphysics is believed to be hidden knowledge”

“Everything happens for a reason but not everything that happens is reasonable”

“Ignorance is bliss only when it is sublime”

“Both intelligence & ignorance can be sublime or less than sublime”

“All time-lines converge when unity consciousness is universally revealed”

“Unity consciousness is a personal revelation”

“The compassion of the Heart is its empathy with its Soul”

“When you can’t accept the present opportunity, then accept the challenge to learn the lesson that is being presented”

“Doctors will never prescribe placebos on ethical grounds”

“The Pharmaceutical Industry will never sell placebos because they are not commercially viable”

“Placebos are always available for Self prescription”

“Finding a placebo that maintains good health is most preferable”

“Being vulnerable is being open & receptive”

“Thinking you are vulnerable makes you susceptible to risk or harm”
