

A photograph of a dirt path winding through a dense forest. The path is made of reddish-brown soil and is flanked by lush green ferns and other undergrowth. Tall, mature trees with thick trunks line the path, their branches reaching overhead to form a canopy. Sunlight filters through the leaves, creating dappled shadows on the path. The overall atmosphere is peaceful and serene.

Wise Words Book 20

Keith Collins

“Be an Open Vessel not an Open Vassal”

“Being openly receptive is being vulnerable & safe”

“In no uncertain terms - clarity is revealed”

“Revelations are Inspired”

“Inspiration is Empowered”

“Proud humility is an expression of self-confidence”

“Kindly envy is an expression of self-worth”

“Gluttonous scarcity is an expression of abundance”

“Lustful caring is an expression of graceful approval”

“Greedy pleasing is an expression of allowing goodness”

“Wrathful meekness is an expression of gentle acceptance”

“Slothful diligence is an expression of providence providing provision”

“All energy is electro-magnetic from a physical perspective”

“All energy is aethereal from a spiritual perspective”

“Science appears to be all strung up with string theory”

“Science is failing to see the art of being scient”

“Karma is an experience of a distortion”

“Dharma is the experience of purity or balance”

“When free will is not honoured, it usurps divinity”

“Divinity is the divine experience of a sovereign entity”

“A Nuance is a subtle distinction”

“The subtle realms have a distinct nuance as they allow subtle shades of meaning, feeling & tone”

“Innocence is the state of being in no sense judgmental”

“In my state of innocence, I am freely openly receptive and accepting”

“I surrender to my innocent vulnerability and my vulnerable innocence”

“Healing doesn’t need to be a ball-ache”

“Nothing has me by the balls”

“My nuts are not cracked”

“My balls are in balance”

“Lateral thinking reveals polarity or gender”

“Expansive thoughts overcome polarity & gender”

“With the One, I am omnipotent”

“Without the One, I am impotent”

“I cannot overcome judgment by denying the intellect”

“Life happens to me & life occurs through me”

“As life occurs to me, so it happens”

“Darwin had a theory about the evolution of survival, not a concept for the evolution of striving or thriving”

“We are only ever enslaved by the boundaries of our own beliefs”

“Freedom requires expansive boundaries”

“A 3 dimensional understanding of consciousness requires a 4 dimensional level of awareness”

“Fighting an ‘inner war’ against ‘external pathogens’ disallows inner peace”

“Being the equal of what I choose to manifest requires the emotional power of balanced gender, the mental authority of a true polarity and the pure potential of a neutral intensity”

“Three opportunities open to everyone: 1. Stand in your own sovereign authority. 2. Take back your own emotional power. 3.

Enable your own ideal experience of life”

“Learning to accept my aches and pains as a gift, is one of my best lessons”

“Let go of the past, which in the past, you failed to let go of”

“You cannot teach 5 Dimensional Conscious-Awareness from the perspective of 4 Dimensional Awareness alone”

“When I don’t see it, I don’t get it”

“Shadow is the affect caused by the id blocking the light of the entity from the ego”

“When the light is outside of me, I cast a shadow”

“When the Light comes from within me, I cast no shadow”

“Intuitives are sensitively-emotionally-connected”

“Intellectuals are exclusively-rationally-detached”

“Intuitive-Intellectuals are emotionally-rational, exclusively-connected & sensitively-detached”

“It is my destiny to unite the authority of my free will with the power of my essence”

“My essence is the essential nature of my power”

“My free will is the natural essence of my authority”

“Integrity flows with congruency”

“When my integrity is congruent, my life flows effortlessly”

“When my integrity is effortless, I am congruent”

“When thought is coherent, emotion is congruent and experience is creative”

“Inspired action is empowered”

“The path of the Individual Self is the expansion of the Collective Soul through the Evolution of Creative Consciousness”

“The Holy Grail of 5D Unity Christ Conscious-Awareness as an experience is the Communion of 3D male, rational, intellectual, thoughtful physical consciousness with 4D female, emotional, intuitive, feeling of spiritual awareness”

“My clearest intention is to clarify my intentions”

“Heal the mind, heal the emotions, heal the body”

“An Intellectual’s ability is distorted by other people’s mental beliefs”

“An Intuitive’s ability is distorted by other people’s emotional feelings”

“An Intuitive has a lot of clarity but no direction”

“An Intellectual has a lot of direction but no clarity”

“An Intuitive has power without authority”

“An Intellectual has authority without power”

“An Intuitive is Heart centred”

“An Intellectual is Mind centred”

“An Intuitive has knowing”

“An Intellectual has knowledge”

“An Intuitive learns lessons”

“An Intellectual teaches lessons”

“Calling an over-sensitive person an Empath is like calling a sympathetic person compassionate”

“Authority is the choice of a sovereign entity”

“Endorsement signifies approval”

“Approval endorses authority”

“Ability is acceptable when approval authorises a choice”

“The approval of a sovereign entity is the expression of joy”

“Contentment is the expression of an acceptable choice”

“The approval of an acceptable allowance is expressed as the joy of content fulfilment”

“A Sovereign Entity is essentially free”

“Freedom is the essence of sovereignty”

“The freedom of a sovereign entity is choice”

“Wisdom is the essential nature of choice”

“There is no freedom without wise authority”

“We are all slaves to an authority without wisdom”

“Freedom is healthy when wisdom is wealthy”

“Wealth is a measure of the magnitude of an emotionally empowered feeling”

“Health is a measure of the experience of grounded physical potential”

“Wisdom is a measure of the force of a mentally inspired thought”

“The Intellectual Professional Establishment has great difficulty in recognising Caring as a Profession”

“The singular cause of all the trouble in the world is an Individual’s perspective that what is occurring in their life is a problem”

“A Directive Culture sees feedback as a negative complaint”

“A Consultative Culture sees feedback as a positive opportunity for improvement”

“Few people have the emotional power to make their own authorised choices”

“There are no straight lines on a donut”

“A Torus ensures that every energy system is curvy-linear”

“A democratic vote is only valid in a democratic system”

“Neither Capitalism nor Communism is a democratic system”

“There is no difference between a western capitalist democracy and an eastern communist democracy, they are both oxymorons”

“Our true nature is alien to most people”

“Incommensurability is the quality of uniqueness”

“I cannot compare my uniqueness with yours, therefore I cannot measure my uniqueness”

“I cannot be more or less unique than you but I can be more or less different”

“Being different doesn’t make me unique”

“I can compare & measure difference but not uniqueness”

“Force is continuous or impulsive”

“Magnitude is alternating or oscillating”

“Potential is a continuous alternative of impulsive oscillations”

“An inspired revelation of Thought is an impulsive oscillation”

“A convicted belief of Thinking is continuously alternating”

“I have a choice of directive thinking or alternative thought”

“In Science, spirituality is not applicable”

“In Religion, being scient is not applicable”

“Getting out of our own way emotionally is getting in my own way emotionally”

“Being at One with other people requires that I am already at one with my Self; and so are they”

“At one with my Self, I attract others who are similarly attractive”

“Truth is current & direct”

“Belief is currently alternating”

“The immutable quality of incommensurability”

“Causing negative affects is not effective”

“The power of the Divine Female is inert without the authority of the Ideal Male”

“A Field is a two dimensional perspective of a three dimensional space-time-reality”

“Confidence is certain faith in one’s own ability”

“The Role of a Champion is to show every opponent how good they have to be, to be a Champion”

“Having is a provision”

“Doing is a procedure”

“Being is an application”

“Unless I face the Light, my face will reflect my shadow”

“Unless you face the Light, my face will reflect your shadow”

“Strength is a measure of force”

“Power is a measure of magnitude”

“Gentleness is a measure of potential”

“A shift in my perspective allows a shift in my timeline”

“The link between Covid & Altzeimers is the lack of sovereign authority”

“Solomon’s Paradox leads to the blind leading the blind”

“Vibration is the matter of energy in motion”

“Aether is the source of energy without any matter in motion”

“Aether is a vibration with an imperceptible frequency or wavelength”

“Aether has an infinite wavelength and an eternal frequency”

“Aether is a potential without force or magnitude”

“Aether is a life without love or light”

“Aether is an unconscious unawareness, without thought or emotion”

“Quintessence is quintessentially the essence of five dimensional conscious-awareness”

“Gender is an experience of the separation of an energy vibration into a wavelength & a frequency”

“Polarity is the discernment of whether the gender of a vibration is beneficial or detrimental”

“An Objective Reality is a perspective formed from other people’s beliefs, which is objectionable”

“A Subjective Reality is one in which I am the subject of and subjected to my own perspective”

“The Power of the Mind is Emotion”

“I jump to a better timeline when I improve my perspective of reality. I cannot improve my reality by jumping a timeline”

“My perspective improves when I perceive it to be better”

“My perception improves when it feels better”

“Feeling better is the emotional power to change a perspective”

“Solving other people’s problems is not beneficially serving them”

“Taking one’s medicine is accepting one’s deserved punishment”

“A taste of one’s own medicine is receiving a detrimental action that one has previously given out”

“A dose of one’s own medicine is called self healing”

“Truth is a perspective, which aligns with the facts of a beneficial personal emotional experience”

“Reality is the experience of a personal perspective, in alignment with a personal mental belief”

“Fact is a true perspective of the experience of a personal physical reality”

“Life is emotionally true or false; mentally real, surreal, virtual or unreal; & physically factual or fictitious”

“The Magic Pill is a placebo.
Everything else is a Poison Pill”

“There is no scientific proof that the Human Immunodeficiency Virus (HIV) exists”

“There is no scientific proof that HIV causes AIDS (Auto Immune Deficiency Syndrome)”

“There is no scientific proof that Immune deficiency is caused by a virus”

“Immunity is efficient when self healing is promoted”

“Self Healing exempts individuals from chronic dis-ease”

“Immunity from chronic illness is attained when acute illness is allowed to heal itself”

“Retroviruses are an affect not a cause of disease”

“RNA is the communication system under which DNA operates and the

operating system through which
DNA communicates”

“Love thy neighbour, not their hubris,
arrogance, bigotry & greed”

“The way to overcome conflict is to
confront it”

“Confronting contrasting genders and
opposing polarities overcomes
conflicting perspectives”

“Greedy people are needy people
who project their unpleasantness
onto anybody who does not fawn or
please them”

“For most people, their
incompetence is unconscious”

“Until I am conscious of my incompetence, I cannot become conscious of my competence”

“Making someone aware of their unconscious incompetence allows them to become conscious of their incompetence, which creates an opportunity for them to become consciously competent”

“There is no New World Order. It always has been and always will be in alignment with the Law of Attraction and the Golden Rule”

“After 2,000 years of the Piscean Age of Comfort & Security, why are hospitals & prisons so overcrowded

and so many people still trying to survive a dangerous & uncomfortable existence?

“Divine Masculine Energy is the Wellbeing of Detached, Rational, & Exclusive Empathy”

“Divine Female Energy is the Happiness of Sensitive, Emotional & Connected Compassion”

“Divinity has potential without polarity, it is always beneficial”

“A positive test for HIV reveals an antibody or immunity presence of a viral antigen named immune deficiency”

“The only thing that is viral in HIV positive people is the negative belief

that they have an untreatable deadly disease”

“In a blame & compensation culture, people cannot afford to admit when they are wrong”

“Accusing others of incompetence is an expression of one’s own incompetence”

“A Free Press is free of the dogmatic agenda of an elite ownership and governmental control”

“I am being Exclusively Connected”

“Thou art being Emotionally Rational”

“They are being Sensitively Detached”

“Everyone means well; until they screw up, become unkind and just plain mean”

“Sovereign Choice is only a Human Right when it is exercised”

“A Right is a sovereign choice that is neither deferred nor suppressed”

“A neutron is the neutral dark energy of inertia”

“A proton is the positively spinning dark matter of a hyperbole vortex”

“An electron field denotes the boundary of a light energy torus”

“The electron field of a human light energy torus is its aura”

“A one dimensional perspective of an aura is a halo”

“Electron, proton & neutron are the three dimensions of a quanta of energy materialised”

“Intellectuals believe intuition to be a best guess but a best guess is intellectual, not intuitive”

“Emotional Intelligence allows discernment of what is beneficial for one's Soul”

“Rational Intellect allows judgment of what is good or bad for oneself”

“True Selfishness aligns with the Soul’s direction, support & provision”

“Ego selfishness is greedy and requires others to be unselfish & pleasing”

“Every Spiritual Gift is Intuitive”

“Intuition is the spiritual gift”

“My Soul never puts its Self at risk. It leaves that choice to its Self”

“We regulate with regulations to enforce regularity, to ensure normality”

“Regularity is normal when normally regulated, but not natural”

“Controlling the flow, resists the flow”

“Mortal is a Being trapped in a cycle of life & death”

“The fact that fear spreads as a viral pandemic is evident, whilst the belief that a live virus is the cause, remains unproven”

“Being infected with a pandemic belief can go viral”

“The cause of all viral infections is a fear or negative belief”

“Debris is evident at every bomb site, yet it is not the cause of the devastation”

“Inflammation is evident at the site of every disease, yet it is not the cause of the infection”

“From a physical perspective: Things appear to exist the way they appear to exist”

“From a spiritual perspective: Things do not appear to exist the way they actually exist”

“Vidence is the measure of the velocity of the revolutions of a vortex. It is relative to the frequency, wavelength & vibration of its torus”

“Frequency, wavelength, vibration & vidence are the 4 dimensions of a toroidal hyperbole”

“The exaggeration of the torus causes an inaggeration of the vortex”

“A Vident vortex is relative to the vibrational frequency & wavelength of the torus”

“What physical happens is relative to what mentally occurs”

“Realisation is a mental occurrence”

“Occurrence is the optimum capacity of a current of thought energy”

“People who hate what others are doing to them are making it a crime to hate other people”

“Some mortals begin their death cycle at an early age”

“Quintessentiality is the reality of the quality of our essentially five dimensional nature”

“Each individual Star is the light at the end of the tunnel through which each Individual is journeying through life”

“We are all reaching for the stars to be the star at the end of our individual journey”

“Awareness is the quality of three dimensional consciousness”

“Conscious-awareness is the quintessential quality of five dimensional Beingness”

“Bringing information to life is the purpose of a life in formation”

“With Respect means: I see your perspective but offer my own different perspective”

“Every Story is a fiction made up of many facts”

“It is the mystery of a fact that makes the story compelling”

“The emptiness is a mystery”

“The fullness allows fulfilment”

“There is no fulfilment in the emptiness”

“The emptiness cannot reveal the answers to the question of fulfilment”

“A Soul-less life is an oxymoron. Without the soul, there is no life”

“Without an operating system, the computer cannot compute”

“Without a Soul, a human cannot Be”

“Inhumanity is a measure of an individual's disconnection from their source”

“The knowledge we have is only as good as our ability to use it”

“Eros is the love of opposing genders”

“Philos is the love of like polarities”

“Agape is the wavelength of pure emotion and the love of divine potential”

“Every personal unique & individual reality has its own exclusive potentiality”

“My potential is exclusively mine”

“Potential has a subjective reality”

“Objective reality disallows potential because objects have a reality with no potential”

“The more we delve into the mystery of life, the more mysterious it becomes”

“Exclusivity & inclusivity are a choice of adjective activity, not objective or subjective reality”

“Mentality, physicality, emotionality & spirituality are all choices of adjective reality, not objective or subjective activity”

“When mental programmes are corrupt, physical activity is negative, emotional experience is detrimental & spiritual growth is blocked”

“When mental beliefs are true, physical activity is positive, emotional experience is beneficial & spiritual growth is expansive”

“Infinity is eternally present in the gap of space”

“Eternity is infinitely present in the now of time”

“Continuity is continuously present in the reality of space-time”

“Enlightenment is the attainment of a divine choice of human experience”

“Enlightenment is the experiential choice of a divine human attainment”

“Enlightenment is the divinity of the experience of attaining human choice”

“Cognitive Dissonance can be seen as a problem to solve or a lesson to learn”

“Cognitive Resonance is an opportunity of choice. I resonate with that choice because it intuitively feels good”

“Cognitive Bias ensures the survival of our cognitive dissonance”

“The sub-conscious mind is programmed to ensure its own survival”

“I choose to favour my enlightened cognitive resonance, in preference to the bias & prejudice of my cognitive dissonance”

“There is a road map to guide me on any physical journey that has already been explored”

“The blue-print for my life-path is exclusively, uniquely, individually & personally mine”

“My life map will guide others on my journey, not theirs”

“My spirit guide knows my chosen path”

“A spiritual teacher only knows their own path”

“Integral reductionism follows the premise that everything comes from something”

“Integral expansionism follows the concept that everything comes from nothing”

“Integral Individuality conceives one individual source for everyone”

“A four dimensional perspective can be deceived by an emergence of two dual reality choices”

“Four dimensional conscious-awareness has no duality of perspective & perception”

“A Two dimensional perspective has no duality of consciousness & awareness”

“A three dimensional choice allows a perceptive awareness of a conscious perspective”

“Two dimensional consciousness has no emotional feeling of its mental thinking”

“Three dimensional consciousness is aware of how intense a thought feels”

“Four dimensional conscious awareness has an emotional perception of every mental perspective”

“We cannot unite anything, including ourself, with oneness. There is nothing separate from oneness to unite”

“Truth is an objective, with no objective truth”

“The flaw in every theory is that it’s just a theory”

“A theory is an explanation of a group of facts that appear to be real”

“A Theory of Fear explains how false evidence appears real”

“I never agree with someone else’s biased perspective, neither do I conflict with it”

“My perspective is always favourable & preferable, never biased”

“I always prefer my third choice, which is always certainly favourable”

“I favour Grace because it is full of favour”

“Relative truth is relative to who told me it’s true”

“Absolute truth is my alignment with the path of my destiny”

“The objective of truth is a subjective alignment with a most beneficial reality”

“A subjective truth reveals an objective”

“An objective truth is an oxymoron”

“A Concept is conceived through imagination”

“A Theory is formulated from existing facts”

“If you have an opinion, you have a perspective based on a belief system, which is a sense of self called the ego”

“Being ego free is a perspective of the ego”

“Overcoming the ego is an intention of the ego”

“Overcoming the distortions of the id is an intention of the ego”

“In a world of choice, without an ego choice, there is no choice”

“Transcending the ego, transcends choice”

“Transcending choice is a choice of those who find choosing difficult”

“The freedom to cross another’s boundaries will compromise our own security and our own freedom”

“Mindfulness is a perspective of the ego”

“Success or failure is a level two emotional perception”

“I succeed or fail by who I am being, not what I am doing”

“We are all authorised to succeed, but we are not all empowered to succeed”

“Who I am being in relationship to others is reflected in how others relate to me”

“Creating my own reality is being a divine creator, not God”

“God is the creator of a singular reality, not a quintessential reality”

“The creator of a singular reality created nothing”

“When life happens through me, I allow death to happen through me; with my acceptance & approval”

“An established, organised institution is an organised, instituted establishment & an instituted, established organisation”

“Power is instituted, authority is established & ability is organised”

“An Institution has the power, an Establishment has the authority & an Organisation has the ability”

“An Organisation requires both power & authority to become an established Institution”

“Physical actions are organised,
mental beliefs are established and
emotional feelings are instituted”

“The more I react from fear, the less
competent I become”

“Singularity & Duality is a duality”

“Non-duality & Duality is a duality”

“Singularity & Non-duality is either a
duality or a simile”

“Singularity is relative to absolute
truth”

“Duality is relative to relative truth”

“Non-duality is either absolutely
relative or relatively absolute”

“Absolute & relative are a duality”

“Absolute relativity is expansive”

“Relative absolute is contractive”

“An expansive contract is absolutely relative to each individual Self”

“Absolute is total inclusivity or total exclusivity. It is a duality of everything & nothing”

“Relative is something between everything & nothing, exclusive & inclusive, subjective & objective. It is a duality of anything”

“The third way between everything & nothing is something”

“The third way between expansion & contraction is an expansive contract”

“The third way between relative & absolute is relative absolute”

“The third way between reclusive & inclusive is exclusive”

“The third way between objective & subjective is adjective”

“The third way between natural & normal is special”

“Something special for the Human species is the relative absolution of an expansive contract to become exclusively adjective”

“Meditating for nothing will attract just that experience”

“Meditating for something known will attract a wise knowing”

“Meditating for something unknown is not wise”

“An answer cannot arrive until a question is asked”

“A 2 dimensional perspective allows a relative experience of dual reality”

“A 3 dimensional perspective allows a divine experience of triune reality”

“A 1 dimensional perspective allows an absolute experience of bliss, ecstasy & euphoria”

“In a relative duality, retribution can mean reward or punishment”

“In a Divine Triality, retribution is certainly advantageous & beneficially expansive”

“Divine Feminine is an experience without exploration or discovery”

“Divine Masculine is an exploration & discovery without an emotional experience”

“When the female energy of freedom unites with the male energy of growth, we are free to grow our freedom”

“When trying to describe nothing, I am not saying anything”

“It is not possible to put the experience of nothing into words”

“Unconscious incompetence is an instinctive reaction”

“Conscious incompetence is an unintelligent action”

“Conscious competence is an intellectual pro-action”

“Unconscious competence is an intuitive response”

“Flow is enabled in the zone of intuitive competence”

“I intuitively know that my competence is super-conscious”

“Loneliness is the negative feeling caused by a belief that my needs are unmet by other people”

“Aloneness is the positive feeling of meeting one’s own emotional needs”

“All-oneness is the experience of compassionate empathy with one’s Soul”

“The meaning is in the balance, which always feels good because it has a purpose”

“I know it’s right because it has a reason and I feel it’s right because it has a purpose, when I see the meaning is in the balance”

“There is but One Soul with many levels of mental consciousness & many experiences of emotional awareness, on many journeys through physical life”

“Physical life is relative to the emotional experiences of a singular mental perspective of consciousness”

“In a non-physical reality, the first dimension has no density and no physical reality”

“The 2nd dimension has one spiritual density but no physical reality”

“Unconscious intuitive emotional competence requires a sub-conscious instinctive mental capacity”

“In the search for non-duality, there is nothing to find and nothing to lose, which is a duality”

“In the search for anti-matter, there is only matter to explore, discover & experience”

“In the search for non-duality, there is only duality to explore, discover & experience”

“The benefit of every paradox is that it cannot be preached as a doctrine”

“Paradox is a philosophy that is an anathema to both religion & science”

“Each level or strata of consciousness has its own strategy”

“Deism is a rational theological revelation of god”

“Theism is an intuitively inspired revelation of god”

“Atheism is the intellectual rejection of theism”

“Gnosticism intuitively knows the existence of god”

“Agnosticism intellectually denies the existence of god”

“Non-duality intuitively denies the existence of Self”

“Oneness intuitively denies the existence of the ego”

“Singularity has no view on anything and a view on nothing”

“Mind is the Soul in tension with a sole Intention”

“Bad things only happen to you from the lowest level of mental perception”

“Good things never happen to me,
always through me when I allow
them to”

“In a relative duality, the closer I get
to the truth, the further away it
becomes”

“There is Glory in my distinction and
there is Grace in my heart, when
there is Mercy in my life”

“Modesty is allowing our
achievements, accomplishments &
attainments to speak for our Self; as
this is the best way”

“Exploitation happening by me is
advantageous”

“Exploitation happening to me is victimhood”

“Exploitation happening through me is expansive”

“Being exploited is a problem”

“Not being exploited is a challenge”

“Exploiting an opportunity is advantageous”

“An indivisible whole made of pure consciousness is non-reality, not non-duality”

“Pure Consciousness is an oxymoron because every thought has a biased perspective”

“Awareness is a pure emotional feeling”

“Prosperity is the affect of abundance, not the cause”

“Prosperity is the attainment of wealth”

“Abundance is the feeling of wealth”

“Providence is the source of wealth”

“It is the providential source of abundant wealth that allows prosperity to flow”

“Providence provides the opportunity to flow with an abundant wealth of prosperity”

“There is a wealth of abundant potential called providence awaiting my personal flow of prosperity”

“When ease is comfort, my zone is restricted by security”

“When flow is effortless, my zone is safely free of security”

“Science explores the Nature of Human Reality”

“Spirituality explores the Reality of Human Nature”

“A duality of female love & masculine light is the duality of a choice of gender for life”

“A life of positive love or negative hate & positive light or negative darkness is the duality of a choice of polarity”

“Without the duality of love & light, there is no life”

“Without thought & feeling there is no experience”

“Without frequency & wavelength, there is no vibration”

“Without space & time, there is no reality”

“Without eternity & infinity, there is no continuity”

“Duality is a relative choice. It is relative to the polarity of a frequency of mental thought & the gender of a wavelength of emotion”

“Non-duality is an absolutism that cannot exist in a relative dual reality experience”

“Non-duality is a singular definition which has no single definition”

“The attainment of knowledge is either an actual or a potential experience”

“Intellect is the processing of the classical information of cause & affect”

“Intuition is the effect of quantum information”

“Quantum Entanglement is how the Soul communicates with its many Selves”

“A classical question causes the affect of a classical answer”

“A quantum question effects an intuitive inspiration”

“Oneness is a supra-conscious essence aligned with a super-conscious quality, consciously attained and sub-consciously attributable”

“Mercy is the quality of Aliveness of the attainment of awakeness, awareness & alertness”

“Glory is the quality of the Effortlessness of the attainment of goodness, grace & gentleness”

“Excelsis is the quintessential quality of distinction of individuality, uniqueness & exclusivity”

“Hallelujah is the quality of the appreciation of the attainment of power, authority & ability”

“Eureka is the quality of gratitude of the true value of exploration, discovery & experience”

“I exist in the domain of other people until I live in the dominion of my own sovereign choice”

“The generation of ideas becomes the ideas of a generation”

“Generation energises ideas into form”

“Generation is the current form of energetic ideas”

“Reality is the experience that we are each creating in space & time, with the frequency of the wavelength of our vibration”

“The reason for Will Power is to get back into flow”

“It is fear & need that takes us out of flow, not Will power”

“I can be aware of my consciousness once I become conscious of my awareness”

“Without reason, meaning & purpose, there is no destiny. Without destiny there is no fulfilment. Without fulfilment there is no true happiness”

“Consciousness is relative to thought & mind”

“Awareness is relative to feeling & emotion”

“Conscious-awareness is relative to body & experience”

“With no body, there is no experience, no consciousness, no awareness, no thought, no feeling, no mind, no emotion”

“Consciousness is relative to awareness”

“Absolute consciousness is an oxymoron”

“Knowledge is relative to consciousness”

“Awareness of consciousness allows a knowledge of consciousness”

“Awareness only materialised in the 3rd Age”

“Without awareness, consciousness remains the hard problem of both philosophy & science”

“The only way to prove the existence of potential is to realise it”

“To say that reality comes from the Aether is like saying a pot comes from clay”

“I cannot renounce or deny my sense of Self as a viable way to know my Self”

“I cannot know who I am without experiencing who I am in relationship to who I am not”

“The purpose of relationship is to see in others the aspects of my Self that are not a true reflection of my own sovereign choice”

“Solitude facilitates soulful learning”

“It enables the study of the Soul”

“It is the quality of a studious Soul”

“It allows the Soul to study its Self”

“Is-ness is a singular third person perspective of objective Beingness”

“I am-ness is a singular first person perspective of subjective Beingness”

“Thou art-ness is a second person perspective of objective perception”

“Id-entity is a first person individual perceptive alignment with adjective Beingness”

“Intense Love is an oxymoron”

“Real life is a duality of love & light individually experienced in time & space, through thought & emotion”

“I am a subjective object pursuing an objective subject”

“The subject of my objective is to know my Self”

“The subjective object is my Self”

“Worldwide problems are the affect of negative global paradigms”

“Gaia Theory states that the Earth controls its surface & atmosphere to

keep the environment always benign
for life”

“When we nurture the Earth, it
nurtures us in return”

“When we exploit the Earth it
exploits us in return”

“Obfuscation means confusion &
unenlightenment”

“Agnostic means I don’t know. It
means I am intuitively disconnected”

“Entropy can be malignant or
benign”

“The Earth has but one purpose: To
support a life of choice”

“In the support of living choice,
abundant beneficial opportunities
are always available, as well as
abundant detrimental problems”

“The Law of Attraction is the means
through which choice is delivered”

“Light is the 4th dimension of mind,
thought & consciousness”

“Love is the 4th dimension of heart,
feeling & awareness”

“With conscious-awareness, life
becomes four dimensional”

“The Intensity of Life is a vibration of
frequency & wavelength, divided by
polarity & gender”

“Economic Growth is only important to the Elite, who manage & benefit from the economy of the general populous”

“It is a growing economy that keeps workers employed for the benefit of their employers”

“Care, kindness & consideration are attributes of objective love”

“Ideally, Life is a vibrational experience of thought frequencies called Light, with emotional wavelengths called Love”

“Generally, life is a slow death due to the negative frequency of polarised thinking of false beliefs expressed with wavelengths of a

divided gender of needy emotional feeling”

“Non-dualism is a belief system that reprograms the intellect to believe that it has no identity and doesn’t really exist”

“Non-dualism has a physical focus on a non-physical experience of oneness”

“Non-dualism is oneness without integrity”

“Duality is a reality in which non-duality is either unreal or surreal”

“Every vibrational Entity in space & time has a wavelength & a frequency”

“The Three E’s of the 4th Dimension are: Enlightened Efficiency, Enriched Effectiveness & Enhanced Effortlessness; which Enable Emotive Expression”

“Triality means a Life of Love & Light”

“Singularity is the non-existence of time & space”

“There is no love or light in a life of non-dualism”

“Love & Light is a duality of Life”

“Space & Time is a duality of Reality”

“There is no real life in the singularity of one consciousness”

“The singularity of consciousness is unconsciousness”

“The duality of consciousness is sub-consciousnesses & super-consciousness”

The Triality of consciousness is conscious, sub-conscious & super-conscious”

“The Quality of consciousness is Supra-conscious”

“The Quintessential nature of consciousness is the essence of Awareness”

“Singularity only exists as a duality of one or two choices. I have either one singular choice or a duality of two opposing choices. Without the duality of choice, singularity cannot exist”

“Non-dualism has no polarity & no direction, so there is nowhere to go and there is no journey”

“An individual journey requires a direction which has a choice of polarity, which is a duality”

“Non-dualism is a collective journey to nowhere, with nothing, in no time at all”

“Wisdom has no polarity”

“Knowledge has no polarity”

“Perspective has polarity”

“Belief has polarity”

“When I stop looking and start listening, I become a Finder instead of a Seeker”

“Contentment is a pure vibration of joyful fulfilment”

“Health is a pure vibration of wise wealth”

“I am well happy with my healthy contentment”

“The Paradox of Philosophy is that Philo is female love and Sophia is male wisdom”

“A Paradox is a contradiction that is true”

“An Oxymoron is a contradiction that is false”

“Emotional Energy of Space has three dimensions of frequency, wavelength & vibration and a gender of male

conscious-awareness or female
sensitive-feeling”

“Physical Matter of Reality has three
dimensions of length, breadth &
height and an intensity of traumatic
drama or a stable potential
experience”

“Mental Motion of Time has three
dimensions of speed, time & distance
and a polarity of positive thought or
negative thinking”

“Flow is neutralised polarity”

“Force is male & magnitude is
female. Together they have potential,
separated they cause intensity, which
is resistance”

“The potential of flow is a neutral polarity & a balanced gender”

“Consciousness is the motion of vibration”

“Potential of consciousness is ability”

“Thought is the energy of frequency”

“Force of thought is authority”

“Mind is the matter of wavelength”

“Magnitude of mind is power”

“Consciousness enables”

“Mind empowers”

“Thought authorises”

“Spiritual Density is a range or phase of thought within a dimension of consciousness of the mind”

“Mind is the Creator”

“Consciousness is the Creation”

“Thought is the Creativity”

“The creation mistakes the creator as consciousness”

“The creator knows the creation as consciousness”

“A thought is an intuitive knowing”

“Thinking is using intellectual knowledge”

“I think for my Self even though I have a thoughtful Soul”

“Earth is a University of Consciousness, where Universal Consciousness doesn't exist”

“The Self sees only one timeline”

“The Soul sees all possible timelines instantaneously”

“The relative dual reality of space-time allows an infinite choice of experience”

“In a space-time-reality with a vision, mission & purpose: Where is my space? When is my time? What is my reality? Which is my mission? Why is my purpose? Who is my vision?”

“My vision is to be enriched, enlightened & enhanced with the power, authority & ability of love, light & life”

“The creator is the subjective I, the creation is the objective me & the creativity is the adjective self”

“The connected soul entity creates a disconnected individual id so the exclusively creative ego self can create its own identity”

“The creative ego self, aware of its sensitive intuitive senses, creates a detachment from other disconnected egos”

“With the instinct of the id, the intuition of the soul and the intellect of the ego, conscious-awareness becomes my emotionally intelligent identity”

“It is the wealth of my emotion that enriches the enjoyment of my life”

“It is the wisdom of my thought that enlightens the fulfilment of my life”

“It is the health of my experience that enhances the content & the contentment of my life”

“Thinking can be positive, negative or neutral”

“Thought is always certainly beneficial”

“Every time I make a distinct choice, I cause a duality to exist because that choice is distinct from any contrasting choice”

“Without duality, there is no contrast; without contrast, there is no

distinction; and without distinction
there is no choice”

“I choose a Triality of Duality,
Quality & Quintessentiality”

“With which sense am I sensing my
Self and which Self am I sensing?”

“Conscience can be intellectual &
intuitive”

“The Sun shines on the Path of
Righteousness and enlightens those
on their right path”

“Darkness befalls the sanctimonious”

“It is never wise to tell other people
to follow your path as their path”

“There is no sense of duty and no sense in duty”

“What the IMF calls a ‘normalisation of policy’ is a centralisation to IMF policy by the increasingly centralised Central Banks”

“Central Banks who refuse to be centralised, become marginalised with a high risk of Bankruptcy”

“True based on trust is intellectual”

“True based on faith is intuitive”

“When I ask is this right, I am really asking is this wrong”

“When I feel this is right, there is no question, it is!”

“My life is travelling directly towards me and when it passes straight through me, without resistance or entropy, I am in alignment & on track”

“My ego is my conscious sense of Self”

“My entity is my sense of Self, of which I am aware”

“The Desert is where I feel deserted, disconnected & abandoned”

“Space is the medium in which reality is stored over time”

“Time is the medium in which reality is experienced continuously”

“Appreciation is the driving force of expansion”

“Potential is the latent magnitude of expansion”

“Aether is the creative element of expansion”

“The ego wants to use the Law of Attraction to get what it wants”

“The intellect uses the Law of Attraction to understand why it is getting what it doesn’t want”

“An Agapeologist studies gentle kindliness & kindly gentleness”

“Unconscious incompetence disallows the capacity to see our own incompetence”

“Until I become conscious of my own incompetence, I do not have the capacity to become competent”

“Envy is a desire that is without the care, generosity or consideration of kindness for others”

“Medical Science calls Self Healing regression to the mean”

“A Placebo has a positive meaning effect”

“Meaning has both emotional balance & mental definition”

“Misdirection is the absence of poise, with the inability to pivot”

“Pivot, poise & presence prefix poignance”

“Goodness, Grace & Gentleness allows the quality of Elegance”

“Real balance is between spacial awareness & conscious timing”

“Psysensing is intuitive learning with my inner tutor”

“I choose to relate to other people in the way that my Soul relates to my Self; with sensitive detachment”

“I choose to relate to my Soul in the way that my Soul relates to my Self; with exclusive connection”

“I choose to relate to my Self in the way that my Soul relates to its Self, with emotional rationale & rational emotionality”

“A Predator or pre-dater, pre-dates the 2nd age of comfort & security”

“A Predator only fits into the 1st age of the survival of the fittest”

“A Predator has the instinct of fight without the instinct of flight”

“A Bird of Prey uses the instinct of flight to avoid the instinct of fight”

“A Bird of Prey has no predator”

“A Human can be both Prey & Predator, until they become enlightened, enriched & enhanced”

“A Flotation Tank removes the intellectual senses and neutralises the instinctive senses, to allow access to the intuitive senses”

“Instinctive senses measure a change in personal environment”

“Physical senses measure the existence of a personal environment”

“Intuitive senses create a beneficial environment”

“Eternity has no ultimate reality”

“Infinity has no absolute reality”

“Continuity ensures actual reality is eventual”

“Eventuality is ultimately absolute and absolutely ultimate”

“Continuity disallows an eventual ultimate absolute”

“Is Unividual a paradox or an oxymoron?”

“Logos is guidance”

“Agape is support”

“Male Authority is the vortex of guidance”

“Female Power is the torus of support”

“Every male vortex has a female torus”

“The Ball provides the string and the String provides the ball”

“The Button needs a hole and the Hole needs a button”

“In the Big Picture of Life, if the Soul is the Director, who is the Producer”

“A Film is a two dimensional direct production”

“Life is a three dimensional reproduction of an indirect creation”

“Mind is the camera, Thought is the picture, Consciousness is the lens (focus)”

“Kindness of caring, consideration & generosity is all positive Philos but it is not pure Agape”

“When I focus on kindness, I am driven by envy”

“When I focus on humility, I am driven by pride”

“When I focus on poverty, I am driven by gluttony”

When I focus on love, I am driven by lust”

“When I focus on pleasing others, I am driven by my own greed”

“When I focus on humble meekness, I am driven by the arrogant wrath of my impatient anger”

“When I focus on diligent duty, I am driven by idle sloth”

“Consciousness is the essential nature of Awareness”

“Mind is the essential Experienter of Awareness”

“Thought is the essential Experience of Awareness”

“Awareness is the infinite & eternal nature of continuous Existence”

“Destroying the potential of all possible outcomes is the construct of one definite actuality”

“The Paradox of construction & destruction”

“A particular actuality has condensed down to only one definite possibility”

“The id is the definitive constructor of actual experience”

“The ego is the destroyer of infinitive experiential potential”

“The Entity is the creator of the entirety of infinite potential experience”

“When flux has flex then strength has resilience”

“When force is gentle it is fluid”

“When power endures, stamina flows”

“When stamina endures it has flair”

“A gentle force of resilient strength allows power to flow and stamina to endure”

“A mindful force in a resilient body flows with the powerful emotion of spiritual flair”

“Abundance has no budget”

“Winners love trials”

“Horses love trials”

“Losers hate trials”

“Convicts hate trials”

“The existence of wellbeing
influences the experience of
happiness”

“The existence of destiny influences
the experience of life”

“The existence of a 3rd Way
influences the experience of choice”

“Happiness is my choice in life”

“Wellbeing is the destiny of a 3rd Way”

“Unique is a singular, sole, oneness”

“Exclusive is totally whole & complete”

“Individual is separate, special & distinct”

“Personal is particularly subjective, individual, unique & exclusive”

“A War is a conviction that we die fighting for or a fear that we flee from. In war we either run or fight, to live or die”

“A Game is what we participate in to run or fight without dying. In a game, we either win or lose our pride, not our life”

“Technology is the art of skilful application of science. It is the study of the technique of efficient & effective application of knowledge with skill”

“Life is an influential, experiential, existence”

“Love is an existential, influential, experience”

“Light is an experiential, existential, influence”

“Technology is present when science is scient & art is potent”

“Only people with nits, pick”

“You can’t dig yourself out of a hole”

“The evolution of the Soul is not linear”

“Weird, quirky & freaky are neither normal or abnormal”

“Unique is neither normal nor abnormal”

“God created Man in his imagination for Man to create God in his imagination”

“God is whoever I imagine God to be”

“I imagine God to be a divine state of Being that I state to be divine”

“I am like everyone else in this world when I see everybody else in this world is unlike me”

“Everyone is like me when I believe that everybody is different”

“Whenever someone believes that they are adrift in the ocean without a rudder or a propeller, God always sends a life-boat”

“Awakened unconscious competence requires the capacity of awakened awareness”

“Mental consciousness requires emotional awareness”

“Many doors on my path appear shut but none are locked”

“I lose the path between C & D because it is CloseD”

“We travel through space, one reality at a time”

“We can make our own rules or follow an external ruler”

“Our path can be straight & narrow or wide & winding”

“Nature is a conscious potential”

“I am devoted with my own emotional potential”

“Potential is always potent, never impotent”

“Impotence is relative to intensity”

“I am motivated by anyone who meets my emotional needs”

“I am self-motivated by meeting my own needs”

“I am empowered to do what I am inspired to do because it feels good”

“A good feeling is empowered by a positive emotional state of being”

“I am empowered with the attainment of quality attributable emotional states of being”

“I cannot empower another with a quality attributable attainment”

“I subjectively cause the objective effect of an adjective experience when I mentally choose an effective emotion with a positive feeling”

“We discover our physical reality by exploring what it is”

“We discover our spiritual reality by experiencing what it is not”

“Spiritual Energy is a mental thought with an emotional experience of physical existence”

“Physical energy is called fuel, which is destructively powerful”

“Spiritual Energy is called the emotional love of mental light in physical life”

“Spiritual Energy fuels creative power, which is constructive”

“It is the need for love that stops us loving our Self”

“It is trying to overcome the ego that stops us loving our Self”

“I bring love into my life through the expression of my Happiness & Wellbeing”

“Most observers observe the reality that is inside the box”

“Few observers observe the reality from outside of the box”

“When the Self speaks, the Soul hears; but when the Soul speaks, does the Self hear?”

“When the Self talks, it is not listening and when the Self listens, does it hear?”

“Without the separation of the Self from its Soul, there is no one to listen and no one to hear”

“Whether I listen to my Soul or not, it always hears me”

“Compassion has nothing to do with helping other people, that’s sympathy”

“Passionate people need no help”

“Dispassionate people need your sympathy with their lack of compassion”

“There is only one force, which has a positive & a negative polarity and is either creative or destructive. It is called Thought”

“Negative thinking can be both a strong & a weak force”

“All interactions, strong or weak, are due to pressure mediation”

“Centrifugal Divergence is the east-west magnitude of the torus”

“Centripetal Convergence is the north-south force of the vortex”

“Vergence is the point at which flow both converges & diverges”

“Intensity is relative to speed, time & distance”

“Vidence is the reality of the frequency of time & the wavelength of space”

“When I am being arrogant, hubristic & self-righteous, I choose for others to remind me of my hypocrisy”

“Objective Reasoning is Intellectually Influential”

“Subjective Purpose is Instinctively Existential”

“Adjective Meaning is Intuitively Experiential”

“The Natural World is becoming a victim of the Nature of Man, weather we like it or not”

“Evolution is a process of emergence & devolution is what precedes an emergency”

“Joy is the emotional experience of Happiness”

“Fulfilment is the mental influence of Happiness”

“Contentment is the physical existence of Happiness”

“Choosing Well allows wellbeing to flow”

“Choosing Happily allows happiness to flow”

“Attachment is emotional”

“Connection is spiritual”

“Alignment is mental”

“Happiness is an Effect, which is effective”

“Unhappiness is an Affect, which is caused”

“Curiosity is a cat’s true nature”

“Curiosity precedes creativity”

“Curiosity is creative wonder”

“I wonder is creative curiosity”

“Inner Fluence is my Soul’s influence”

“The Soul is inner fluent with its Self”

“Existentiality is the reality of existence”

“There are two choices of culture, yours and someone else’s”

“A multi-ethnic society is not necessarily multi-cultural”

“Culture is a measure of how a society either grows or stagnates”

“Fruit is not the affect of a tree but a creation of it”

“A tree is not the cause of fruit but the creator of it”

“Does fruit grow on a tree or does a tree grow with fruit?”

“Is fruit part of the tree when it is apart from the tree?”

“Whether fruit is part of the tree or apart from the tree it still matures, then dies”

“Even after the fruit has died the seed that creates a new tree remains”

“All trees grow from seeds but not all trees bear fruit”

“Does the seed grow the tree, does the tree grow the seed or is there another source of growth?”

“Is a wood full of trees or is a tree full of wood?”

“Does the tree seed the wood or does the wood seed the tree?”

“Evolution expands in cycles”

“Revolution goes round in circles”

“I cannot be happy despite other people or in spite of other people”

“Unity consciousness requires the awareness of a personal perspective that is unconditionally accepted & allowed with the approval of everyone”

“My Higher super conscious Mind is my deeper mind”

“My Lower sub-conscious Mind is my shallow mind”

“The power of happiness is in being happy”

“The power of wellbeing is in being well”

“The power of a human being is in being human”

“Enough to survive needs charity”

“Enough to strive wants hope”

“Enough to thrive chooses faith”

“Charity pleases other people”

“Hope pleases myself”

“Faith enhances my Soul”

“Life Coaching is the presence of wise guidance with loving support that provides the enlightened enrichment & personal enhancement of an influential, experiential existence”

“Happiness is emotional thriving”

“Wellbeing is mental thriving”

“Excellence is physical thriving”

“Every incentive is a reward with a contrasting punishment”

“I can choose transparent & accountable or hidden & irresponsible”

“I can make more sense of the world with all twelve senses, instead of just five”

“Insecurity is just freedom in disguise”

“Disallowing someone else winning promotes one’s own losing”

“Allowing someone else to win promotes one’s own losing”

“Allowing oneself to win promotes winning”

“Disallowing oneself winning promotes losing”

“Allowing flow allows winning”

“Resisting flow disallows winning and allows losing”

“When I allow my life to flow, I win”

“When I disallow my flow of life, I lose”

“When I lose the flow of life, I cannot win”

“Win is an acronym for **When IN**”

“Judgment requires rational intellect”

“Discernment requires emotional intelligence”

“Deductive reasoning with inductive meaning allows reductive purpose”

“Conducive conduct allows creative flow”

“An inductive inducement is intuitive”

“Instinctive survival is submissive”

“Intellectual striving is dominant”

“Intuitive thriving is inducive”

“Creative living is compliant”

“Compliance is flexible co-operative abidance”

“I submit to my sub-conscious fate”

“I comply with my super-conscious destiny”

“I comply with the Golden Rule”

“I submit to an external ruler”

“I abide by compliance”

“I cannot abide submission”

“Surrender is compliant, submission is not”

“With obeyance, I comply with my personal sovereignty”

“With obedience, I submit to another’s authority”

“Quintessence is currently Quiescent”

“My Quintessential Nature is Quiescence”

“Quiescence is the acceptance of stillness & accord of passive assent”

“Acquiescence is the toleration of passive dissent”

“Compliance is acceptance through active assent”

“Submission is the toleration of active dissent”

“Praise those who offer opportunities for personal growth. i.e. Everyone”

“Keep trying and never give up, disallows the effortless flow of life’s opportunities”

“Drama is a false influence causing a negative existence”

“Trauma is a negative experience causing a false existence”

“Victims who bury their head in the sand, to avoid what is happening to them, find their predicament leads to their being shafted from behind. To avoid this, they put their head up their arse and become a victim of annal retention, which is the affectation of being shafted by oneself”

“The belief that the application of electric shock treatment to my brain will cure my mental illness is proof of my insanity”

“A one dimensional point in time, through a two dimensional field of space, allows the experience of a three dimensional existential reality”

“The existence of nowhere is an illusion with the real experience of being now-here”

“When emotional tension is balanced, mental intention is harmonious”

“Alzheimer’s is believed to be a mental disorder with a physical cause, by Physicians”

“Dementia is believed to be a mental incapacity by those with emotional competence”

“With enough emotional competence, any mental incapacity is tolerable”

“Patience & tolerance are an emotional competence, irrespective of mental capacity”

“Mental incapacity can be beneficial to the development of emotional competence”

“The secret to self-confidence is intuitive”

“When I know with certainty and I feel worthy, I confidently see the secret”

“People with a problem need help”

“People with a challenge need support”

“People with an opportunity need neither help nor support”

“Self-discipline requires the alignment of instinct, intellect & intuition”

“When I look for confidence outside of my Self, I will only ever find an arrogant influence”

“My intuitive guide is confident of never being arrogant”

“My intuitive guide is called self-confidence”

“My intuitive support is called self-worth”

“An emotion is effectively an experience”

“The effect of an experience is an emotion”

“An influential thought creates an emotional experience”

“Polarised thinking influences the perception in a positive or a negative way”

“Awareness is an intuitive emotional perception”

“Consciousness is an intellectual rational perspective”

“An Intellectual Intention turns an Instinctive Reaction into an Intuitive Response”

“Modern Medicine has no concept of the Self, it has no concept of

Healing and it has no concept of
Self-Healing”

“A Need is Instinctive & Reactive”

“A Want is Intellectual & Proactive”

“A Choice is Intuitive & Responsive”

“God’s Law is mistakenly believed to
be a moral ethos, when in truth the
only golden rule is governed by the
Law of Attraction”

“In a world of individual sovereign
choice, all rule of law is chosen by
Man; either individually or
collectively”

“Effective is effortless & efficient”

“Efficient is effective & effortless”

“Effortless is efficient & effective”

“The standard for every intently
intent intentional intention is
efficiently, effectively & effortlessly”

“The zone is a space beyond time”

“The abyss is a time without space”

“Time speeds up towards eternity as
space expands towards infinity”

“Thought is instant, thinking takes
time”

“Healthy people never have a
disease, they do have occasional
episodes of toxic elimination &
internal cleansing, which may cause
some temporary dis-ease”

“Illness is the cessation of conscious & sub-conscious senses for the purpose of detoxification & elimination of physical waste”

“Disease is the emotional dis-ease caused by viral mental pathogens”

“Pathos genes are the physical emotional manifestation of mental viruses”

“When I take Good for granted, it is granted”

“Taking Good for Granted is Being Accepting”

“Being Good is being God and being God is being Good”

“Playing God is pretending to be good”

“When god is a role that I play, I am pretending to be good”

“Pain, fear & problems are not good, they are unacceptable, do not take them for granted”

“Faith is taking Good for granted”

“Life is All, Well & Good”

“Acute Illness is a cellular cleansing”

“Starve a cold, fast with flu”

“A contravention of sovereign law is a violation of another’s sovereign choice, which violates my sovereign choice”

“Non-adherence to the Golden Rule is a violation of my sovereign choice”

“Never attack someone for doing what they believe to be right means never violate another’s choice”

“There is no getting away with murder”

“Murder terminates another’s choice, which violates their sovereignty”

“Ultimately, there is only one choice, which is Love”

“By me is my choice”

“As me is Love’s choice”

“I can choose what I want, choose what I need or choose what I like”

“Choosing what I like is naturally attractive”

“Choosing what I am like (liking) is attraction in action”

“Love is like light, neither dark, nor heavy, hateful nor fearful”

“The force of a tsunami is its speed of travel”

“The magnitude of a tsunami is the height & breadth of its impact”

“Tides have a high magnitude with a low force”

“Effortless force has a gentle magnitude”

“Choose with empowered authority, act with gentle effortlessness”

“A minute weakness is a huge strength”

“Intuition is female mindful subjective consciousness”

“Intellect is a male conscious objective mind”

“The problem with illness is that we think it is a problem”

“A solution dissolves a problem without solving a problem”

“When the solution dissolves the problem reappears”

“When a problem is in solution it is not apparent”

“When the solution is not apparent, the problem reappears for a resolution”

“A Healthy perspective sees healing as the maintenance of health”

“An unhealthy perspective sees healing as curing an illness”

“What Non-Dualism calls Consciousness is unconscious, unfulfilled, unrealised, inert, latent, creative potential”

“Excellence is expansive & boundless, not bound & contractual”

“A one dimensional experience of Consciousness is a nonsense. Unconsciousness has no density, therefore no experience is possible”

“A 2 dimensional experience of Consciousness is a dilemma”

“A 3 dimensional experience of Consciousness is a trial”

“A 4 dimensional experience of Consciousness reveals its quality”

“A 5 dimensional experience of Consciousness reveals its quintessential nature”

“Including only people on an inclusive path, excludes those on an exclusive path”

“Extroverts need to be extrospective & inclusive. Those who are introvert & introspective choose a more exclusive path”

“Unless I own my standards, I cannot own my boundaries”

“Unless I own my boundaries, I cannot own my beliefs”

“Unless I own my beliefs, I cannot have a true perspective”

Unless I have a true perspective, I cannot own my standards”

“My standards, boundaries, beliefs & perspectives are either truly my own or they are based on someone else’s fears”

“First choice is the creation of Duality, which necessarily & essentially allows choice”

“Second choice is the creation of time & space, which allows choice to cause an affect called reality”

“Third choice is an Individual creation that allows sovereign choices”

“Three choices allows a reality of multiple choices with definite possibilities”

“My boundaries define my comfort zone”

“My standards define my opportunities for growth”

“Rational thinking is a linear process of creating a future based on past experiences”

“Inspirational thought is a present occurrence that is beneficial now. It

is a beneficial present presented in the present moment of now”

“When life happens to me, I am subjected to a sub-conscious objective”

“When life happens by me, I subject myself to a conscious objective”

“When life happens super-consciously through me, I adjectively attain my subjective objectives”

“When life happens as me, I create subjective objectives adjectively, objective adjectives subjectively and adjective subjects objectively”

“Subjective objectives are achieved”

“Objective adjectives are attained”

“Adjective subjects are accomplished”

“From a surreal perspective, what is real appears unreal”

“From a real perspective, the surreal appears unreal”

“The unreal has no perspective”

“Will your belief affect me?”

“Will your belief infect me?”

“Will your belief effect me?”

“Singularity asks why”

“Duality is what allows choice ”

“Triality is where I try”

“Quality is when I succeed”

“Quintessentiality is who I am”

“With an expansive magnitude of power, no forceful authority can prevail”

“Judgment is a collaboration between our sub-conscious influences and our conscious existence. It determines the guilt & innocence of the right & the wrong of the good & the bad”

“Discernment is the unification of our conscious intellect with our intuitive awareness. It has clarity & direction, which ensures that it is certainly safe”

“The United States Federal Reserve neither represents any Federation nor holds any financial reserves”

“A Central Bank Digital Currency Exchange requires no Gold Reserves”

“The International Monetary Fund issues digital monetary funds internationally. It does not trade in either Gold or Bitcoin”

“Gold is reserved for lovers of Bling”

“Trading in Gold & Bitcoin allows trading to remain opaque & unaccountable”

“Every Fool is a victim of their own folly and every Wise Man is the beneficiary of their own wisdom”
